Note: In 2016, three new file class offenses were added per the request of the Federal Bureau of Investigation, Uniform Crime Reporting Program. This may have impacted statistical data for 2016. The new file class offenses are listed below:

- Fraud-Hacking/Computer Invasion - Law enforcement reported Hacking/Computer Invasion offenses under the Fraud-Impersonation file class in prior years and this is why there are zero counts for 2015.
- Fraud-Identity Theft - Law enforcement reported Identify Theft offenses under the Fraud-Impersonation file class in prior years and this is why there was only one reported for 2015.
- Animal Cruelty - This is a new file offense and the data was not previously collected.
