Facts about serving on the Michigan Independent Citizens Redistricting Commission for Fair Elections

The commission must include

four people who affiliate with the Republican Party, four who affiliate with the Democratic Party, and five who do not affiliate with either party. Prospective commissioners must identify their party affiliation on the application to serve.

Commissioners must be

registered and eligible Michigan voters.

The 13-member Commission

will be randomly selected through a transparent process performed by an independent accounting firm.

Beginning fall of 2020,

the Commission will meet at locations across the state and host public hearings to invite further citizen input and participation.

All meetings and public hearings

of the Commission will be recorded and open to the public.

All commissioners will receive

compensation of approximately \$40,000.

By Nov. 1, 2021, the Commission

must adopt finalized and fair election district maps which will become law on Dec. 31, 2021 and be in effect for the 2022 elections.
