## **Why do you want to serve on the Michigan Independent Citizens Redistricting Commission?**

We can only have a strong democracy if all voices are heard and counted. Neither party should be able to impact districts to favor themselves at the expense of the residents of the district/area. Gerrymandered districts are an anathema to democracy and it is essential that citizens (not politicians), who receive no direct benefit from the way a district is drawn, ensure a fair process.

**Describe why or how you affiliate with either the Democratic Party, Republican Party, or why you don't affiliate with either.**

I have always voted for the person who I feel can best do the job—Republican or Democrat. I believe there are good people in both parties and it is the job of citizens to vote for and support the person who will best serve the State or the Country.
