INSTRUCTIONAL MODIFICATION NOTES

Certain modifications to the instructional language must be made to accommodate the following situations:

- The words, **“VOTE BOTH FRONT AND BACK OF BALLOT”** must appear at the bottom of both sides of all two-sided ballots. The use of this language on one-sided ballots is optional.
- The words, **“CHECK BOTH SIDES OF BALLOT: This ballot has two sides. Be certain to check the reverse side of the ballot”** must appear in the instructions on all two-sided ballots. The use of this language on one-sided ballots is optional.
- The following instructional language is only required for ballots prepared for general elections at which the straight party option is required.

PARTISAN SECTION: To vote the partisan section of the ballot, you may cast a “straight ticket,” a “split ticket” or a “mixed ticket.”

Straight Ticket: Vote the party of your choice. Nothing further need be done in the partisan section.

Split Ticket: You may vote a straight ticket AND vote for individual candidates of your choice.

Mixed Ticket: Vote for the individual candidates of your choice in each office.

NONPARTISAN and **PROPOSAL SECTIONS** of the ballot (if any) must be voted separately.

- If a special general election to fill a vacancy in an office will be held in conjunction with a partisan primary, the following instructions must be printed immediately above the instructions for casting a write-in vote:

SPECIAL GENERAL ELECTIONS held to fill partial terms must be voted separately.

In addition, the words, **“SPECIAL GENERAL ELECTION”** must appear directly above the office division in boldface upper case type and centered in a shaded box.

The following instructional language is only required for ballots prepared for special primary election involving a single party:

PARTISAN SECTION: There is one party participating in the special primary.

CLOSED PRESIDENTIAL PRIMARY

Michigan Election Law has designated the Presidential Primary as a ‘closed primary’; this is the only ‘closed’ primary election. The differences between an ‘open’ primary and a ‘closed’ primary are:

- Voters in an ‘open’ primary are given a ballot with a column listing each qualified party’s candidates. Voters then decide which party primary they wish to participate in by voting only in the column of their party choice while in the privacy of the voting station. Voting for candidates in more than a single party’s column will void the entire partisan ballot.
- Voters in ‘closed’ primaries must state the party primary they wish to participate in before being issued a ballot. The ballot given to voters only shows the party that corresponds to their choice.

Special Considerations required for the Closed Presidential Primary:

- **Party choice collection, retention, disclosure and destruction**
- **No Party Declaration ballot selection (other candidates and proposals)**
- **Ballot Numbering Restrictions**
- **Candidate rotation and Uncommitted vote position**
- **Modified instructional language**

Party choice collection, retention, disclosure, and destruction:

- The law requires voters to indicate in writing which political party ballot he or she wishes to vote. This requirement only applies to presidential primary elections, and voters will not be required to select a political party ballot type in writing at other types of elections.
- County, city and township clerks must retain the forms indicating each voter’s presidential primary ballot selection for 22 months. This ballot selection information is subject to disclosure under the Freedom of Information Act.

No Party Declaration ballot selection (other candidates and proposals):

- Voters must be granted the ability to vote on local candidate or proposal items (if any) without being forced to participate in the Presidential Primary. To satisfy this ability a separate No Party Declaration ballot is created to allow a ‘third’ choice ballot. This ‘third’ ballot choice is subject to the same retention and disclosure standard as the primary.

Ballot numbering restrictions:

- Ballots created for the Presidential Primary must be numbered using different number sequences for each ballot type: Republican, Democratic, Libertarian and No Party Declaration (if any) e.g.:

<u>Ballot Type:</u>	<u>Ballot numbers:</u>
Republican Ballots	1001-3000
Democratic ballots	20001-23000
Libertarian ballots	30001-33000
Nonpartisan/proposal ballots	40001-44000
VAT stubbed stock	50001-55000

Candidate rotation and Uncommitted vote position:

- Each party primary shall have a vote position for “Uncommitted.” When a voter selects “Uncommitted” this implies that they are exercising a “party vote” but are not committed to any of the candidates listed on the ballot. With enough votes cast to “Uncommitted” the party can send delegates to the national nominating convention who are not committed to a specific candidate.
- Candidate rotation remains the same: candidates are placed in alpha order by last name (home position) with rotation of names rotated precinct by precinct across the jurisdiction. **The Uncommitted vote position does not rotate and remains in the position above the write-in line.**

Modified instructional language to be used for the Closed Presidential Primary:

INSTRUCTIONS: For the office of President, you may vote for a candidate or you may vote “uncommitted.”

TO VOTE: Completely darken the oval opposite each choice as shown: **[insert graphic here]**.

--OR--

TO VOTE: Completely darken the box opposite each choice as shown: **[insert graphic here]**.

IMPORTANT: To mark your ballot, use only a black or blue ink pen. **DO NOT USE ANY OTHER INK COLOR!**

PARTISAN SECTION: There are three (3) separate party ballots: Republican Party, Democratic Party and Libertarian Party.
YOU MAY VOTE ONE PARTY BALLOT ONLY.

DO NOT vote for more candidates than indicated under each office title.

WRITE-IN CANDIDATES: To vote for a candidate whose name is not printed on the ballot, write or place the name of that candidate in the blank space provided and (completely darken the oval) or (completely darken the box). Do not cast a write-in vote for a candidate whose name is already printed on the ballot for that office.

WHEN YOU HAVE COMPLETED VOTING: Place the ballot in the secrecy sleeve so that votes cannot be seen and the numbered stub is visible. Return the ballot to the election official stationed at the tabulator. (If voting by absentee ballot, follow the instructions provided by the clerk for returning the ballot.)

NOTE: If you make a mistake, return your ballot to the election official and obtain a new ballot. Do not attempt to erase or correct any marks made in error.
