Training Division Enrollment

Registration for all Training Division courses will now be conducted online through [MI-TRAIN](#). Each individual must sign in to his/her own MI-TRAIN account to register for a course. Individuals who have not yet created an account in MI-TRAIN must do so prior to registering for the course. (For more information about MI-TRAIN features, view [MSP's MI-TRAIN gateway](#).)

To locate a course, you can search by Sponsor/Offerer using **MSP**, or you can search by keyword using any part of the course title. Once the course is located, click the course name to view details, then click the Registration tab. Click the "Go to Step 2 of Registration" button for the desired session. You will be redirected to the MSP Web site to submit additional information, including MCOLES number, lodging requirements, and PCA/Index, if applicable.

Questions regarding MI-TRAIN should be directed to [Ms. Pam Fulkerson](#) at (517) 322-1179.

INTRODUCTION

Academy Information

The Michigan State Police Training Academy is located in the State Secondary Complex just off I-96, Lansing Road Exit 98A, at 7426 N. Canal Road, Lansing, Michigan, 48913.

This seven-story high-rise building on the east side of Canal Road constructed in 1974 contains 104 dormitory rooms capable of accommodating 208 people. It includes complete food service facilities capable of seating 225 people.

The training facilities include classrooms of varying sizes accommodating 30-70 people, a computer skills training center (Tech Lab), an auditorium with seating capacity for 250 people, and a training scenario house.

The indoor firearms range has 15 automated positions for firearms training with distances of up to 25 yards.

The Academy training tank is six lanes wide and 25 yards long. The gymnasium, cardio room, and weight room are available for Academy guests after 5 p.m., Monday through Friday.

Training House

The Training House is a multi-purpose miniature version of a typical residential dwelling planned to provide a wide variety of training scenarios for the Academy staff and trainees.

Located adjacent to the Academy, it is both convenient to use and easily accessible. It can be used for training scenarios as well as small group presentations.

The Training House and surrounding area typify a setting in which an officer would have to respond for a multitude of calls. Typical training situations could include approach techniques for complaints involving domestic disputes, breaking and entering, hostage situations, and serving of warrants. By adding movable panels, the living room area can be utilized to simulate other settings which could include the interior of a bank, store, or other typical crime situations.

Even the area surrounding the facility can be used for training purposes. Investigative techniques for major crimes include examining grounds for possible clues. The exterior includes typical areas found in most crime situations; i.e., grass, concrete, asphalt, and gravel.

For more information and reservations, please call (517) 322-1200.

INTRODUCTION

Law Enforcement Resource Center

The Michigan Commission on Law Enforcement Standards Law Enforcement Resource Center (LERC) provides law enforcement training materials free of charge to eligible criminal justice agencies and regional police training academies throughout the state of Michigan.

The Resource Center provides educational materials in VHS and DVD format on a variety of subjects, such as:

- Criminal Investigations
- Officer Safety
- Patrol Procedures
- Defense Techniques
- Police Psychology
- Driving Skills
- Drug and Alcohol Training
- Meeting Openers
- Report Writing
- Incident Command
- Many more topics

The LERC hours are Monday through Friday. All materials are available on a first-come, first-serve basis and should be scheduled at least one week in advance. It is imperative that all materials are returned via UPS or First Class Insured Mail on time. These materials are copyrighted and CANNOT be duplicated or reproduced.

**All materials must be returned
U.P.S. or First Class Mail and insured.**

**Remember, all materials are first-come, first-serve
basis, so plan ahead and reserve.**

The LERC catalog is available online at www.michigan.gov/mcoles. To order materials, please e-mail [Ms. Sandra Luther](mailto:Ms.Sandra.Luther) at 517-322-5624.

INTRODUCTION

Emergency Management & Homeland Security Training Center

Michigan's Emergency Management & Homeland Security Training Center is unique in the country as the only facility of its type that was built by industry and donated to the state. Its purpose is to provide an ever-expanding and comprehensive program of cost effective training courses for public and private sector agencies. Over the past several years, specialized and technical rescue programs have also become part of the Center curriculum offerings making the facility an integral part of Michigan's effort at being a national leader in providing *"Excellence in Emergency Management, Homeland Security, and Hazardous Materials Training."*

The Center is located adjacent to the State Police Training Academy. The building and training yard occupy approximately three acres, allowing for plenty of room for hands-on courses.

The majority of the Emergency Management & Homeland Security Training Center programs have been developed to provide for maximum hands-on applications by participants. A variety of equipment used for the transportation and storage of hazardous materials, including rail cars, ISO shipping containers, above/below ground storage tanks, confined spaces, truck trailers, and drums are used by the students during training. Also available are personal protective equipment, air monitors, and decon systems which are used in mitigation and response activities.

All programs are designed to comply with existing state and federal rules and regulations requiring specific competencies. Instructors are selected based on their education and practical expertise to provide a comprehensive and meaningful learning environment.

INTRODUCTION

Precision Driving Facility

The Precision Driving Facility is located on a 42-acre site adjacent to the Michigan State Police Training Academy. The purpose of this facility is to provide emergency vehicle operations training to the law enforcement community. Advanced precision driving programs are offered to both in-state and out-of-state certified police officers. Enrollment is based upon availability and submission of the Training Division enrollment form.

Information about the Precision Driving Facility:

- One Mile Highway Response Course
- Nine Acre Precision Maneuvering Pad (700' x 500')
- Three Acre Skid Pad (500' x 200')
- Off Road Recovery Lane
- Classroom/Office/Observation Tower
- Four Full-time Staff Members
- Twenty-six Assigned Vehicles
- Safety Equipment

Lodging and meals are available at the Training Academy.

EMERGENCY MANAGEMENT & HOMELAND SECURITY TRAINING CENTER PROGRAMS

Excellence in Emergency Management, Homeland Security, and Hazardous Materials Training

The **MICHIGAN EMERGENCY MANAGEMENT & HOMELAND SECURITY TRAINING CENTER (EMHSTC)** provides an ever-expanding and comprehensive program of cost-effective training for public and private sector agencies responsible for hazardous materials planning, response, and cleanup. For the past 20 years, its purpose is to provide specialized and technical rescue programs which have become part of the Center's curriculum making the facility an integral part of Michigan's effort at being a national leader in emergency training for hazardous materials, technical rescue, and terrorism planning and response.

Courses and workshops are developed to meet or exceed the variety of planning and training requirements and recommendations of OSHA, EPA, MIOSHA, NFPA, MDPH-EMS, and others. On-site courses are conducted at the Center's three-acre site adjacent to the Michigan State Police Training Academy in Lansing. Due to the extensive hands-on nature of many of these programs, the Center utilizes a variety of training and simulation aids including railroad cars, highway tank trailers, above/below ground storage tanks, confined spaces, and personal protective clothing and equipment – all intended to provide a realistic training environment. Upon successful completion of a course, students are issued a Michigan State Police certificate of training.

OFF-SITE TRAINING

The EMHSTC continues to expand the ability to develop and deliver planning resources and training programs to you and your employees at your facility or a facility near you. The EMHSTC Staff is also available to develop specific courses for your facility based on the activities your personnel are expected to perform. All training services are designed to enable you to comply with federal and state regulations.

- Expert Testimony
- Electrical Fire Investigation
- LP Gas Fire Investigation
- Arson Profiling
- Natural Gas Fire Investigation
- Accounting
- Insurance/Exam under Oath
- Advanced Interview & Interrogation

YOUTH SERVICES PROGRAMS

Michigan State Police Youth Leadership Academies (MSPYLA)

The Michigan State Police Youth Leadership Academy, which is hosted by the Michigan State Police (MSP), provides teens with the opportunity to develop leadership skills and build positive relationships with law enforcement officers. The teens will spend the week at the MSP Training Academy, in Lansing, where they will receive instruction from officers from their hometown police departments in an effort to form a foundation of Responsibility, Respect and Trust that benefits the teens, law enforcement officers, and their communities.

The Michigan State Police has experienced unprecedented community partnership building with the success of the Michigan Youth Leadership Academy's (MYLA) program. With the recent success of the MYLA, there has been a surge of interest from communities that want to repeat or become first time participants as community partners.

Curriculum

Michigan Department of Education supports the MYLA curriculum as it relates to the Social Studies state education requirement. The students will receive 40 hours that focus on character education's core ethical values Responsibility, Respect and Trust.

The Michigan Youth Leadership Academy (MYLA) focuses on providing a structured and disciplined life skills curriculum for student's age 14-16 years enrolled in schools within the "Cities of Promise." The MYLA curriculum promotes core ethical values as the basis of healthy relationships and good character.

Student and School Selection Process

When applicable, (30) students will be selected from schools not meeting Adequately Yearly Performance Report (AYP). The number of students supports the MYLA curriculum, objectives, and staffing requirements.

MYLA Staffing

The student/staff 5:1 ratio supports the mission of the MYLA. The staff will consist of primarily police officers from the local and county law enforcement jurisdiction. School security officers can be assigned to support staffing requirement.

PROFESSIONAL DEVELOPMENT/ INSTRUCTOR TRAINING PROGRAMS

First Line Supervision

FIRST LINE SUPERVISION is offered via a blended course of instructional delivery consisting of 4 days in a retreat setting where learners are required to stay on location. This is followed the next week with 3 days of facilitated distance learning. In the third week, the learner will participate in 3 days of classroom instruction at the Michigan State Police Training Academy in Lansing for 80 instructional hours. The instructional format is problem-based learning (PBL) – the next generation in law enforcement training. The training is provided in partnership with the Michigan State Police and Michigan State University School of Criminal Justice, and funded in part, with Michigan Justice Training grant dollars.

DATES: May 14-30, 2012

IMPAIRED DRIVING PROGRAMS

Advanced Roadside Impaired Driving Enforcement (ARIDE)

ARIDE is open to all law enforcement officers who have successfully completed the NHTSA 24-hour SFST Practitioner Course.

This course is designed to help officers become more proficient at detecting, apprehending, testing, and prosecuting impaired drivers.

This is an intermediate level course designed to offer more than a basic understanding of the impairing effects of drugs (Illicit and Licit), alcohol, and/or the combination of both.

Students must be a state certified or commissioned law enforcement officer in a full-time paid capacity and/or prosecutors responsible for the detection, arrest, and prosecution of DWI drivers. Students must have successfully completed the IACP/NHTSA Basic 24-Hour National Standardized Field Sobriety Testing Program (SFST). Students will be asked to demonstrate proficiency with the three battery of tests (Horizontal Gaze Nystagmus, Walk and Turn, One Leg Stand) at the beginning of the course. If a student cannot properly demonstrate the tests, they will be dismissed from the program.
