

**DEFINITION** - A Hate Crime is a criminal offense committed against a person or property which is motivated in whole or in part, by the offender's bias against a race, ethnic/national origin, religion, sexual-orientation, or mental/physical disability group.

Michigan's Ethnic Intimidation Act, Act 328 of 1931, as amended, Section 750.147b, was written to allow for stricter penalties for hate crimes. Ethnic intimidation is a felony punishable by imprisonment for not more than 2 years, or by a fine of not more than \$5,000, or both.

Hate crime incidents are identified by the motivation of the offender(s). Law enforcement investigations determine the objective facts which lead to a reasonable conclusion that the offender's actions were motivated by bias against a race, ethnic/national origin, religion, sexual-orientation, or mental/physical disability group. Accurate data collection of hate crimes depends heavily on effective training of law enforcement to recognize such incidents and the cooperation and desire of communities/victims to report these incidents to law enforcement.
