School

River Oaks Elementary

School District

Dearborn Public Schools

Grade

5th graders

Teacher's Name

Art Teacher's Name

Wendy Sample

LEARNING STATEMENT

While working on "ABC's of Michigan- Many Ways of Learning,"
we learned...

We learned that by working together we were able to come up with the best solution to our challenge. Designing ornaments to hang on a garland that wasn't created yet by the middle school students was an interesting problem. The deer, trees and stars represent a snowy Michigan winter. They'll look good with the natural materials the garland was made of.
