Report on Concealed Pistol License Revenue

Revised December 12, 2017

The Michigan Department of State Police (MSP), Criminal Justice Information Center, has compiled a report on concealed pistol license revenue as required under Article XVI of 2016 PA 268. Sec. 402(8) states: **“The department shall provide to the Legislature a report on concealed pistol licensing not later than December 1, 2017, that includes all of the following:**

(a) The department’s actual revenue received from fees paid for concealed pistol license (CPL) applications for fiscal year 2016-2017 and the uses of that revenue.

Actual FY2017 revenue received from fees paid for concealed pistol license (CPL) applications	\$ 7,724,490*
Five year CPL revenue average	\$ 6,077,898

*CPL revenue, less fingerprint processing fee authorized under MCL 28.273. CPL revenue is cyclical; it fluctuates due to socioeconomic factors, elections, and renewal cycles.

(b) The department’s fiscal year 2016-2017 costs for administering its concealed pistol license responsibilities under 1927 PA 372, MCL 28.421 to 28.435, but not including costs related to the administration of other state statutes, or requirements of federal law.

MSP Concealed Pistol License Unit (Responsible for administering 2015 PA 3)	\$ 1,920,120
Support systems utilized by the CPL unit	\$ 5,804,370

Concealed pistol license revenue is used to support the business operation of maintaining the concealed pistol license database, as well as the program used by the county clerks and the MSP CPL unit to enter applicant information and conduct background checks. It is also used for compiling the concealed pistol license annual report to the Legislature; developing, printing, and distributing required forms; providing training and support; and legislative and legal resources. In addition, concealed pistol license revenue, along with fingerprinting and Internet Criminal History Access Tool (ICHAT) fees, is used to support several criminal justice information systems used by law enforcement and criminal justice agencies, including the MSP CPL unit.

Note: the information under subsection (b) was revised because the original submission inadvertently excluded costs related to the CPL unit responsibilities under MCL 28.425, MCL 425c, and MCL 28.428.
