

Competitive Grant Assistance Program (CGAP) Application (FY 2013 – Round 2)

Issued under authority of 2012 Public Act 200

GENERAL INFORMATION

Program Purpose:

The purpose of the grant program is to provide incentive-based grants to stimulate smaller, more efficient government and encourage mergers, consolidations, and cooperations between two or more qualified jurisdictions. The grants are to offset the costs associated with mergers, interlocal agreements, and cooperative efforts for cities, villages, townships, counties, school districts, and intermediate school districts that elect to combine government operations. The program is focused on stimulating projects between two or more qualified jurisdictions that are creating new mergers, consolidations, and/or cooperative efforts/collaborations of existing services.

Goals of the Program:

To assist local units of government, including school districts and intermediate school districts, with the costs associated with combining government operations.

Eligibility:

All Michigan cities, villages, townships, counties, school districts, and intermediate school districts. For a school district or intermediate school district to qualify for grant funding under this program, the school district or intermediate school district must combine operations with a city, village, township, or county. Additionally, if grant funding is received from the competitive grant assistance program under the state school aid act, 1979 PA 94, MCL 388.1601 to 388.1896, the applicant is not eligible for grant assistance through the Michigan Department of Treasury.

Criteria:

- A completed application with detailed information
- Merger of two or more governmental units
- Consolidation of departments and/or existing services across 2 or more governmental units
- Cooperative effort or collaboration of 2 or more governmental units
- Consolidated or combined government operations must demonstrate taxpayer benefits of cost savings, efficiencies, and/or improved services
- The governmental unit must demonstrate how budgeted costs directly relate to and are necessary for implementation of the merger, consolidation, or cooperative effort
- Priority will be given to projects that start after October 1, 2012
- Projects are funded on a reimbursement basis

Application Process:

An application process will be used to solicit proposals for these grants. Applications must be complete and received by the June 28th deadline to be considered for funding. The submission of an application does not guarantee a grant award. Additional information about the grant program is available on the Michigan Department of Treasury's website at:

http://www.michigan.gov/treasury/0,4679,7-121-1751_2197_58826_62422---,00.html

Project Clarification:

During the application review process, applicants may be contacted for clarification. The Michigan Department of Treasury reserves the right to award funds for an amount other than requested.

Selection Procedures:

Applications will be selected for funding by the Michigan Department of Treasury based on program purpose, goals of the program, eligibility, and criteria. Starting on June 3rd, the grant panel will begin reviewing any grant applications submitted. Qualified grants may be awarded on a rolling basis.

Notification Process:

Applications selected for a grant award will receive a Notification of Intent to Award from the Michigan Department of Treasury within ninety (90) days of the grant deadline. However, additional time may be required depending on the number of applications received. Final Award letters will be sent to approved grantees, once the Michigan Department of Treasury has received all the required Board Resolution(s), Board Meeting Minutes, or Inter-local Agreement(s).
