Identification and Residence Verification Requirements:
Listings of Acceptable Documents

The following lists the types of documents voters can use to satisfy 1) the identification and residence verification requirements associated with the “provisional balloting process” and 2) the federal identification requirement imposed on first-time mail registrants.

Provisional balloting identification requirement: A voter who does not appear on the QVF list who wishes to vote a provisional ballot must identify himself or herself as a part of the provisional balloting process (see Step Three of the Four-Step Procedure form). To satisfy the identification requirement, the voter can show:

- A Michigan driver’s license. OR
- A Michigan personal identification card. OR
- Any other type of government issued identification card which shows the voter’s photo. OR
- An identification card issued by a Michigan university or college which shows the voter’s photo.

Provisional balloting residency verification: In addition to the above, a voter who does not appear on the QVF list who wishes to vote a provisional ballot must show documentation to confirm that he or she currently resides in the precinct (see Step Three on the Four-Step Procedure form). To satisfy the residence confirmation requirement, the voter can show:

- A Michigan driver’s license that lists the voter’s address in the precinct. OR
- A Michigan personal identification card that lists the voter’s address in the precinct. OR
- Any other type of government issued photo identification card that lists the voter’s address in the precinct. OR
- A photo identification card issued by a Michigan university or college that lists the voter’s address in the precinct.

If the voter is unable to satisfy the residence confirmation requirement by showing one of the above listed documents, the voter can show one of the alternative documents listed below. If the
voter must rely on one of the following alternative documents to confirm his or her residence address in the precinct, the voter must be issued an “envelope” ballots as explained in the Four-Step Procedure form instructions.

- A current utility bill that contains the voter’s name and address in the precinct (see examples below). OR
- A current bank statement that contains the voter’s name and address in the precinct (see examples below). OR
- A current paycheck or government check that contains the voter’s name and address in the precinct (see examples below). OR
- Any other government document that contain the voter’s name and address in the precinct (see examples below).

**Federal identification requirement imposed for first-time mail registrants:** Federal law stipulates that a voter who has never voted in Michigan who chooses to register by mail must satisfy an identification requirement. To satisfy the identification requirement, the voter can:

- Accurately enter his or her state issued driver’s license number, personal identification card number or the last four digits of his or her Social Security Number where requested on the mail-in voter registration form. OR
- Send one of the following forms of identification when mailing the mail-in voter registration form to his or her county or local clerk: a copy of any current and valid photo identification (see examples below) or a copy of a paycheck, government check, utility bill, bank statement or a government document which lists his or her name and address (see examples below).

If a voter subject to the new federal identification requirement does not meet the requirement when registering, the voter must present one of the above listed documents before voting in the first election in which he or she wishes to participate. The federal identification requirement does not apply if:

1) The voter hand delivers his or her mail registration form to the county or local clerk’s office; OR
2) The voter is disabled; OR
3) The voter is eligible to vote under the Uniformed and Overseas Citizens Absentee Voting Act.
