The commission interviews for the communication position was effective. The positive qualities of each candidate were evident. The task of the commission is unique. The background of Mr. Sorg is the best match in relation to the commission task.

I am writing to express my support for Walt Sorg.

I have known Walt in my many capacities (state superintendent of schools, state mental health director, Jim Blanchard's deputy campaign manager and deputy chief of staff and an elected member of the Wayne County Charter Commission) working in both the public and private sectors for over 4 decades. You will find few people more dedicated to good government, fairness integrity and human decency than Walt. The issues you are considering are part of Walt's DNA. He will bring his heart and soul to this critical work - together with his organizational and communication skills which will serve you well. I am available to elaborate if you desire. I wish you the best as you make this important decision— as it will impact us all.
