GOVERNOR

STATE OF MICHIGAN  
DEPARTMENT OF TREASURY  
LANSING

R. KEVIN CLINTON  
STATE TREASURER

**NONPARTICIPATING MANUFACTURER (NPM) TOBACCO PRODUCTS THAT MAY BE SOLD  
IN MICHIGAN**

**EFFECTIVE December 19, 2014**, the following change is being made to Michigan's NPM Directory: Grand River Enterprises is being added as an approved NPM in Michigan. Grand River Enterprises is approved to sell the Seneca, Opal and Couture brands of cigarettes into Michigan.

PLEASE NOTE that cigarettes or RYO tobacco brand families that are not listed on the NPM Directory **may not be purchased, acquired, or sold for consumption in Michigan**. The Michigan Department of Treasury has updated the NPM Directory to reflect the addition of Grand River Enterprises brands of cigarettes. See below or visit our website at [www.michigan.gov/tobaccotaxes](http://www.michigan.gov/tobaccotaxes).

Inclusion of a tobacco manufacturer or tobacco brand family on Michigan's NPM Directory only certifies that the manufacturers on the list have met their obligation with regard to 1999 PA 244 (MCL 445.2051 *et seq*) and sections 6c and 6d of 1993 PA 327 (MCL 205.426c and 205.426d). Persons selling cigarettes or RYO for consumption in Michigan that were manufactured by either NPMs or Participating Manufacturers (PMs) should consult other state and federal laws to determine whether a tobacco brand can be sold legally in Michigan.

If a manufacturer or tobacco brand family is not listed on Michigan's NPM Directory, or if a manufacturer or tobacco brand family is not on the list of PMs published by the National Association of Attorneys General (NAAG), a person, including a Michigan tobacco tax licensee, is subject to civil and criminal penalties if the person purchases, stamps or sells that manufacturer's cigarettes or RYO in or into Michigan. Furthermore, a cigarette or tobacco brand appearing on the Michigan's NPM Directory or the NAAG list of PMs may not be sold for consumption in this state if it is manufactured by anyone other than the party identified on the NPM Directory or NAAG list as the manufacturer of that brand family.

**Effective December 19, 2014**, Michigan's NPM Directory includes only the following:
