FLAG HONORS IN MICHIGAN

RECISSION OF EXECUTIVE ORDER 2006-10

WHEREAS, Section 1 of Article V of the Michigan Constitution vests the executive power of the state of Michigan in the Governor; and

WHEREAS, under Section 12 of Article V of the Michigan Constitution of 1963 the Governor is the commander-in-chief of Michigan's armed forces; and

WHEREAS, under Section 7 of Chapter 1 of Title 4 of the United States Code, 4 USC 7, by order of the President, the flag of the United States shall be displayed at half-staff upon the death of principal figures of the United States and the governor of a state, territory or possession; and

WHEREAS, in the event of the death of other officials or foreign dignitaries, the flag is to be displayed at half-staff according to Presidential instructions or orders, or in accordance with recognized customs or practices not inconsistent with the law; and

WHEREAS, in the event of the death of a present or former official of the government of any state, territory, or possession of the United States, the governor of that state, territory, or possession may proclaim that the flag of the United States shall be displayed at half-staff; and

WHEREAS, it is appropriate that the flag of the United States be displayed at half-staff on state buildings, grounds, and facilities as directed by the President or the Governor; and

WHEREAS, it is appropriate that the flag of the United States be displayed at half-staff throughout the state of Michigan and on Michigan waters as a mark of respect for the memory and in honor of the service of members of our Armed Forces killed in the line of duty; and

WHEREAS, it is desirable to provide direction for the uniform observance of this mark of respect to state departments and agencies and guidance to the People of the State of Michigan generally on such occasions;

NOW, THEREFORE, I, Richard D. Snyder, Governor of the state of Michigan, by virtue of the power and authority vested in me by the Michigan Constitution of 1963, the laws of the state of Michigan, and the laws of the United States of America, order:

I. DISPLAYING THE FLAG AT HALF-STAFF

A. The flag of the United States shall be displayed at half-staff throughout the state of Michigan, meaning at all state buildings, grounds, and facilities, as provided in this Order and as otherwise directed by the Governor.

B. All requests to display the flag at half-staff at state buildings, grounds, and facilities and any questions from state departments or agencies relating to displaying the flag at half-staff shall be directed to the Office of the Governor.

C. The Department of Technology, Management, and Budget shall assist the Office of the Governor with implementing this Order, communicating directions regarding displaying flags at half-staff, and assuring compliance by state departments and agencies.

D. When this Order provides for the flag to be displayed at half-staff on a statewide basis, Michigan residents, businesses, schools, local governments, and other organizations also are urged to display the flag at half-staff.

E. As provided by federal law, when displayed at half-staff, the flag of the United States should be first hoisted to the peak for an instant and then lowered to the half-staff position. The flag should be again raised to the peak before it is lowered for the day. On Memorial Day the flag should be displayed at half-staff until noon only, then raised to the top of the staff.

F. As provided by federal law, no other flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States. No person shall display the flag of the United Nations or any other national or international flag equal, above, or in a position of superior prominence or honor to, or in place of, the flag of the United States. When flags of states, cities, or localities or pennants of societies are displayed on the same halyard with the flag of the United States, the flag of the United States should always be at peak. When flags are displayed from adjacent staffs, the flag of the United States should be hoisted first and lowered last. No flag of a state, city, locality, or pennant of a society may be placed above the flag of the United States or to the United States flag's right. When flags of two or more nations are displayed, they are to be displayed from separate staffs of the same height. The flags should be of approximately equal size. International usage forbids the display of the flag of one nation above that of another nation in time of peace. International usage also provides that the flag of another nation should never be displayed at half-staff unless authorized by that nation.

G. As used in this Order, the term "half-staff" means the position of the flag when it is one-half the distance between the top and bottom of the staff.

II. ANNUAL DAYS TO DISPLAY FLAG AT HALF-STAFF

A. Consistent with federal law, the flag of the United States shall be displayed at half-staff throughout the state of Michigan on the following days each year:

1. Peace Officers Memorial Day, May 15, (36 USC 136, 36 USC 137; Executive Order 2006-7).
2. Memorial Day, the last Monday in May, until noon only (4 USC 7).

III. HONORING MEMBERS OF OUR ARMED FORCES
