**HOW TO REQUEST AN ORDER/AUTHORIZATION TO
REMOVE BREATH ALCOHOL IGNITION
INTERLOCK DEVICE (BAIID)**

You may request an Order/Authorization to Remove Breath Alcohol Ignition Interlock Device if you meet the following requirement:

- You have **one** conviction for Operating a Motor Vehicle with an Alcohol Content of .17 or more and you are currently on a restricted license that requires an ignition interlock device.

You will not have to appear in person to obtain an Order/Authorization to Remove Breath Alcohol Ignition Interlock Device. Instead, the Department of State will review the Ignition Interlock Report and your driving record. You will receive an Order/Authorization to Remove Breath Alcohol Ignition Interlock Device by mail. A review cannot be scheduled until the Ignition Interlock Report is received by the department.

NOTICE

If the Ignition Interlock Report reveals a blood alcohol level of 0.025 grams or higher per 210 liters of breath, you may receive an additional period of suspension. If that occurs, you may be eligible for a restricted license 45 days after the start of the suspension if there are no other open actions preventing the Secretary of State from issuing a restricted license. [MCL 257.319(8)(g) & (i)]. The restricted license will specify that you may not operate a motor vehicle unless it is equipped with a breath alcohol ignition interlock device (BAIID). [MCL 257.319(8)(g)].
