Daniel Dembowski  
The Anderson Albion Ethanol LLC  
480 W Dussel Drive  
Maumee, OH 43537

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 59, as amended, the State Tax Commission has issued an air pollution tax exemption certificate, numbered 1-3788, to The Anderson Albion Ethanol LLC located at 26250 B North Drive, in the Township of Sheridan, Calhoun County. This certificate was issued at the December 16, 2015 meeting of the Commission and the amount approved for exemption is **\$365,000**.

As required by Section 5902(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$365,000**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

A handwritten signature in black ink, appearing to read "Heather S. Frick".

## Air Pollution Control Certificate

Certificate No. 1-3788

Pursuant to the provisions of Public Act 451 of 1994, Part 59, as amended, the State Tax Commission hereby finds that the facility, owned or leased by **The Anderson Albion Ethanol LLC**, as described in the approved application, located at **26250 B North Drive, Township of Sheridan**, County of **Calhoun**, Michigan, is designed and operated primarily for the control, capture, and removal of pollutants from the air, complies with Section 5903 and with other provisions of the act.

Therefore, as provided by Public Act 451 of 1994, Part 59, as amended, the State Tax Commission hereby certifies the **pollution control facility** property, as described in the approved application, located at **26250 B North Drive**. The total cost of the facility entitled to exemption is **\$365,000**.

This certificate provides the authority for the assessor to exempt the pollution control facility for which this pollution control exemption certificate is in effect from ad valorem taxation. The tangible personal property is also exempt from sales taxes imposed under Public Act 67 of 1933, as provided by MCL 205.51 to 205.78 and use taxes imposed under Public Act 94 of 1937, provided by MCL 205.91 to 205.111.

**Beginning December 31, 2015**, this certificate, unless revoked as provided by Public Act 451 of 1994, as amended, shall remain in force as long as the facility is designed and operated primarily for the control, capture, and removal of pollutants from the air.

This Pollution Control certificate is issued on **December 16, 2015**.

Randy Lawrence  
Guardian Industries Corp.  
2300 Harmon Road  
Auburn Hills, MI 48326

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 59, as amended, the State Tax Commission has issued an air pollution tax exemption certificate, numbered 1-3793, to Guardian Industries Corp. located at 14600 Romine Road, in the Township of Ash, Monroe County. This certificate was issued at the December 16, 2015 meeting of the Commission and the amount approved for exemption is **\$12,908,985**.

As required by Section 5902(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$12,908,985**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Cari K. Hurt  
Consumers Energy - JH Campbell Plant  
One Energy Plaza  
Jackson, MI 49201

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 59, as amended, the State Tax Commission has issued an air pollution tax exemption certificate, numbered 1-3807, to Consumers Energy - JH Campbell Plant located at Dry Ash Silos A & B - Dry Fogging System, in the Township of Port Sheldon, Ottawa County. This certificate was issued at the December 16, 2015 meeting of the Commission and the amount approved for exemption is **\$600,000**.

As required by Section 5902(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$600,000**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

A handwritten signature in cursive script that reads "Heather S. Frick".

## Air Pollution Control Certificate

Certificate No. 1-3807

Pursuant to the provisions of Public Act 451 of 1994, Part 59, as amended, the State Tax Commission hereby finds that the facility, owned or leased by **Consumers Energy - JH Campbell Plant**, as described in the approved application, located at **Dry Ash Silos A & B - Dry Fogging System, Township of Port Sheldon**, County of **Ottawa**, Michigan, is designed and operated primarily for the control, capture, and removal of pollutants from the air, complies with Section 5903 and with other provisions of the act.

Therefore, as provided by Public Act 451 of 1994, Part 59, as amended, the State Tax Commission hereby certifies the **pollution control facility** property, as described in the approved application, located at **Dry Ash Silos A & B - Dry Fogging System**. The total cost of the facility entitled to exemption is **\$600,000**.

This certificate provides the authority for the assessor to exempt the pollution control facility for which this pollution control exemption certificate is in effect from ad valorem taxation. The tangible personal property is also exempt from sales taxes imposed under Public Act 67 of 1933, as provided by MCL 205.51 to 205.78 and use taxes imposed under Public Act 94 of 1937, provided by MCL 205.91 to 205.111.

**Beginning December 31, 2015**, this certificate, unless revoked as provided by Public Act 451 of 1994, as amended, shall remain in force as long as the facility is designed and operated primarily for the control, capture, and removal of pollutants from the air.

This Pollution Control certificate is issued on **December 16, 2015**.
