Instructions for Form 4572

Michigan Business Tax (MBT) Charitable Contribution Credits

Purpose

To allow standard taxpayers to claim the charitable contribution credits. Credits are calculated here and then carried to the *MBT Nonrefundable Credits Summary* (Form 4568).

NOTE: Financial institutions and insurance companies are not eligible for these credits.

Special Instructions for Unitary Business Groups

Credits are generally earned and calculated on a group basis, unless the relevant statute contains entity-specific provisions. These available credits are calculated on a group basis. Intercompany transactions are generally not eliminated for the purpose of credit calculations.

To the extent that a qualified taxpayer earning the Community and Education Foundations Credit, Homeless Shelter/Food Bank Credit, or Public Contribution Credit is included within a Unitary Business Group (UBG) for the relevant tax years, the eligible credit amount is limited to the lesser of \$5,000, 50 percent of contribution, or 5 percent of the applicable tax liability of the UBG.

Line-by-Line Instructions

Lines not listed are explained on the form.

Name and Account Number: Enter name and account number as reported on page 1 of the *MBT Annual Return* (Form 4567).

UBGs: Complete one form for the group. Enter the Designated Member (DM) name in the Taxpayer Name field and the DM account number in the Federal Employer Identification Number (FEIN)/Michigan Treasury (TR) Number field.

Credits

COMMUNITY AND EDUCATION FOUNDATIONS CREDIT

A partial credit is allowed when donating to the endowment fund of a certified community foundation or education foundation. A complete list is on pages 151 and 152. If a valid code is not entered, a credit will not be allowed. If donations were made to more than two foundations, attach a list referencing the additional foundations. For a contribution to a community foundation endowment, a taxpayer that also is subject to the Michigan Income Tax Act (Public Act (PA) 281 of 1967) may choose to claim a credit on the Individual Income Tax return or the MBT return, but not both. A contribution to an education foundation endowment, however, is available only under MBT.

HOMELESS SHELTER/FOOD BANK CREDIT

A partial credit is allowed when making a cash donation to a qualifying shelter for homeless persons, food kitchen, food bank, or other entity whose primary purpose is to provide overnight accommodations, food, or meals to indigent persons. For more information, see Michigan Compiled Law 208.1427.

For a cash donation that qualifies for this credit, a taxpayer that also is subject to the Michigan Income Tax Act (PA 281 of 1967) may choose to claim a credit on the Individual Income Tax return or the MBT return, but not both.

PUBLIC CONTRIBUTION CREDIT

A partial credit is allowed for Corporations and Partnerships (and Limited Liability Companies federally taxed as such) when donations are made during the taxable year to public broadcast stations located in Michigan, Michigan public libraries, institutions of higher learning located in Michigan or a nonprofit corporation, fund, foundation, trust, or association organized and operated exclusively for the benefit of an institution of higher learning, the Michigan Colleges Foundation, and the Michigan Housing and Community Development Fund. A taxpayer that also is subject to the Michigan Income Tax Act (PA 281 of 1967) may not claim this credit under MBT.

ARTS AND CULTURE CREDIT

A partial credit is allowed when donations are made to either of the following:

- **Category A:** A municipality or a nonprofit corporation affiliated with a municipality and an art, historical, or zoological institute for the purpose of benefiting the art, historical, or zoological institute, OR
- **Category B:** An institute devoted to the procurement, care, study, and display of objects of lasting interest or value.

To calculate the Arts and Culture Credit, a taxpayer may count aggregate contributions to the charities described in Category A above if those contributions exceed \$50,000, as well as aggregate contributions to charities described in Category B if those contributions exceed \$50,000. A taxpayer is not precluded from taking the credit for donations made to both categories as long as the taxpayer meets the minimum donation separately for each category and does not exceed the overall credit limitation of \$100,000.

Contributions within a category may be aggregated to reach the \$50,000 minimum. However, contributions made to one category may not be aggregated with contributions to the other to reach the \$50,000 minimum.

Line 16: Use the worksheet below to calculate the donation amount.

If aggregate contributions to Category A institutions exceed \$50,000, enter that aggregate amount here	<input type="text"/>
