

These multiple copy booklets are a part of Michigan's Grade Level Content Expectations (GLCE). They are just one in a series of companion tools for both educators and families. The goals of the booklets are to state in clear terms what students in each grade are expected to know and be able to do. If you have any questions about these Parents Guides, please contact Ms. Betty Underwood at underwoodb@michigan.gov. (Requires the free [Adobe® Acrobat® Reader](#) ver 7.0.7.) Some PDF's are large and may take several minutes to open.

(Please note that the content of each booklet is reproduced on each side. This is so that they may be shared with other parents or family members.)
