Coronavirus Relief Local Government Grants (CRLGG) Program
CRLGG & CRF Grant Requirements Instructions

The purpose of this document is to provide guidance to qualified local units (cities, villages, townships and counties) which received an August 2020, Coronavirus Relief Fund (CRF) payment under the Michigan Department of Treasury's Coronavirus Relief Local Government Grants (CRLGG) program.

This *CRLGG & CRF Grant Requirements* document contains four sections to provide qualified local units the information needed to accept and manage the CRF funding received under the CRLGG program in order to comply with federal and state requirements. Guidance is evolving and the State of Michigan will require compliance with additional guidance as it is published.

Section I includes various program information such as program description and purpose, funding information, CRF funding acceptance period, available program amount, and reporting requirements with specific timelines.

Section II provides program requirements including internal controls and audit requirements that must be adhered to. Additionally, this section contains uniform Coronavirus Relief Fund guidance as the funds utilized from this program are considered federal financial assistance subject to the CRF requirements.

Section III includes the reporting requirements, expenditure categories for reporting and reporting period timelines for this program. For a qualified local unit to retain the CRF funds received under the CRLGG program (issued to the qualified local unit on August 31, 2020), the qualified local unit must review the entire *CRLGG & CRF Grant Requirements* document, and submit all the required reports by the stipulated due dates as outlined in this section.

Section IV includes the detailed accounting instructions.

Coronavirus Relief Local Government Grants (CRLGG) Program
Program Information

Section I. Program Information

Program Description and Purpose

The CRLGG program was created under 2020 Public Act 144. The program was created to provide Coronavirus Relief Funds (CRF) to qualified local units to spend on eligible expenditures under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, Public Law 116-136.

Qualified Local Units

Qualified local units are those cities, villages, townships, and counties that would have received an August 2020 payment under one of the below programs:

- a. City, Village and Township Revenue Sharing (CVTRS)
- b. County Revenue Sharing (CRS)
- c. County Incentive Program (CIP)

Funding Information

The CRLGG program is funded under the [Coronavirus Aid, Relief, and Economic Security \(CARES\) Act, Public Law 116-136](#).

Payments were issued to qualified cities, villages, townships, and counties on August 31, 2020.

Any CRLGG funds expended on noneligible CARES Act expenditures, not accepted by the local unit, or not expended by December 30, 2020 shall be returned to the Michigan Department of Treasury by January 30, 2021.

Uniform CRF Expenditure Eligibility

Payments from the Coronavirus Relief Fund may only be used to cover expenditures that:

1. are necessary expenditures incurred due to the public health emergency with respect to Coronavirus Disease (COVID-19);
2. were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government;
3. were incurred during the period that begins on March 1, 2020 and ends on December 30, 2020.

Usage of these funds must comply with the federal requirements of the Coronavirus Relief Fund. For a cost to be considered to have been incurred, performance or delivery must occur during the covered period but payment of funds need not be made during that time (though it is generally expected that this will take place within 90 days of a cost being incurred.)

CRLGG funds cannot be used for research & development related expenditures.

Indirect costs are not eligible for the CRLGG program.

Accounting for Coronavirus Relief Funds

Section IV. Accounting for Coronavirus Relief Funds

Accounting for CORONAVIRUS RELIEF FUNDS (“CRF Funds”) Received from the State of Michigan

A qualified local unit which follows GASB financial reporting standards and has a fiscal year end **before** the State 2020 Public Act 144 was signed into law (July 31, 2020), please note the following financial related reporting requirements.

Although these CRF funds are granted by an authorizing State of Michigan agency, the CRF funds are **restricted federal funds** (making up a portion of Federal Coronavirus Relief Fund (CRF) (CFDA 21.019) usage authorized by a Public Act signed July 31, 2020 (PA 144).

The period of performance for the expenditure of CRF funds is March 1, 2020 – December 30, 2020. However, if the State’s legislation establishing this funding was not signed into law during a qualified local unit’s 2020 fiscal year, **these revenues should not be recognized in fiscal year 2020 financial reporting or audited financial statements.** **CRF revenues** should be recorded in fiscal year 2021 to the extent that eligible expenditures were incurred in fiscal year 2020 and as additional eligible expenditures are incurred during fiscal year 2021.

Eligible CRF expenditures should be recorded in the fiscal year in which they were incurred (e.g., payroll costs for Public Health employees, Hazard Pay for First Responder employees), either fiscal year 2020 or fiscal year 2021. However, if you are subject to the Single Audit, any fiscal year 2020 **CRF expenditures** will be reported on the fiscal year 2021 Schedule of Expenditures of Federal Awards (SEFA) rather than the fiscal year 2020 SEFA; an entity choosing to charge 2020 expenditures to these funds are encouraged to work with their auditor to determine additional reporting implications.

Details regarding eligible expenditures, grant-specific reporting requirements, and other information is included in sections above associated with this specific CRF program appropriated by the State of Michigan.
