Describe why or how you affiliate with either the Democratic Party, Republican Party, or why you don't affiliate with either.

I have always described my beliefs to most resemble those of the Democratic Party more than any other party. I would not describe myself as a 100 percent Democratic in every single aspect of my life and opinions. I have an extremely open mind about everything. I don't make judgements based only on whether or not they are the Democratic or Republican points of view. I make my decisions the way I see them, I am open and honest about my opinions and beliefs, no matter what. I just notice that most of my beliefs and judgements seem to mostly resemble those of the Democratic Party.
