

The choice is yours

Get endorsed or get towed

Dear (name):

As of May 2017, there are now three different “license waiver” training courses offered across Michigan for both novice and experienced motorcycle operators to get trained and get endorsed.

Successful completion of a Basic Rider Course, Basic Rider Course 2 or a Returning Rider Course allows a rider to waive the skills and knowledge test requirements.

For as little as \$50, you can take a course and get your cycle endorsement. Some insurers offer discounts on motorcycle insurance premiums for riders who complete these courses.

It’s easy to avoid getting towed and enjoy the ride: find a training course at Michigan.gov/motorcycling.
