Line 3b: Telecommunications Services. Enter gross income from telecommunications services.

Line 5a-5l: Allowable Deductions. Use lines 5a - 5l to deduct from gross sales the nontaxable sales you made. Deductions taken for tax exempt sales must be substantiated in your records. - You have deducted the debts on your return for a period during which the bad debts are written off as uncollectible.
- The debt must also be eligible to be deducted for federal income tax purposes.

A bad debt deduction may also be claimed by a third-party lender provided the retailer who reported the tax and the lender financing the sale executed and maintained a separate written election designating which party may claim the deduction. Hotels and motels may deduct the assessments included in gross sales and rentals provided use tax on the assessments were not charged to the customers.

Repossessions are not allowable deductions.
- Sales to contractors of materials which will become part of a finished structure for a qualified exempt nonprofit hospital, qualified exempt nonprofit housing entity or church sanctuary, or materials to be affixed to and made a structural part of real estate located in another state. The purchaser will provide a *Michigan Sales and Use Tax Contractor Eligibility Statement* (Form 3520). See RAB 1999-2.

Penalty is 5% of the tax due and increases by an additional 5% per month or fraction thereof, after the second month, to a maximum of 25%. Interest is charged daily using the average prime rate, plus 1 percent.
