Instructions for Form MI-4797

File this form if you have gains from the disposition of property acquired prior to October 1, 1967, or if you have gains or losses from property subject to allocation and apportionment provisions.

Lines not listed are explained on the form. **Round all money items to whole dollars.**

The purpose of this form is to exclude from your Michigan taxable income gains attributed to periods before October 1, 1967, and to exclude gains or losses from real or tangible property located in other states and/or subject to apportionment. To compute the portion subject to Michigan income tax for property acquired before October 1, 1967, multiply the total gain by a percentage computed by dividing the number of months held after September 30, 1967 by the total number of months held. For the purpose of this computation, the first month is excluded if acquisition took place after the 15th, and the last month is excluded if disposal took place on or before the 15th.

Do not include on this form any gains or losses included in the business income subject to apportionment on MI-1040H that are included on line 4 or line 11 of Schedule 1. Do not use this form to exclude gains or losses received while a part-year or nonresident that are allocated to another state on a Schedule NR.

Line 2: Enter in columns A, B, C, and D the corresponding information from your U.S. Form 4797. For column E, enter the gain or loss subject to Michigan income tax.

Line 3: Enter in column D any gain from U.S. Form 4684, line 39. In column E enter the gain subject to Michigan income tax. If the gain was realized from more than one casualty or theft and some or all of the property was acquired prior to October 1, 1967, attach a copy of U.S. Form 4684 and a schedule showing the computation of gain subject to Michigan income tax.

Line 6: Enter in column D the gain from line 26, column F. Enter in column E the gain from line 26, column G.

Line 10: Enter other ordinary gains and losses from your U.S. Form 4797. Enter federal gain or loss in column D. Enter portion of gain or loss subject to Michigan income tax in column E.

Line 13: Enter in column D the amount from line 25, column F. Enter in column E the amount from line 25, column G.

Line 14: Enter gain or loss from U.S. Form 4684, lines 31 and 38a. If the gain or loss was from more than one casualty or theft, attach a copy of U.S. Form 4684 and a schedule showing the computation of gain or loss subject to Michigan income tax.

Line 20: Enter the total gain for each property from line 24 of your U.S. Form 4797 and enter the total gain for all properties in the total column.

Attach this form to your MI-1040 or MI-1041.

Also attach a copy of your U.S. Form 4797 to your return.
