SEWAGE DISPOSAL BOARD**

FINANCIAL REPORT

March 31, 2007

Auditing Procedures Report

Issued under P.A. 2 of 1968, as amended and P.A. 71 of 1919, as amended.

Local Unit of Government Type <input type="checkbox"/> County <input type="checkbox"/> City <input type="checkbox"/> Twp <input type="checkbox"/> Village <input checked="" type="checkbox"/> Other			Local Unit Name Paw Paw Lake Regional Joint Sewage Brd	County Berrien
Fiscal Year End March 31, 2007	Opinion Date May 29, 2007	Date Audit Report Submitted to State June 25, 2007		

We affirm that:

We are certified public accountants licensed to practice in Michigan.

We further affirm the following material, "no" responses have been disclosed in the financial statements, including the notes, or in the Management Letter (report of comments and recommendations).

YES **NO** Check each applicable box below. (See instructions for further detail.)

1. All required component units/funds/agencies of the local unit are included in the financial statements and/or disclosed in the reporting entity notes to the financial statements as necessary.
2. There are no accumulated deficits in one or more of this unit's unreserved fund balances/unrestricted net assets (P.A. 275 of 1980) or the local unit has not exceeded its budget for expenditures.
3. The local unit is in compliance with the Uniform Chart of Accounts issued by the Department of Treasury.
4. The local unit has adopted a budget for all required funds.
5. A public hearing on the budget was held in accordance with State statute.
6. The local unit has not violated the Municipal Finance Act, an order issued under the Emergency Municipal Loan Act, or other guidance as issued by the Local Audit and Finance Division.
7. The local unit has not been delinquent in distributing tax revenues that were collected for another taxing unit.
8. The local unit only holds deposits/investments that comply with statutory requirements.
9. The local unit has no illegal or unauthorized expenditures that came to our attention as defined in the *Bulletin for Audits of Local Units of Government in Michigan*, as revised (see Appendix H of Bulletin).
10. There are no indications of defalcation, fraud or embezzlement, which came to our attention during the course of our audit that have not been previously communicated to the Local Audit and Finance Division (LAFD). If there is such activity that has not been communicated, please submit a separate report under separate cover.
11. The local unit is free of repeated comments from previous years.
12. The audit opinion is UNQUALIFIED.
13. The local unit has complied with GASB 34 or GASB 34 as modified by MCGAA Statement #7 and other generally accepted accounting principles (GAAP).
14. The board or council approves all invoices prior to payment as required by charter or statute.
15. To our knowledge, bank reconciliations that were reviewed were performed timely.

If a local unit of government (authorities and commissions included) is operating within the boundaries of the audited entity and is not included in this or any other audit report, nor do they obtain a stand-alone audit, please enclose the name(s), address(es), and a description(s) of the authority and/or commission.

I, the undersigned, certify that this statement is complete and accurate in all respects.

We have enclosed the following:	Enclosed	Not Required (enter a brief justification)

Management's Discussion and Analysis

About the Facility

The Paw Paw Lake Regional Joint Sewage Disposal Board (the "Joint Board") serves the Coloma and Watervliet regional area with wastewater treatment services. The Joint Board was established in January 1971 as a not-for-profit, tax-exempt organization when the cities and townships of Coloma and Watervliet agreed to jointly acquire, own and operate a sewage treatment and disposal facility. Act 129 of Michigan Public Acts of 1943 is the state legislation authorizing the municipalities to establish the Joint Board. The Joint Board was established to control, manage, and operate the joint sewage facility. The Joint Board consists of two appointed representatives from each of the four municipalities. Ownership of the infrastructure passed to the municipalities in May of 1993 when the related construction debt was retired.

The Joint Board provides wastewater treatment services to the cities and townships of Coloma and Watervliet. The connected service population is approximately twelve thousand. Treatment capacity of the facility is 2.5 million gallons per day. For the fiscal year ended March 31, 2007, the Joint Board treated an average flow of 923 thousand gallons per day.

Usage, listed by gallons processed, by municipalities during the fiscal year, is as follows:

	Year ended March 31	
	<u>2007</u>	<u>2006</u>
City of Coloma	40,821,900	39,356,300
Coloma Township	67,744,400	63,680,100
City of Watervliet	76,863,100	48,842,058
Watervliet Township	<u>151,573,099</u>	<u>143,894,400</u>
Total	<u>337,002,499</u>	<u>295,772,858</u>

Financial Highlights

The Joint Board's total net assets were \$760,562 at March 31, 2007, of which \$59,057 was invested in capital assets. At March 31, 2006, the Joint Board's net assets were \$838,875 of which \$53,272 was invested in capital assets.

The Joint Board's total operating and administrative expenses exceeded operating revenues for the fiscal years ended March 31, 2007 and 2006. Total operating expenses were \$631,112 and \$547,487 for the years ended March 31, 2007 and 2006. Operating revenues were \$516,069 and \$424,812 for the years ended March 31, 2007 and 2006.

Overview of the Financial Statements

This report consists of three parts - *Management's Discussion and Analysis* (this section), the *basic financial statements*, and *supplemental information*. The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data.

PAW PAW LAKE REGIONAL JOINT SEWAGE DISPOSAL BOARD
Management's Discussion and Analysis

Condensed Financial Information

The following table represents condensed information about the Joint Board's financial position for the past two fiscal years. Total net assets decreased by \$78,313.

	Year Ended March 31	
	<u>2007</u>	<u>2006</u>
Current assets	\$ 359,945	\$ 431,997
Capital assets	59,057	53,272
Long-term investments	<u>448,504</u>	<u>454,584</u>
Total Assets	<u>\$ 867,506</u>	<u>\$ 939,853</u>
Current liabilities	<u>\$ 106,944</u>	<u>\$ 100,978</u>
Net assets:		
Invested in capital assets	\$ 59,057	\$ 53,272
Unrestricted	<u>701,505</u>	<u>785,603</u>
Total Net Assets	<u>\$ 760,562</u>	<u>\$ 838,875</u>
Total Current Liabilities and Net Assets	<u>\$ 867,506</u>	<u>\$ 939,853</u>

Operating Income and Expenses

The following table represents condensed financial information about the Joint Board's revenues and expenses. The net loss was \$(78,313) and \$(93,517) for the years ended March 31, 2007 and 2006, respectively.

	Year ended March 31	
	<u>2007</u>	<u>2006</u>
Operating revenues	\$ 516,069	\$ 424,812
Operating expenses	<u>631,112</u>	<u>547,487</u>
Operating loss	\$ (115,043)	\$ (122,675)
Investment income	<u>36,730</u>	<u>29,158</u>
Net loss	<u>\$ (78,313)</u>	<u>\$ (93,517)</u>

Results of Operations

- Operating revenues from the municipalities increased by \$91,257. This is due to the increase in water flow used by the municipalities during the year.
- Operating expenses increased by \$83,625.

Capital Assets

Ownership of the infrastructure passed to the municipalities in May of 1993 when the related construction debt was retired. Capital assets include the equipment, building, land, and vehicles. The capital plan is directed toward maintaining the existing facilities. The Joint Board is currently debt free.

PAW PAW LAKE REGIONAL JOINT SEWAGE DISPOSAL BOARD
Management's Discussion and Analysis

Budget Variances

The 2007 fiscal year ended with actual operating revenue lower than budgeted income by \$10,631. Operating expenses exceeded budgeted amounts by \$77,412. Significant variances include:

- Actual municipal fees collected were \$25,578 lower than what was budgeted.
- Salaries and wages of \$239,350 exceeded budgeted amounts of \$220,000 by \$19,350.
- Payroll taxes, retirement plan, and benefits of \$42,545 exceeded budgeted amounts of \$25,100 by \$17,445.
- Group insurance of \$97,112 exceeded budgeted amounts of \$65,000 by \$32,112.
- Operating supplies and services of \$82,261 exceeded budgeted amounts of \$61,000 by \$21,261.
- Depreciation expense of \$14,844 was not budgeted.
- Legal, accounting, and audit services of \$17,198 exceeded budgeted amounts of \$6,000 by \$11,198.

Contacting the Joint Board's Management

The purpose of this management's discussion and analysis is to provide an overview of the current and prospective financial condition of the Joint Board's operations and physical assets. Questions concerning this report may be directed to Mr. T.C. Melville, Plant Manager.

INDEPENDENT AUDITOR'S REPORT

Paw Paw Lake Regional Joint
Sewage Disposal Board
Coloma, Michigan

We have audited the accompanying financial statements of the business-type activities of the Paw Paw Lake Regional Joint Sewage Disposal Board as of and for the year ended March 31, 2007 and 2006, which collectively comprise the Board's basic financial statements as listed in the table of contents. These financial statements are the responsibility of Paw Paw Lake Joint Sewage Disposal Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Paw Paw Lake Regional Joint Sewage Disposal Board as of March 31, 2007 and 2006, and the change in financial position, including cash flows, for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and budgetary comparison information on pages I through III are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements. The accompanying supplemental information, as identified in the table of contents, is presented for the purpose of additional analysis and is not a required part of the basic financial statements. The supplemental information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Gerbel & Company, P.C.

Right. On time.

PAW PAW LAKE REGIONAL JOINT SEWAGE DISPOSAL BOARD
Notes to Financial Statements
March 31, 2007

NOTE 1 - NATURE OF ENTITY AND ACCOUNTING POLICIES

A. Nature of Entity

The Paw Paw Lake Regional Joint Sewage Disposal Board is a joint venture of the cities of Coloma and Watervliet and the townships of Coloma and Watervliet, Michigan, and was created pursuant to Public Act 129, Michigan Public Acts of 1943. Its allowed purpose is to acquire and operate a sewage disposal system.

The accounting policies of the Paw Paw Lake Regional Joint Sewage Disposal Board ("the Joint Board") conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The following is a summary of significant accounting policies.

B. Accrual Basis of Accounting

The organization recognizes revenues when earned. Expenses are recorded when incurred.

C. Capital Assets

Property and equipment are stated at cost. Expenditures for repairs and maintenance are charged to operations as incurred and major renewals and betterments are capitalized. Depreciation is recorded on straight-line method over the estimated useful lives.

Buildings	20 years
Equipment	5-10 years
Vehicles	5 years
Office equipment	5 years

D. Operating Revenue and Nonoperating Revenue

Operating revenue represents billings to municipalities based on flow rates metered by the Joint Board as well as charges to local businesses for industrial processing. Nonoperating revenue includes other revenue, such as investment income, that does not directly fund general operations of the plant.

E. Cash and Cash Equivalents

For purposes of the statement of cash flows, the Joint Board considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

F. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

PAW PAW LAKE REGIONAL JOINT SEWAGE DISPOSAL BOARD
Notes to Financial Statements
March 31, 2007

NOTE 2 - DEPOSITS AND INVESTMENTS

Michigan Compiled Laws authorize the Joint Board to make deposits and invest in the accounts of federally insured banks, credit unions, and savings and loan associations which have an office in Michigan. The Joint Board is allowed to invest in bonds, securities and other direct obligations of the United States or any agency or instrumentality of the United States; United States government or federal agency obligations; repurchase agreements; bankers' acceptance of United States banks; commercial paper rated within the two highest classifications which mature not more than 270 days after the date of purchase; obligations of the State of Michigan or its political subdivisions which are rated as investment grade; and mutual funds composed of investment vehicles which are legal for direct investment by local units of government in Michigan.

The Joint Board has designated a local bank for the deposit of its funds. The investment policy adopted by the Joint Board in accordance with Public Act 196 of 1997 has authorized investment in bonds and securities of the United States government and bank accounts and CDs, repurchase agreements, and bankers' acceptances. The Joint Board's deposits and investment policy are in accordance with statutory authority.

Investments are presented in the financial statements at fair market value. All investments are considered temporary. Premiums and discounts are not amortized. Interest is accrued on investments.

For the year ended March 31, 2007, investment income and losses consisted of interest and dividend income of \$30,127, realized gain of \$13,688 and unrealized loss of \$7,085.

The Joint Board's cash and investments are subject to several types of risk, which are explained in more detail below.

Custodial Credit Risk of Bank Deposits - Custodial credit risk is the risk that in the event of a bank failure, the Joint Board's deposits may not be returned to it. The Joint Board does not have a deposit policy for custodial credit risk. At year-end, \$7,146 of the Joint Board's bank deposits (certificates of deposit, checking and savings accounts) were uninsured. The Joint Board evaluates each financial institution with which it deposits funds and assesses the level of risk of each institution; only those institutions with an acceptable estimated risk level are used as depositories.

Custodial Credit Risk of Investments - Custodial credit risk is the risk that, in the event of the failure of the counterparty, the Joint Board will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Joint Board does not have a policy for custodial credit risk. At year-end, approximately \$396,896 of investment securities were held by an investment company.

PAW PAW LAKE REGIONAL JOINT SEWAGE DISPOSAL BOARD
Notes to Financial Statements
March 31, 2007

NOTE 2 - DEPOSITS AND INVESTMENTS - Continued

Interest Rate Risk - Interest rate risk is the risk that the value of investments will decrease as a result of a rise in interest rates. The Joint Board's investment policy does not restrict investment maturities other than commercial paper, which can only be purchased, with a 270-day maturity. At year-end, the maturities of investment are as follows:

<u>Investment</u>	<u>Fair Value</u>	<u>Maturity Less than One Year</u>	<u>One to Five Years</u>
Federal home loan mortgage	\$ 169,857	\$ -	\$ 169,857
GNMA guaranteed pass through certificates	53,008	-	53,008
Governmental and agency securities	58,599	33,034	91,633
Certificates of deposit	<u>167,040</u>	<u>250,000</u>	<u>417,040</u>
Total Investments	<u>\$ 448,504</u>	<u>\$ 283,034</u>	<u>\$ 731,538</u>

Credit Risk - State law limits investments in commercial paper to the top two ratings issued by nationally recognized statistical rating organizations. The Joint Board has no investment policy that would further limit its investment choices. At year-end, the Joint Board held no debt securities other than U.S. government or U.S. government agency securities.

NOTE 3 - PROPERTY, PLANT, AND EQUIPMENT

A summary of changes in property, plant, and equipment for the year ended March 31, 2007 was as follows:

	<u>Balance April 1, 2006</u>	<u>Additions</u>	<u>Disposals</u>	<u>Balance March 31, 2007</u>
Land	\$ 23,408	\$ -	\$ -	\$ 23,408
Building	\$ 103,235	\$ -	\$ -	\$ 103,235
Equipment	551,381	20,629	-	572,010
Vehicles	43,252	-	-	43,252
Office equipment	<u>31,589</u>	<u>-</u>	<u>-</u>	<u>31,589</u>
Subtotal	\$ 729,457	\$ 20,629	\$ -	\$ 750,086
Less: Accumulated Depreciation	<u>(699,593)</u>	<u>(14,844)</u>	<u>-</u>	<u>(714,437)</u>
Total Capital Assets Other Than Land	<u>\$ 29,864</u>	<u>\$ 5,785</u>	<u>\$ -</u>	<u>\$ 35,649</u>

PAW PAW LAKE REGIONAL JOINT SEWAGE DISPOSAL BOARD
Notes to Financial Statements
March 31, 2007

NOTE 4 - ACCRUED VACATION AND SICK LEAVE

Vacation and sick pay consist of:

Vacation pay	\$ 10,746
Sick leave accumulated	<u>72,255</u>
Total	<u>\$ 83,001</u>

Vacation pay is earned depending upon years of service and is payable upon termination. Sick leave benefits represent only that amount that would be payable should employees use the benefit. Unused sick pay will not be reimbursed upon termination.

NOTE 5 - RETIREMENT PLAN

Plan Description - Substantially all employees of the Joint Board are covered under the contributory defined benefit Municipal Employees' Retirement System ("MERS"), an agent, multiple employer public pension plan. MERS provides retirement, survivor and disability benefits to municipal employees under the provisions of the Municipal Employees' Retirement Act of 1984, as amended by 1996 Public Act 220, as embodied in the MERS Plan Document (as revised). MERS issues annually a publicly available actuarial valuation. The report includes the determination of liabilities and contribution rates resulting from the participation of the Joint Board in MERS. The report may be obtained by writing to MERS, 447 N. Canal Rd., Lansing, Michigan 48917, or by calling (517) 622-4401.

All full-time permanent employees are eligible to participate in MERS. Participants who retire at or after age 60 with ten years of credited service, age 55 with 15 years of credited service, or age 50 with 25 years of credited service are entitled to a retirement benefit equal to the participant's final average compensation, as defined, multiplied by 2.5% for each year of credited service. Under the program, participants contribute 3% of their first \$4,200 of annual compensation and 5% of portions over \$4,200.

Funding Policy - MERS funding policy provides for periodic employer contributions at actuarially determined rates that, expressed as percentages of annual covered payroll, are designed to accumulate sufficient assets to pay benefits when due. The Joint Board has authorized any required employer contributions.

Notes to Financial Statements
March 31, 2007

NOTE 6 - RISK MANAGEMENT

Insurance - The Joint Board is exposed to various risks of loss related to property loss, torts, errors and omissions and employee injuries (workers' compensation), as well as medical benefits provided to employees. The Joint Board has purchased commercial insurance for employee health, property, liability and workers' compensation.

Industrial Waste Pretreatment Program Regulations - The Joint Board's sewage treatment and disposal operations are subject to regulations and governmental authorities. The complexity of these regulations results in many areas of uncertainty and requires interpretation. The regulatory agencies may question Joint Board interpretations. If the Joint Board's interpretations do not prevail, remedial actions and/or civil penalties could be assessed that could have an adverse effect on the Joint Board's operations.

Paw Paw Lake Regional Joint Sewage Disposal Board
Coloma, Michigan

In connection with our audit of the books and records of Paw Paw Lake Regional Joint Sewage Disposal Board for the year ended March 31, 2007, we offer the following comments and recommendations regarding bookkeeping and accounting matters.

1. The Board should issue Internal Revenue Service form 1099-MISC, U.S. Information Returns to attorneys regardless of the amount and to individuals who serve as independent contractors to provide services of more than \$600 in a calendar year. This would include Board members.
2. Financial documents need to be kept organized. Currently information is left on desks, not organized in files (bank statements, investment statements, etc.). The Board should also investigate the legal requirements for document retention. Documents that are older than the retention date should be destroyed.
3. Currently there is no dollar threshold to capitalize assets. We recommend that the Board approve a capitalization threshold for new capital assets.
4. Under the Sewage Disposal contract dated January 6th, 1970, the contract states that while there is outstanding indebtedness on the joint plant, the title be under Berrien County's name. Since the debt has been paid off, we recommend that the title be transferred to the Board's name.
5. We recommend that the interest earned from the Standard Federal Bank CD be recorded annually in the general ledger. Currently the trial balance states that there is \$100,000 in this account; however, when confirmed with the bank balance it was \$107,146.

We appreciate the courtesy and cooperation extended to us by the officials of the Paw Paw Lake Regional Joint Sewage Disposal Board and trust that these comments and suggestions will be received in the spirit of cooperation in which they are offered.

If we can be of any assistance in implementing any of these suggestions or if you have any questions regarding these or any other matters, please feel free to contact us.

Very truly yours,

Communication of Significant Deficiencies That Indicates No Material Weaknesses in Internal Control

To: The Board of Directors and Management of
Paw Paw Lake Regional Joint Sewage Disposal Board

In planning and performing our audit of the financial statements of Paw Paw Lake Regional Joint Sewage Disposal Board as of and for the year ended March 31, 2007, in accordance with auditing standards generally accepted in the United States of America, we considered Paw Paw Lake Regional Joint Sewage Disposal Board's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness on the Board's internal control. Accordingly, we do not express an opinion on the effectiveness of the Board's internal control.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or a combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or a combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above. However, we identified the following deficiencies in internal control that we consider to be significant deficiencies:

1. In order for the monthly Board reports to be accurate to the true financial state of the Plant we recommend the following:
 - Monthly employer pension expense should be recorded to the pension expense account. During the audit there was an adjustment that created an additional \$23,677 expense for the year.

Right. On time.

PHONE: 269-983-0534 ■ FAX: 269-983-7050 ■ EMAIL: gerbel@parrett.net ■ WEB SITE: www.gerbel.com

- Major repairs that extend the useful life of an asset should be capitalized during the year. During the audit an adjustment in the amount of \$12,617 was made capitalizing items that were expensed.
 - We recommend that the Board post a monthly depreciation entry. The current year depreciation was \$14,844 of expense.
2. During the year there were several bank charges for bank overdrafts. We recommend that the Board keep an up-to-date check register that accounts for deposits and checks written so the Board knows the actual bank account balance at all times.
 3. We recommend that the Board monitor the budget on a monthly basis. If amendments are needed to the budget, the Board should amend the budget line item at a board meeting. At year-end seven categories of budgeted expenditures were overdrawn. No budget amendments were made during the year.
 4. Currently there are no controls in place for reviewing financial statements provided by the outside bookkeeper or the auditing firm for material misstatements. We recommend that the Board appoint a person or persons who possess the appropriate knowledge of accounting, to review the monthly and annual statements before final Board acceptance. The auditor and bookkeeper should be available to answer any questions about the statements that were provided. All statements and disclosures should be carefully reviewed and understood before the Board accepts the financial statements. If the Board does not have anyone who is qualified to do this, the Board should consider the cost of training a Board member(s). Since this internal control is not in place, a material misstatement could occur.

In addition, we noted other matters involving the internal control and its operation that we have reported to management of Paw Paw Lake Regional Joint Sewage Disposal Board in a separate letter dated May 29, 2007.

This communication is intended solely for the information and use of management, Board of Directors, and others within the organization, and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

GERBEL & COMPANY, P.C.
