

2012 MI-1040ES, Michigan Estimated Income Tax for Individuals

NOTE: Significant income tax changes take effect for 2012 and these changes may require some taxpayers to begin making estimated payments. Visit www.michigan.gov/treasury to find information on the following changes that may affect you: (1) Changes to exemption allowance, (2) Changes in taxation of pension benefits, (3) Changes to Homestead Property tax credit, (4) Elimination and adjustments to most other credits, and (5) Changes to business income apportionment.

Who Must File Estimated Tax Payments

You must make estimated income tax payments if you expect to owe more than \$500 when you file your 2012 MI-1040 return.

If you owe more than \$500, you may not have to make estimated payments if you expect your 2012 withholding to be at least:

- 90 percent of your total 2012 tax (qualified farmers, fishermen and seafarers use 66 2/3 percent),
- 100 percent of your 2011 taxes, or
- 110 percent of your total 2011 tax if your 2011 adjusted gross income is more than \$150,000 (\$75,000 for married, filing separately).

Total 2011 tax is the amount on your 2011 MI-1040, line 19, less the sum of your tax credits on lines 24 through 27, 28b, 29, and 30.

Estimated tax payments are **not** needed if two-thirds of your gross income is from farming, fishing or seafaring and you meet the qualifications.

Estimate filing requirements apply whether or not you are a Michigan resident.

Do not submit this form for any quarter that you do not have estimated tax due.
