

## MICHIGAN WOMEN'S COMMISSION

Inspire. Empower. Create.

The Michigan Women's Commission is a 15-member, Governor-appointed commission that focuses on the following initiatives through three different subcommittees:

### **Women in Business Committee:**

- Advocates for Michigan women in business which includes promoting of women and girls in Science, Technology, Engineering and Mathematics (STEM).
- Strives to increase women's membership on corporate boards.

### **The Women Veterans Committee:**

- Identifies the needs of Michigan women veterans to help advocacy efforts and supports those efforts using social media to help identify and become a resource for veterans.

### **The Human Trafficking/Sexual Assault Committee:**

- Increases awareness of human trafficking and sexual assault in Michigan through collaborative initiatives with numerous partners.
