Michigan Independent Citizens Redistricting Commission Application

Why do you want to serve on the Michigan Independent Citizens Redistricting Commission?

As a small business owner, I have a keen eye on the employment statistics in our state. I see rising trends, changes in demographics, and what affects voting has on Michigan residents. The redistricting commission has a great responsibility in providing a clear and equal footing for all individuals in our state. Being a part of the commission would be very rewarding and serve as a lasting reminder that each of us has a voice to be used to further our great state.

Describe why or how you affiliate with either the Democratic Party, Republican Party, or why you don't affiliate with either.

The equality of every person and the opportunity to have every voice heard is the true nature of our democracy. That above all party affiliation is most important when looking at our voting districts. I have a light affiliation with the Democratic Party, but see value from both sides and have stayed open to new and different ideas that will serve our state best.
