IV. PENDING MOTIONS OR DISCOVERY:

A. Motions:

Although there are no motions pending, the Tribunal has reviewed the files in the above-captioned cases and determined that the consolidation of the cases would facilitate the efficient administration of justice given common issues of fact and law. Further, said consolidation was discussed during the Prehearing Conference and neither party objected to the proposed consolidation. Therefore,

IT IS ORDERED that the cases are **CONSOLIDATED**.

IT IS FURTHER ORDERED that all further documentation filed in these cases shall refer to **both** docket numbers.

B. Discovery: Discovery is closed unless otherwise stated below.

SCHEDULING ORDER

The parties and the Tribunal have determined the hearing in the above-captioned case shall be conducted as a video conference proceeding. Although video conference proceedings via *Microsoft Teams* are generally set up using email addresses, the Tribunal has provided a "Teams Hearing Link" that can be utilized by participants (i.e., attorneys or agents, witnesses, the court reporter, etc.) to "join" the hearing **and the parties or their attorneys or agents are required to provide that link to their participants** so that they can **timely** "join the hearing."

The Tribunal has also provided a link to *MOAHR MTT Guide for Participants for the Conducting of Entire Tribunal Video Conference Hearings*. Participants **should review** the Guide **prior to the hearing**, as participants **are required to comply** with the requirements of the *Guide*, as said requirements will facilitate the conducting and transcription of the scheduled hearing. The **parties or their attorneys or agents** are also **required** to provide the link to the *MOAHR MTT Guide for Participants to their participants* so that they are **aware of and can comply with** those requirements.

- I. **March 31, 2021** is the final date for the parties to submit their exhibit lists and exhibits, with the exception of rebuttal exhibits, to the Tribunal by **e-filing or email** and the opposing party or parties by **email**. For the exhibit list, the parties **must use** the form prescribed by the Tribunal. The exhibit list and exhibits **shall be submitted** as provided in the **MOAHR MTT Guide for Participants**. An exhibit will **not** be admitted into evidence unless the exhibit is disclosed and furnished in accordance with this Order (even though admissible) **except** upon a finding of good cause by the Tribunal. The exhibits may be submitted separately or in a single document **provided** that the single document or PDF is **bookmarked** so that each exhibit can be easily accessed.
- II. **March 31, 2021** is the final date for Petitioner to notify the Tribunal **by e-filing or email** of the name and telephone number of the court reporter retained by the parties to transcribe the hearing, as provided in the **MOAHR MTT Guide for Participants**.

IT IS SO ORDERED.

Failure to comply with this Order may result in the dismissal of the case or the conducting of a show cause or default hearing.²

HEARING INFORMATION – PLEASE READ IMMEDIATELY

GENERAL INFORMATION: An impartial hearing will be conducted in accordance with the Michigan Administrative Hearing Rules (R 792.10101-R 792.11289) and the Michigan Administrative Procedures Act, MCL 24.201 *et seq.* The Michigan Rules of Evidence and the Michigan Court Rules may be applicable. A party is expected to exercise proper respect and courtesy toward other parties, witnesses, and administrative law judges, which includes attending the hearing on time, silencing cell phones, and dressing in appropriate clothing for in-person hearings.

REPRESENTATION: A party may be represented by an attorney or other authorized representative of the party's own choosing and at the party's own expense. The Michigan Office of Administrative Hearings and Rules does not recommend or appoint attorneys.

WITNESSES: Parties may present witnesses, if any, identified in the Prehearing Statements, to testify under oath or affirmation at the hearing, subject to cross-examination by the opposing party, and questions by the administrative law judge.

EXHIBITS: The parties shall bring two (2) copies of all proposed exhibits (i.e., file copy and Judge's copy) to the hearing. Each exhibit must display the docket number and exhibit number (i.e., P1, P2, R1, R2, etc.) in the upper right-hand corner of the first page of each copy of each proposed exhibit. If an exhibit contains multiple pages, each page shall be numbered. The proposed exhibits must be separated into numerical order sets and indexed for easy reference.

COURT REPORTER: The parties shall not only provide a court reporter to transcribe the hearing but shall also provide an electronic copy of the hearing transcript to the Tribunal by e-mailing it to taxtrib@michigan.gov. The costs attributable to the court reporter shall be shared equally by the parties. If the parties fail to pay the costs of the transcript to the court report prior to the submission of the transcript to the Tribunal, the court reporter may report this to the Tribunal with the submission of the transcript. As a result, the party or parties who failed to pay the costs associated with the transcript may be held in default.³

WITHDRAWAL: If Petitioner no longer wants to continue with the appeal, Petitioner may submit a written request to withdraw the case. Respondent must concur with the withdrawal. The request must be submitted to the Tribunal and served on Respondent at least 14 days before the hearing. Respondent may file a concurrence or objection to the request within 7 days of the service of the request on that party. If Respondent does not timely submit a concurrence or objection to the request will be deemed to be a concurrence to the request. If the request is granted, the case will be dismissed. If a request is not granted or the Tribunal has not notified you that it has been granted, you are required to attend the hearing.

SETTLEMENT: Parties may submit a written agreement settling a case (i.e., stipulation). The stipulation must be on a form made available by the tribunal or shall be in a written form that is in substantial compliance with the tribunal's form and be signed by the parties' attorneys or authorized representatives, if they have attorneys or

³ See TTR 321.

authorized representatives, or by the parties, if they do not have attorneys or authorized representatives. There is a \$50 fee for the filing of the stipulation. If the stipulation with appropriate filing fee is received by the Tribunal or the parties email a copy of the signed stipulation to the Tribunal by 4:30 p.m. on the business day immediately preceding the day of the scheduled hearing, the hearing may be adjourned. Parties that email a copy of a signed stipulation to the Tribunal for purposes of adjourning a hearing are also required to submit the original signed stipulation with appropriate filing fee. The stipulation, once submitted, will be reviewed and, if accepted, the Tribunal will issue a consent judgment.

FAILURE TO APPEAR: The failure of a party to timely appear or otherwise participate in a hearing will result in adjournment of the hearing and the holding of that party in default. The defaulted party will be given an opportunity to show good cause for the failure to appear. Failure to respond or show good cause may result in dismissal of the case or the conducting of a default hearing.

REASONABLE ACCOMMODATION: All hearings are conducted in a barrier-free location in compliance with the Americans with Disabilities Act. An individual requiring reasonable accommodation for effective participation in a hearing, including accessible documentation such as braille, large print, electronic or audio reader, should contact the MOAHR by telephone at (517) 335-9760, or complete and submit an accommodation request form at

https://www.michigan.gov/documents/lara/Disability_Accommodation_FORM_v1_2_464017_7.doc within five (5) days of receipt of the Notice of Hearing to ensure availability of accommodation.

PRIVACY OF INFORMATION: In order to conduct a comprehensive and fair hearing, a party's private or confidential information, such as health or financial information, may be disclosed to the Tribunal and other parties and their attorneys or representatives. The MOAHR will use the private information solely for purposes related to the hearings process. A party may file a motion to request that a public hearing be closed in part or file a motion for protective order to deem certain information private and confidential in order to afford that information special protection.
