• Become familiar with filing materials on our web site.
• If you are using MERTS- get efficient training well before filing deadlines.
• File on time! Mark your calendars with important dates to remember (filing deadlines). You can avoid fees by using certified mail when filing on paper.
• Understand Late Contribution Reporting and the penalties for not filing them.
• Keep your Statement of Organization information up to date. We send mail and e-mail to the addresses we have on file. Follow us on Twitter @michCFR
• Treasurer communication with committee must be optimum to avoid mistakes. Consider entering into a written agreement so that there is a clear understanding of each person’s responsibility.
• Pick your committee members (treasurer, record keeper) carefully.
