Michigan Independent Citizens Redistricting Commission Application

Why do you want to serve on the Michigan Independent Citizens Redistricting Commission?

Districting is the foundation of how we elect representatives to both houses in the state of Michigan as well as how we decide who represents our interests in U.S. Congress. The system that we had allowed for the politicians to choose their voters, this is not what democracy is about. We need our elected officials to represent the best of all of us, not only democrats or republicans or Greens or libertarian. We need voices of those who are on the outside who have been ignored for far to long. We need people who will make a stand for those who are not part of the status quo party politics. By having this commission and removing the elected officials from this process gives the power back to the people and once again allows the people to pick their elected officials and not the other way around. This is why the commission is important to me and why I voted yes on the ballot in 2018.

Describe why or how you affiliate with either the Democratic Party, Republican Party, or why you don't affiliate with either.

Political parties as George Washington stated "serves always to distract the public councils and enfeeble the public administration. It agitates the community with ill-founded jealousies and false alarms, kindles the animosity of one part against another, foments occasionally riot and insurrection." I do not vote based on political party. I do not agree with most Democrats, I do not agree with most Republicans, I do not agree with most libertarians or Greens. I am a person with my own political views and policy positions. I will not be defined by a party that serves a system that has brought our government to the point of such hostility and division not seen since the Civil War. I don't affiliate with either party because of this reason. I vote based on policies of the individual and what they stand for. If an individual is not capable to speak their mind and vote their conscience then they are not worthy of office regardless of party affiliation.
