

Democracy MVP Greek Battle

Our office is hosting the Democracy MVP Greek Battle as an opportunity for members of sororities and fraternities to participate in and serve their democracy! This fall, we are challenging Greek organizations in Michigan to recruit candidates to register as poll workers for the November general election. Election workers are the MVP's who ensure free and fair elections in our state and nation. Democracy is a team effort and we need your help!

The goal is for sororities and fraternities to compete to recruit the most Michiganders registering as poll workers. Each team will register as Democracy MVP's under their Greek name on the sign-up form at Michigan.gov/DemocracyMVP. You do not have to be a member of a Greek organization to be recruited as a poll worker. All Greek organizations that accept the challenge will be added to the Secretary of State's [partnership website](#). The organization with the most recruitments will win the Battle and be featured on our website!

Greek leaders from across the state will be invited to attend a meeting with our team to discuss the Battle and answer any questions. It is vital that we work together to defend Michigan's elections. Poll workers are on the front lines in upholding our democracy. We hope you RUSH to Michigan.gov/DemocracyMVP and accept the challenge!

Sincerely,

Jocelyn Benson
Secretary of State
