ASSOCIATION OF NATIONAL STAKEHOLDERS IN TRAFFIC SAFETY EDUCATION (ANSTSE) WEBINARS

Participation in the ANSTSE Professional Development Workshop (PDW) Series Webinars

There is no fee for participation. Attendees may participate in as many Workshops as they are interested. You will receive a separate email confirming registration that will contain a unique webinar link to participate in EACH workshop. To register use the **REGISTER** links on the ensuing page for **EACH** workshop you are interested in.

Space is limited, so register early. There will be additional virtual PDW webinar opportunities at later dates. All virtual workshops will be recorded and posted to the ANSTSE website at www.anstse.info for viewing at a later date free of charge.

Educational Credit for ANSTSE PDW Workshops

Members of the American Driver and Traffic Safety Education Association (ADTSEA) (www.adtsea.org) and the Driving School Association of the Americas (DSAA) (www.dsaa.org) may obtain a Certificate of Participation through their respective member association (must be a member of) as proof of participation for professional development credit. There is a \$15.00 certificate processing fee for **each** virtual workshop. Attendees can apply to receive a certificate for each workshop they participate in.

For those viewing the virtual workshop recording(s) at a later date, you will also need to pass an online assessment/quiz to verify participation to receive a certificate for each workshop viewed.

ASSOCIATION OF NATIONAL STAKEHOLDERS IN TRAFFIC SAFETY EDUCATION (ANSTSE) WEBINARS

August 24, 2020 (1 - 4 pm EDT) [REGISTER](#)

Workshop 1 – Select Segments of the ANSTSE Classroom Teaching and Learning Theories Curriculum

This workshop will cover select content from the ANSTSE Classroom Teaching and Learning Theories Curriculum including: Questioning Techniques, Classroom Management, and Student Assessment and Evaluation. This workshop will introduce techniques that will be referenced in Workshop 2 – Virtual Classroom Teaching and Learning Techniques. Participants of Workshop 2 are strongly encouraged to participate in this workshop as well.

*Presented by: Carol Hardin, Virginia
JoEllen Suter, Virginia*

August 26, 2020 (1 - 4 pm EDT) [REGISTER](#)

Workshop 3 – An Overview of Advanced Driver Assistance Systems (ADAS) and the Role of the Driver Educator

This workshop will provide an overview of Advance Driver Assistance System (ADAS) and the role of the driver educator including: What is Vehicle Safety Technology?, the Role of the Driver Educator, Common Terms and Levels Used for Vehicle Technologies, Vehicle Technology Factors in Crash Reduction and Benefits, and the Potential Concerns of Vehicle Technology.

*Presented by: William Van Tassel, Ph.D., ANSTSE and AAA National Office
Brett Robinson, ANSTSE and ADTSEA*

August 25, 2020 (1 - 4 pm EDT) [REGISTER](#)

Workshop 2 – Virtual Classroom Teaching and Learning Techniques

This workshop will provide techniques and strategies, utilizing the concepts covered in Workshop 3 and how they can be applied to teaching in the virtual classroom environment. The workshop will focus on how to engage the learner, how to manage the virtual classroom and how to evaluate and assess students during and after virtual training session(s).

*Presented by: Richard Hanson, Oregon
Tim Beckham, Oregon*

August 27, 2020 (1 - 4 pm EDT) [REGISTER](#)

Workshop 4 – Select Segments of the ANSTSE Behind-the-Wheel Teaching and Learning Theories Curriculum

This workshop will cover select content from the ANSTSE Behind-the-Wheel Teaching and Learning Theories Curriculum including: In-Vehicle Teaching Techniques with a focus on Coaching and Correcting, Observation Time and Challenges During COVID-19, Driver Evaluation, and On-board Technologies with a focus on dash or mirror cams.

*Presented by: Richard Hanson, Oregon
Tim Beckham, Oregon*
