

1980 Annual Campaign Statement Compilations

The attached sheets list the committees that filed an Annual Campaign Statement in June, 1980. The following information is shown for each committee:

- . Total receipts received during the reporting period.
- . Total expenditures made during the reporting period.
- . Cash-on-hand balance as of June 20, 1980.

When using these figures it is important to note that the period covered by the 1980 Annual Campaign Statement varies from committee to committee. In addition, the figures have not been adjusted for loans or loan repayments. For these reasons, we strongly recommend that you check the Statement itself for an interpretation of the figures before drawing conclusions about the committee's level of activity.
