Midland, MI 48674

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-5921, to Dow Chemical Company located at Building 1075 - Industrial Waste Water Overflow Project, in the City of Midland, Midland County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$12,238,000**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$12,238,000**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Hart, MI 49420

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-5951, to Tate Bros. Farms Inc. located at 3445 N 128th Avenue, in the Township of Elbridge, Oceana County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$58,394**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$58,394**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

A handwritten signature in black ink that reads "Kelli Sobel".

## Water Pollution Control Exemption Certificate

Certificate No. 2-5951

Pursuant to the provisions of Public Act 451 of 1994, Part 37 as amended, the State Tax Commission hereby finds that the facility, owned or leased by **Tate Bros. Farms Inc.**, as described in the approved application, located at **3445 N 128th Avenue, Township of Elbridge**, County of **Oceana**, Michigan, designed and operated primarily for the control, capture, and removal of industrial waste from the water, complies with Section 3703 and with other provisions of the act.

Therefore, as provided by Public Act 451 of 1994, Part 37, as amended, the State Tax Commission hereby certifies the **pollution control facility** property, as described in the approved application, located at **3445 N 128th Avenue**. The total cost of the facility entitled to exemption is **\$58,394**.

This certificate provides the authority for the assessor to exempt the pollution control facility for which this pollution control exemption certificate is in effect from ad valorem taxation. The tangible personal property is also exempt from sales taxes imposed under Public Act 67 of 1933, as provided by MCL 205.51 to 205.78 and use taxes imposed under Public Act 94 of 1937, provided by MCL 205.91 to 205.111.

**Beginning December 31, 2013**, this certificate, unless revoked as provided by Public Act 451 of 1994, as amended, shall remain in force as long as the facility is designed and operated primarily for the control, capture, and removal of industrial waste from the water.

This Water Pollution Control Exemption Certificate is issued on **August 27, 2013**.

This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$592,183**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$592,183**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Midland, MI 48674

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-5978, to Dow Chemical Company located at 954 Building - Chemical Distribution, in the City of Midland, Midland County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$250,452**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$250,452**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Kelli Sobel, Executive Director  
State Tax Commission

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$895,087**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-5994, to Merit Energy located at Stohlin 1 18a, in the Township of Marion, Livingston County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$183,404**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$183,404**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Kelli Sobel, Executive Director  
State Tax Commission

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6000, to Merit Energy located at Krentz 14-6, Lenz 1-8, Schultz 3-4, Boyd 2-6, Nye 3-8, Sauer 8-9, Haas A2-33, Habermehl 3-9, Mannig 8-7, Hoberling 16-7, Boyd 1-6, Schiller 15-4, Beriault 1-5, Lafeldt 1-8, Werth 12-4, Schiller 7-4, Talvolioia 14-7, Krueger 16-6, Bartz 12-5, Epley 5-7, in the Township of Ossineke, Alpena County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$1,102,317**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$1,102,317**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6007, to Merit Energy located at State Union 3-18a HD-1, State Union Pike 2 6, St. Union & Pike 1-6, St Union J1-28, M 1-21, 1-21b (M2-21), St Union Scharmen 1-20, St Union U 3a-29, S 2-29, Ah 2-28, Y 1-10, State Union 1 8, in the Township of Union, Grand Traverse County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$2,751,997**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$2,751,997**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Kelli Sobel, Executive Director

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6013, to Merit Energy located at St Blue Lake G 9-17, St Blue Lake 2 5b, St Blue Lake 11 19 HD1, Brown 4 34b, Ricci 4 19b, Ricci 5 19, St Blue Lake 1-12 HD-1, St Blue Lake 1 27, 4-13a, Simpson-St Blue Lake 1-29, St Blue Lake E 1 18 HD 1, G 1 17 SWD, G 2 17, E 3 18 HD1, in the Township of Blue Lake, Kalkaska County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$7,569,690**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$7,569,690**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Kelli Sobel, Executive Director

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6020, to Merit Energy located at St Cleon 1 19 B HD 1, Carpenter 2 11, St Cleon 1 32A, Drotleff 1 31, Carpenter 1 11, Micek Isaacson 1 14, Hoekwater Et Al 1 12, Overmeyer & State Cleon 2 12, State Cleon 4 13, 3 12A, 1 11 SWD, Sturt & Smith 1 28A, Rudy 5 14A, Smith 3 27, in the Township of Cleon, Manistee County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$2,529,888**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$2,529,888**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6027, to Merit Energy located at Enterprise 1 13, 1 23, 3 4, 2 5, 3 5, 9 1, 2 8, 11 52, 4 1, 5 1, 6 2, 8 21, 1 16, 1 24, 6 4, 3 10, 1 31, 3 3, 2 1, 1 35, 2 3, 2 2, 2 6, 11 51, 8 11, 1 14, 1 12, 2 4, 3 7, 6 1, 5 2, 2 10, 3 6, 7 1, 1 15, 2 15, 2 17, 3 9, 3 11, 2 12, 5 3, 6 3, 2 18, 2 14, in the Township of Enterprise, Missaukee County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$2,635,397**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$2,635,397**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6034, to Merit Energy located at Usa Big Creek D 1-23, D 1-14a, 1-15, B 1-24, 2-15a, 3-16, 4-16, 8-16, 10-16, 11-16, 5-16, 2 24, 9-16, in the Township of Big Creek, Oscoda County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$2,537,125**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$2,537,125**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Kelli Sobel, Executive Director  
State Tax Commission

Houston, TX 77002

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6041, to Linn Operating, Inc. located at Norway Hunt Club A1-13, in the Township of Clinton, Oscoda County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$25,106**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$25,106**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

## Water Pollution Control Exemption Certificate

Certificate No. **2-6041**

Pursuant to the provisions of Public Act 451 of 1994, Part 37 as amended, the State Tax Commission hereby finds that the facility, owned or leased by **Linn Operating, Inc.**, as described in the approved application, located at **Norway Hunt Club A1-13, Township of Clinton**, County of **Oscoda**, Michigan, designed and operated primarily for the control, capture, and removal of industrial waste from the water, complies with Section 3703 and with other provisions of the act.

Therefore, as provided by Public Act 451 of 1994, Part 37, as amended, the State Tax Commission hereby certifies the **pollution control facility** property, as described in the approved application, located at **Norway Hunt Club A1-13**. The total cost of the facility entitled to exemption is **\$25,106**.

This certificate provides the authority for the assessor to exempt the pollution control facility for which this pollution control exemption certificate is in effect from ad valorem taxation. The tangible personal property is also exempt from sales taxes imposed under Public Act 67 of 1933, as provided by MCL 205.51 to 205.78 and use taxes imposed under Public Act 94 of 1937, provided by MCL 205.91 to 205.111.

**Beginning December 31, 2013**, this certificate, unless revoked as provided by Public Act 451 of 1994, as amended, shall remain in force as long as the facility is designed and operated primarily for the control, capture, and removal of industrial waste from the water.

This Water Pollution Control Exemption Certificate is issued on **August 27, 2013**.

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6048, to Linn Operating, Inc. located at Rehkopf 1-21, in the Township of Green, Mecosta County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$358,953**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$358,953**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

A handwritten signature in black ink, appearing to read "Kelli Sobel".

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6055, to Chevron Michigan, LLC located at St. Hillman B3-21 SWD, in the Township of Hillman, Montmorency County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$34,049**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$34,049**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

A handwritten signature in black ink that reads "Kelli Sobel".

## Water Pollution Control Exemption Certificate

Certificate No. **2-6063**

Pursuant to the provisions of Public Act 451 of 1994, Part 37 as amended, the State Tax Commission hereby finds that the facility, owned or leased by **Omimex Energy**, as described in the approved application, located at **Isley Unit #1-22, Schultz Unit #2-22, Morse 1-14, Neuman #4-27, Andrews #8-28, Township of Benona**, County of **Oceana**, Michigan, designed and operated primarily for the control, capture, and removal of industrial waste from the water, complies with Section 3703 and with other provisions of the act.

Therefore, as provided by Public Act 451 of 1994, Part 37, as amended, the State Tax Commission hereby certifies the **pollution control facility** property, as described in the approved application, located at **Isley Unit #1-22, Schultz Unit #2-22, Morse 1-14, Neuman #4-27, Andrews #8-28**. The total cost of the facility entitled to exemption is **\$1,109,128**.

This certificate provides the authority for the assessor to exempt the pollution control facility for which this pollution control exemption certificate is in effect from ad valorem taxation. The tangible personal property is also exempt from sales taxes imposed under Public Act 67 of 1933, as provided by MCL 205.51 to 205.78 and use taxes imposed under Public Act 94 of 1937, provided by MCL 205.91 to 205.111.

**Beginning December 31, 2013**, this certificate, unless revoked as provided by Public Act 451 of 1994, as amended, shall remain in force as long as the facility is designed and operated primarily for the control, capture, and removal of industrial waste from the water.

This Water Pollution Control Exemption Certificate is issued on **August 27, 2013**.

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6064, to Omimex Energy located at St. East Bay 2-14a, St. East Bay 1-14, Rotary Camps 1-14 SWD, Rotary Camps, Inc. 3-11, Rotary Camps 1-11, Rotary Camps #5-11a, Rotary Camps #2-11, Delia Wise 2-16a, Rotary Camps #3-14a, Rotary Camps #6-11b, Rotary Camps #4-11, in the Township of East Bay, Grand Traverse County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$2,617,021**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$2,617,021**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6071, to Omimex Energy located at Zezulka 1-4a, Brink 1-3, in the Township of Grant, Grand Traverse County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$328,266**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$328,266**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6078, to Omimex Energy located at Pennfield 35 Unit 11-3, Boyer, Lyle Unit 1, Hill 1 Inj, Rolfs Unit 1, Church, Ld Unit 1 Inj, H Christophel 1 Inj, Christophel & Southerland Un 1 Inj, Pennfield 35 Unit 11-4 Inj, Pennfield 3 Unit 1a Inj, Kanitz Unit 1 Inj, Pennfield 35 Unit 1-2a Inj, in the Township of Pennfield, Calhoun County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$1,364,129**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$1,364,129**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6085, to Linn Operating, Inc. located at State Lovells B3-12, C4-12, D3-12, B2-1, A1-1, D4-1, A4-1, C4-1, B1-1, A2-13, A4-13, in the Township of Lovells, Crawford County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$454,004**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$454,004**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Kelli Sobel, Executive Director  
State Tax Commission

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-6091, to Linn Operating, Inc. located at Lakes of The North D1-30, B1-31, D1-31, D3-25, C2-25, D4-33, B4-33, B3-33, A4-33, Gump B3-24HD1, Ebling A4-9, State Hayes C2-32, A2-34, A3-35, B1-35, D1-35, St Hayes (Thomas Lake) B1-23, D2-26, D1-26, D2-27, D4-33, D4-34, B4-34, C1-34, in the Township of Hayes, Otsego County. This certificate was issued at the August 27, 2013 meeting of the Commission and the amount approved for exemption is **\$4,984,213**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$4,984,213**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-0675.

Sincerely,

Kelli Sobel, Executive Director
