

Fuel Advance Credit Repayment

Issued under the authority of Public Act 243 and Public Act 244 of 1983, both as amended.

GENERAL INFORMATION: When prepaid sales tax on gasoline went into effect in January 1984, retailers and wholesalers were allowed to take an advance credit on their December 1983 gasoline tax return or sales tax return. The payment otherwise due on that return was reduced by the amount of the credit.

When the taxpayer stops selling gasoline it is required to repay this advance within 15 days.
