# More information

## Find out where to vote.

**Registration confirmation:** When you register to vote, your local clerk will send you a voter information card that will include your polling place.

**Updated address:** If you register to vote at an address that is different than your current Michigan driver's license or state ID, we'll update both addresses at the same time. You will receive a sticker with the new address for the back of your ID card, or if you have an enhanced license, you will receive a new card in the mail.

**NOTE:** If you register to vote within 14 days of an election, you must go to your local clerk's office and provide proof of residency to be able to vote in that election. Acceptable documents include the following (electronic copies are ok): Michigan driver's license or state ID card, current utility bill (paper or electronic), bank statement, paycheck or government check or other government document.

## Apply from home for a ballot.

Apply or download an application at [Michigan.gov/RegToVote](https://Michigan.gov/RegToVote). Accessible applications are also available. Or you may request an application from your local clerk.

**Recommended:** Sign up to automatically receive an application to vote at home in every election.

## Vote from home with an absent voter ballot.

Ballots must be received by the clerk by 8 p.m. Election Day. Return your ballot by mail as soon as possible and at least two weeks before Election Day.

Or return your ballot to a dropbox (if your local clerk has one) or in person at your clerk's office. Call first for locations and hours.

Some voter registration information is public, but we won't share your driver's license or Social Security number, day or month of birth, email or phone number or your decision not to register.

As a registered voter, you have the right to vote by mail.
