

## **2017 TAC for Courts Training Schedule**

The Michigan State Police, Security and Access Section, Audit Unit, is now accepting registrations for the **2017 Terminal Agency Coordinator (TAC) for Courts** classes. The Law Enforcement Information Network (LEIN) policy requires all agencies with direct access to LEIN designate a TAC. Direct access to LEIN includes the following: any ability to conduct a transaction against LEIN and NCIC systems databases through a desktop computer, mobile data computer, in-car laptop, APRS, SOR application, etc.

The TAC class is mandatory for all new TACs or existing TACs who have not attended TAC training in the last two years. The TAC for Courts training is designed primarily for court LEIN/NCIC users. There is no cost for this training. Class times are from 9:00 a.m. to 4:30 p.m., with registration beginning at 8:00 a.m. Lunch is not provided.

Registration is to be completed via the MI-TRAIN website at <http://mi.train.org>. **The Course ID is 1066981.** If you do not already have a MI-TRAIN account, you must create one by entering all of the required information. Then sign-in to MI-TRAIN and enter the course ID number. Select the course, click on the Registration Tab, provide your agency's ORI in the space provided, and click the Register button for the appropriate session. Certificates can be obtained via the MI-TRAIN website following the successful completion of an exam taken during the class.

**\*\*IMPORTANT – Each attendee MUST have their own MI-TRAIN account in order to register\*\***
