Mr. Jeff Troyer, Chair
State 9-1-1 Committee
7150 Harris Drive
Dimondale, MI 48821

RE: SB400 & HB4651

Mr. Jeff Troyer and Members of the State 9-1-1 Committee;

I am writing you on behalf of the Michigan Chapter of the National Emergency Number Association membership in regards to SB400 & HB4651, which propose a legislative amendment to provide critical funding for Next Generation 9-1-1 and related IP infrastructure.

At the most recent membership meeting of the chapter held on July 20, 2017, the membership unanimously agreed to support this effort and the proposed bills. The Michigan NENA membership understands the team effort that is needed in this legislative process and looks forward to working with all interested parties. We have asked our membership to have discussions with their respective community leaders and legislators regarding the need to support both the Senate and House Bills.

If you have any questions, or require any additional information from our membership, please do not hesitate to reach out to me.

Respectfully,

A handwritten signature in black ink that reads 'Marc S. Gramlich'.

Marc S. Gramlich, ENP

President, Michigan Chapter of NENA
