

STATE OF MICHIGAN
RUTH JOHNSON, SECRETARY OF STATE
DEPARTMENT OF STATE
LANSING

February 11, 2015

Glenn Barkan, Treasurer
Protect Your Vote GR
253 Morris Avenue SE
Grand Rapids, Michigan 49503

Dear Mr. Barkan:

The Department of State (Department) received a formal complaint filed by Scott Tillman against the Protect Your Vote GR (Committee), alleging that the Committee violated the Michigan Campaign Finance Act (MCFA or Act), 1976 PA 388, MCL 169.201 *et seq.* The investigation and resolution of this complaint is governed by section 15 of the Act and the corresponding administrative rules, R 169.51 *et seq.* A copy of the complaint and supporting documentation is enclosed with this letter.

The MCFA requires the reporting of a late contribution within 48 hours of its receipt. MCL 169.232(1). The failure to timely file a late contribution report may result in late filing fees. MCL 169.232(4). The failure to timely file a late contribution report may also result in a civil fine in an amount up to \$1,000.00.

The Act further requires the treasurer of a committee to file complete and accurate campaign finance statements and reports. MCL 169.234. A person who knowingly files an incomplete or inaccurate statement may be subject to a civil fine of up to \$1,000.00 or the amount of the undisclosed contribution, whichever is greater. MCL 169.234(7).

Mr. Tillman alleges that the Committee received a \$9,850.00 contribution on October 30, 2014 and failed to file a late contribution report. Mr. Tillman further alleges that the Committee failed to disclose certain contributions on its 2014 Pre-Election campaign statement.

The purpose of this letter is to inform you of the Department's examination of these matters and your right to respond to the allegations before the Department proceeds further. It is important to understand that the Department is neither making this complaint nor accepting the allegations as true.

If you wish to file a written response to this complaint, you are required to do so within 15 business days of the date of this letter. Your response may include any written statement or additional documentary evidence you wish to submit. All materials must be sent to the Department of State, Bureau of Elections, Richard H. Austin Building, 1st Floor, 430 West Allegan Street, Lansing, Michigan 48918. If you fail to submit a response, the Department will render a decision based on the evidence furnished by the complainant.

Glenn Barkan, Treasurer
February 11, 2015

A copy of your reply will be provided to Mr. Tillman, who will have an opportunity to submit a rebuttal statement to the Department. After reviewing all of the statements and materials provided by the parties, the Department will determine whether "there may be reason to believe that a violation of [the MCFA] has occurred [.]" MCL 169.215(10). Note that the Department's enforcement powers include the possibility of entering a conciliation agreement or conducting an administrative hearing.

If you have any questions concerning this matter, you may contact me at (517) 241-0395.

Sincerely,

A handwritten signature in cursive script that reads "Lori A. Bourbonais". The signature is written in dark ink and includes a small flourish at the end.

Dear Mr. Tillman:

The Department of State received a response to the complaint you filed against Protect Your Vote, GR, which concerns an alleged violation of the Michigan Campaign Finance Act (MCFA), 1976 P.A. 388, MCL 169.201 *et seq.* A copy of the response is provided as an enclosure with this letter.

If you elect to file a rebuttal statement, you are required to send it within 10 business days of the date of this letter to the Bureau of Elections, Richard H. Austin Building, 1st Floor, 430 West Allegan Street, Lansing, Michigan 48918.

Sincerely,

Dear Ms. Bourbonais:

I write to you as Treasurer of "Protect Your Vote GR" which campaigned against a proposed Term Limit Amendment to the Charter of the City of Grand Rapids in the November, 2014 election. Apparently, Mr. Scott Tillman of Waterford, Michigan has filed a complaint about several details of our financial reporting in that election. This letter is in response to that complaint.

While all of the donations to the "Protect Your Vote GR" campaign committee were entered and recorded in the final report of the Committee, it appears that we did fail to follow all of the Bureau's rules, and failed to record several of those donations in a timely manner. In particular, a \$9850.00 contribution from the Grand Rapids Chamber of Commerce Ballot Committee was not reported within forty-eight hours of the donation as the regulations require.

Before this issue election, I had never acted as a campaign committee treasurer, and was not aware of all of the details of campaign reporting. I suppose one could argue that I should have made it my business to learn all of the reporting rules, but I did not. For that I truly apologize. I do, however, wish to point out that your letter notes that "a person who knowingly files an incomplete or inaccurate statement" may be subject to a penalty or fine. I certainly did not *knowingly* file an inaccurate report. Maybe I failed to follow all of the details of filing campaign reports, but I certainly did not knowingly try to mislead anyone.

Please consider this letter my response to the complaint filed by Mr. Tillman.

Sincerely,

Glenn Barkan, Treasurer

Dear Mr. Barkan:

This letter concerns the complaint that was recently filed against Protect Your Vote GR by Scott Tillman, which relates to purported violations of the Michigan Campaign Finance Act (MCFA or Act), 1976 PA 388, MCL 169.201 *et seq.* The Department of State has received a rebuttal statement from the complainant, a copy of which is enclosed with this letter.

Section 15(10) of the MCFA, MCL 169.215(10), requires the Department to determine within 60 business days from the receipt of the rebuttal statement whether there is a reason to believe that a violation of the Act has occurred. Mr. Tillman's complaint remains under investigation at this time. At the conclusion of the review, all parties will receive written notice of the outcome of the complaint.

Thank you for allowing me to respond to the letters you received from Protect Your Vote GR and the Grand Rapids Area Chamber Ballot Question Committee.

We should get rid of the Michigan Campaign Finance Act (MCFA). It's too complicated and it doesn't serve any real purpose. When Grand Rapids citizens put term limits on the ballot last year, they were opposed by a group of political insiders. The ironically-named insider group Protect Your Vote was funded by connected lobbyists, politicians and local developers. Overall, the committee reported spending \$33,301.98 over four months in its failed bid to defeat term limits.

Disclosing to voters the source of campaign funding before they cast votes in an election is the essential justification behind Michigan's campaign finance laws. For this reason, Michigan law requires all donations received up to three days prior to an election to be reported before the election. According to their original filings, Protect Your Vote GR and the Grand Rapids Area Chamber Ballot Committee ignored this law. Three days before the election, protect your vote had received \$27,690 in reportable donations but only reported receiving \$13,535. They kept over half of their funding secret (\$14,155) until after ballots were cast and votes were counted. As a resolution to the majority of these omissions Glen Barkan the treasurer simply changed the dates, and the elections board is taking him at his word with no investigation (despite his original false reports). The GR Area Chamber committee had received \$12,500 they were required to report but only disclosed \$2,500. They were fined \$1525.00 which they quickly paid ending further investigation.

The MCFA requires everyone spending money in Michigan elections to file and follow Bureau of Election rules. The same level of compliance is expected from career politicians, lobbyists, attorneys, and even political first timers who decide to put an ad in the paper for or against a local millage increase. It doesn't even matter if you spend nothing. I personally was fined \$50 for being two days late reporting a committee had raised nothing and spent nothing, ever. Once you file a statement of organization and indicate you intend to try to raise money you're on the hook to file every quarter whether or not you raised money.

I'm not a genius but I figured it out after being fined one time. However, these rules are more difficult for some. The anti-term limit group treasurer Glen Barkan holds a Ph.D, is a retired dean and has been a Professor of Political Science at Aquinas College for over 40 years. Dr. Barkan, who is considered an expert on Michigan elections and politics, has written countless

op-eds and appeared on many TV and news programs to offer his political expertise, and he couldn't figure out how to comply with the MCFA. Former city commissioner Mary Alice Williams, the committee's lead spokesperson and organizer, has been active in a PAC, city council races, and ballot questions and was unable to help Dr. Barkan figure out the MCFA. The Grand Rapids Area Chamber CFO (Chief Financial Officer) Sherri Dick had the same problem. The MCFA is obviously too complicated.

If the MCFA is not overly complicated, we would be left to believe these Grand Rapids area experts and leaders intentionally hid large campaign contributions from voters before the term limits election.

In October Protect Your Vote GR used unreported funds to send out mailers warning voters that term limits were "hijacking the democratic process." They outspent the term limits campaign over 2-1 and voters still approved term limits. Campaign finance laws do not stop connected insiders from gaming the system and hiding donations. Campaign finance laws intimidate and discourage outsiders from becoming active in politics. Campaign finance laws hijack the democratic process and the legislature should repeal or simplify the MCFA.

Sincerely,
Scott Tillman

Dear Mr. Barkan:

On June 18, 2015, the Department of State (Department) sent the enclosed determination letter and proposed conciliation agreement via U.S. mail to the address we have on file for you. That letter has been returned to the Department marked "Return to Sender."

Please note that the Department has concluded its investigation of the complaint filed by Scott Tillman against the Protect Your Vote GR committee (PYVGR), which alleged that PYVGR violated the Michigan Campaign Finance Act (MCFA or Act), 1976 PA 388, MCL 169.201 *et seq.* The enclosed letter indicates that the Department has determined that the evidence tends to support a reason to believe that PYVGR violated: (1) section 32 of the Act by failing to file late contribution reports for the \$2,500.00 contribution received on October 27, 2014, the \$1,005.00 contribution received on October 28, 2015, and the \$9,850.00 contribution received on October 30, 2014; and (2) section 34 of the Act by failing to disclose 5 contributions totaling \$700.00 on its 2014 Pre-Election campaign statement.

Having found these violations, the Department must now "endeavor to correct the violation or prevent a further violation by using informal methods." MCL 169.215(10). The Department offers to resolve Mr. Tillman's complaint against PYVGR through execution of the enclosed conciliation agreement, which requires that PYVGR pay late contribution report late filing fees in the amount of \$1,625.00, \$1,005.00, and \$1,325.00 to the Kent County Clerk¹ and that you pay a civil fine to the State of Michigan in the amount of \$3,500.00 (\$1,000.00 for each late contribution report and \$500.00 for the incomplete or inaccurate 2014 Pre-Election campaign statement).

If you are inclined to execute the conciliation agreement, please return the original signed document to this office on or before August 7, 2015, along with a check or money order payable to the State of Michigan in the amount of \$3,500.00 and proof of payment of

Glenn Barkan, Treasurer
Protect Your Vote GR
253 Morris Avenue SE
Grand Rapids, Michigan 49503

Dear Mr. Barkan:

The Department of State (Department) has concluded its investigation of the complaint filed by Scott Tillman against the Protect Your Vote GR committee (PYVGR), which alleged that PYVGR violated the Michigan Campaign Finance Act (MCFA or Act), 1976 PA 388, MCL 169.201 *et seq.* This letter concerns the disposition of Mr. Tillman's complaint, which was filed on February 4, 2015. You filed an answer to the complaint on February 26, 2015, and Mr. Tillman filed a rebuttal statement with the Department on March 25, 2015.

The MCFA requires the reporting of a late contribution within 48 hours of its receipt. MCL 169.232(1). A late contribution to a ballot question committee means "contributions from the same contributor with a cumulative total of \$2,500.00 or more received after the closing date of the last campaign statement required to be filed before an election." MCL 169.232(7). The failure to timely file a late contribution report may result in late filing fees. MCL 169.232(4). The failure to timely file a late contribution report may also result in a civil fine in an amount up to \$1,000.00.

The Act further requires the treasurer of a committee to file complete and accurate campaign finance statements and reports. MCL 169.234. A person who knowingly files an incomplete or inaccurate statement may be subject to a civil fine of up to \$1,000.00 or the amount of the undisclosed contribution, whichever is greater. MCL 169.234(7).

The Act also provides that if Department determines there may be "reason to believe that a violation of this act has occurred[,]" the Department is required by law to "endeavor to correct the violation or prevent a further violation by using informal methods." MCL 169.215(10).

Mr. Tillman alleged that PYVGR failed to file a required late contribution report and also failed to disclose several contributions received during the pre-election reporting period on its 2014 Pre-Election statement. Mr. Tillman provided copies of PYVGR's 2014 Pre- and Post-Election campaign statements as evidence.

In your response you admitted that you did fail to report "several of those donations in a timely manner [,]" but that this was your first time acting as a campaign committee treasurer and you did not knowingly file an inaccurate report.

Mr. Tillman alleged that PYVGR failed to file a late contribution report for October 30, 2014. A review of PYVGR's 2014 Post-Election campaign statement indicates that it received a contribution of \$9,850.00 from the Grand Rapids Chamber Ballot Committee on October 30, 2014.

According to its 2014 Post-Election campaign statement, PYVGR received a contribution of \$9,850.00 on October 30, 2014, which was after the closing date for its 2014 Pre-Election campaign statement and before the November 4, 2014 election. The Department has determined that you were required to file one late contribution report for that date within 48 hours of receipt of the contribution. Instead, this contribution was not disclosed until December 3, 2014, or 19 business days after the report was due.

Additionally, there appeared to be a discrepancy between PYVGR's report and the Grand Rapids Area Chamber of Commerce Ballot Committee's (Chamber Committee) reports regarding dates of the Chamber Committee's \$2,500.00 and \$1,005.00 contributions to PYVGR. The Chamber Committee reported these contributions as being made on October 27, 2014 and October 28, 2014, respectively. Upon the Department's request, the Chamber Committee furnished copies of the canceled checks for these contributions on June 17, 2015. The copies of the canceled checks support the Chamber Committee's reporting of the dates. Therefore, it appears that PYVGR owed late contribution reports for October 27, 2014 and October 28, 2014 within 48 hours of receipt of the contributions. These contributions were not disclosed until December 3, 2014, or 22 and 21 business days, after the reports were due.

The Department also reviewed PYVGR's 2014 Pre- and Post-Election campaign statements and notes that the following contributions were not timely disclosed:

Jeff Ott	09/10/14	\$100.00
The Ostrow Law Firm	09/23/14	\$100.00
Win Irwin	09/23/14	\$200.00
Richard Roane	09/25/14	\$50.00
John Byl	09/26/14	\$250.00
TOTAL		\$700.00

You were required to disclose these contributions on PYVGR's 2014 Pre-Election campaign statement, but you did not disclose these contributions until almost a month after the election when you filed PYVGR's 2014 Post-Election campaign statement on December 3, 2014.¹

As treasurer, you were required to file complete and accurate campaign statements. MCL 169.234. After reviewing the statements filed by you for PYVGR, the Department has determined that you filed an incomplete or inaccurate 2014 Pre-Election campaign statement. A

¹ PYVGR's 2014 Pre-General campaign statement covered the period from August 18, 2014 through October 19, 2014. The 2014 Post-General campaign statement covered the period from October 20, 2014 through November 24, 2014.

person who knowingly files an incomplete or inaccurate statement may be subject to a civil fine of up to \$1,000.00 or the amount of the undisclosed contributions, whichever is greater. MCL 169.234(7).

It appears from your reports that PYVGR was required to report \$27,590.00 in contributions prior to the election on either its 2014 Pre-Election campaign statement or late contribution reports; instead it only reported \$13,535.00. By not reporting the above-mentioned contributions until its 2014 Post-Election campaign statement, PYVGR deprived voters from knowing the source and amount of more than half of the contributions it received during the reporting period before the election.

Therefore, the Department finds that the evidence tends to support a reason to believe that PYVGR violated (1) section 32 of the Act by failing to file late contribution reports for the \$2,500.00 contribution received on October 27, 2014, the \$1,005.00 contribution received on October 28, 2015, and the \$9,850.00 contribution received on October 30, 2014; and (2) section 34 of the Act by failing to disclose 5 contributions totaling \$700.00 on its 2014 Pre-Election campaign statement.

Having found these violations, the Department must now “endeavor to correct the violation or prevent a further violation by using informal methods.” MCL 169.215(10). The Department offers to resolve Mr. Tillman’s complaint against PYVGR through execution of the enclosed conciliation agreement, which requires that PYVGR pay a late contribution report late filing fees in the amount of \$1,625.00, \$1,005.00, and \$1,325.00 to the Kent County Clerk² and that you pay a civil fine to the State of Michigan in the amount of \$3,500.00 (\$1,000.00 for each late contribution report and \$500.00 for the incomplete or inaccurate 2014 Pre-Election campaign statement).

If you are inclined to execute the conciliation agreement, please return the original signed document to this office on or before July 17, 2015, along with a check or money order payable to the State of Michigan in the amount of \$3,500.00 and proof of payment of \$3,955.00 to the Kent County Clerk by July 17, 2015. Please include the notation, “Conciliation Agreement, Attn: Bureau of Elections” on your check or money order made payable to the State of Michigan.

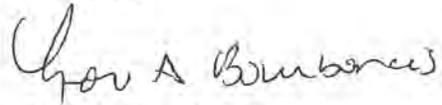

Please be advised that if the Department is unable to resolve this complaint informally, it is required by MCL 169.215(10)-(11) to commence an administrative hearing to enforce the civil penalties provided by law. “If after a hearing the secretary of state determines that a violation of this act has occurred, the secretary of state may issue an order requiring the person to pay a civil
