June 11, 2019

Navneet Adhi  
Michigan Department of Treasury  
Office of School Review and Fiscal Accountability  
Lansing, MI

Subject

Dear Navneet,

This letter is to confirm our partnership and contract with Forest Park Area Schools in performing a fiscal administrative review. Our respective superintendents and business managers have met and created goals and timelines to complete an administrative review by September 10<sup>th</sup>, 2019.

We were pleased with the information provided and the financial planning already in place by Forest Park and look forward to working together.

Sincerely,

Wendy L. Warmuth  
Superintendent
