3000 Monroe Avenue N.E.
Grand Rapids, MI 49505
Volunteer Office: 616-364-5315

As always, we continue to work diligently to provide an excellent quality of life for the veterans at the MVHGR. In collaboration with your generous support, we can accomplish that mission together. Please consider supporting our heroes from one of the options below.

Monetary Donations:

Life Enrichment: This fund is used to improve the quality of life for our members through life experiences, community outings, therapeutic programming, purchase of tickets for outside events such as sporting events, musicals, theater productions, movie tickets, and much more. Also included in this fund are tangible goods such as supplies for daily programming, hosting of special events, bingo games, community education programs, and other life enriching activities.

Hebe Fountain Restoration Project: The members, their families and volunteers have collectively united to raise funds to restore the 1893 Hebe Fountain that resides on the grounds of the Home. This fountain has served as a place of rest, solitude, and reminiscence for many veterans and their guests over the years. Unfortunately, corrosion completely disabled it in 2019. Please consider supporting this great mission that the members have chosen as their project for 2021. With your generous contributions they hope to be able to enjoy it again in the summer of 2022.

Please contact Deanna Reames at reamesd@michigan.gov or 616-364-5331 for more information about how you can support Michigan Veteran Homes at Grand Rapids.
