

CENTRAL SANITARY LANDFILL LOCAL PUBLIC HEALTH RESPONSE

Liz Braddock, Director of Environmental Health
Mid Michigan District Health Department

A Part of Montcalm County Government

Phase I Activities

- ▣ Part of the sampling team for Phase I water well testing
- ▣ Delivered water testing results to Phase I residents
- ▣ Provided Aquasana filtration systems to homes that had small amounts of Total PFAS

Future Action Steps

- ▣ Communicate information to local officials and community
- ▣ Coordinate with State partners on continuing monitoring at the site
