We got your form!

Dear *NAME*:

The Office of Retirement Services (ORS) received your *Part-Time Student Retirement Plan Participation* form (R3757C) which says that you elect to continue your participation in the Michigan Public School Employees' Retirement System as a part-time student worker.

Visit michigan.gov/orspublicschools where you'll get information about your *RETIREMENTPLAN* plan.

To access your retirement account, log in to miAccount at michigan.gov/orsmiaccount. Once you're logged in, you can name your pension account beneficiary, track your contributions and service credit totals, update your email address, and much more.

If you were a part-time student and worked at a Michigan community college before July 1, 2014, there is a chance you may be able to add that employment to your retirement account. Visit michigan.gov/ccstudents for more information.

Retirement is a journey; we are here to help you along yours. If you have any questions or need to update your contact information, visit michigan.gov/orsmiaccount and use our online message board for secure, direct access to our representatives. You can also contact our office by phone at the numbers listed above.

Sincerely,

Customer Service
