 LANSING LOOPHOLES**

Under Michigan election law, the sponsor of an initiative, referendum, or constitutional amendment petition may request approval of the summary of the purpose of the petition prior to placing the petition in circulation. MCL 168.482b(1), as amended by 2018 PA 608. If a petition sponsor avails itself of this optional process, a summary of the proposal’s purpose must be prepared by the Director of Elections and presented to the Board of State Canvassers (Board) for its approval or rejection. MCL 168.482b(2), as amended by 2018 PA 608. The deadline for the Board to approve or reject the content of the petition summary is the 30th day following the petition sponsor’s submission. MCL 168.482b(1).

If the Board approves the petition summary as prepared by the Director of Elections, the sponsor must print the full text of the approved summary in 12-point type in the heading of the petition and the Board will be barred from considering a subsequent challenge alleging that the summary is misleading or deceptive. MCL 168.482(3), 168.482b(1), (3). Further, if the Board subsequently certifies that the petition contains a sufficient number of valid signatures to qualify for placement on the ballot, the Director of Elections and Board are authorized to draft and approve ballot wording that differs from the petition summary. Opinion of the Attorney General No. 7310 (May 22, 2019).

The “summary of the purpose of the proposed amendment or question” prepared by the Director of Elections may be up to 100 words in length and must consist of a true and impartial statement in language that does not create prejudice for or against the proposal. Where these changes require the force of law, they shall be set forth in executive orders and submitted to the legislature. Thereafter the legislature shall have 60 calendar days of a regular session, or a full regular session if of shorter duration, to disapprove each executive order. Unless disapproved in both houses by a resolution concurred in by a majority of the members elected to and serving in each house, each order shall become effective at a date thereafter to be designated by the governor.

Exemption for independent citizens redistricting commission for state legislative and congressional districts.

Notwithstanding any other provision of this constitution or any prior judicial decision, as of the effective date of the constitutional amendment adding this provision, which amends article IV, sections 1 through 6, article V, sections 1, 2 and 4, and article VI, sections 1 and 4, including this provision, for purposes of interpreting this constitutional amendment the people declare that the powers granted to independent citizens redistricting commission for state and congressional districts (hereinafter, "commission") are legislative functions not subject to the control or approval of the governor, and are exclusively reserved to the commission. THE PROVISIONS OF THIS SECTION SHALL BE IMPLEMENTED IN COMPLIANCE WITH ARTICLE III, SECTION 9.
