Purchase Requirements

Eligibility

You may purchase up to two years of service credit if you reduced your hours or had a break in service for parental leave.

Parental leave is (1) the active participation or supervision in the day-to-day, ongoing care of your child by birth or adoption; or (2) a pregnancy, whether brought to full term or not, childbirth, and recuperation.

Conditions

- You may purchase service for a period in which you stopped working or reduced the hours you worked for the State Police for parental leave. You cannot have intervening employment of more than 20 hours per week for each week of service credit that is purchased.
- This service credit cannot be purchased until you have 10 years of earned service with the State Police.
- You must be an active member of the Defined Benefit (DB) plan to initiate a purchase.

Cost

You may purchase any fraction of a year increment. ORS uses a professional actuary to determine the actuarial rate.

Application Process

1. Send your completed application with a **copy of the birth certificate(s) or adoption papers to:**

Office of Retirement Services
P.O. Box 30171
Lansing, MI 48909-7671

2. ORS will review your application and, if you are eligible, send you a *Member Billing Statement* along with information on payment options. This statement lists the amount of service you are eligible to purchase, the cost, and the due date. Although it is called a billing statement, you're not obligated to buy this credit.
3. To complete the purchase, follow the instructions on the billing statement.
