INITIATION OF LEGISLATION

This petition amends Act 118 of 1893, MCL 800.33, to repeal truth-in-sentencing, which currently does not apply to the entire prison population. **This Liberty and Justice For All Act** would allow all prisoners, regardless of the date on which they were sentenced, the right to earn time off of their sentences by incentivizing good behavior, academic and professional achievement. This legislation makes special allocations for prisoners sentenced as minors to serve time as an adult. It also makes special allocations for honorably discharged military veterans, mentally ill, disabled elderly prisoners.

A bill to amend 1893 PA 118. Entitled

An act to revise and consolidate the laws relative to state prisons, state houses of correction and branches of state prisons and reformatories and the government and discipline thereof and to repeal all acts inconsistent therewith By amending section 33 (MCL 800.33), as amended by 1999 PA 148; and to repeal acts and parts of acts
