Supplemental City, Village, and Township Revenue Sharing  
Fiscal Year 2019  
Detailed Guidance**

**City, Village, and Township Revenue Sharing (CVTRS) Program**

For fiscal year (FY) 2019, the Legislature continued the City, Village, and Township Revenue Sharing (CVTRS) program. Each eligible local unit must meet all of the legislative requirements of Section 952 of 2018 Public Act 207 in order to receive the full CVTRS payments.

If a city's, village's, or township's FY 2010 statutory payment was greater than \$1,000, the local unit will be eligible to receive a "*Percent Payment*" equal to 78.51044% of the local unit's FY 2010 statutory payment. If a city's, village's, or township's population is greater than 7,500, the local unit will be eligible to receive a "*Population Payment*" equal to the local unit's population multiplied by \$2.648299. Cities, villages, or townships that had a FY 2010 statutory payment greater than \$1,000 and have a population greater than 7,500 will receive the greater of the "*Percent Payment*" or "*Population Payment*".

The Michigan Department of Treasury's (Treasury) website has templates available which cities, villages, or townships may use to comply with the CVTRS program requirements. The templates are located under the "Forms and Templates" section at [https://www.michigan.gov/treasury/0,4679,7-121-1751\\_2197\\_58826---,00.html](https://www.michigan.gov/treasury/0,4679,7-121-1751_2197_58826---,00.html). Cities, villages, or townships do not have to use these templates. The templates are available to assist cities, villages, or townships if they so choose.

**Program Requirements**

- I. To qualify for CVTRS payments, a local unit must complete the following by the due date:
  1. Provide to Treasury the required documents (see below).

2. Citizen's Guide (minimum General Fund) (see III. Citizen's Guide Reporting Options below)
  - i. Most recent local finances
  - ii. Recognition of unfunded liabilities
3. Performance Dashboard
4. Debt Service Report (all funds)
  - i. Issuance date by debt instrument
  - ii. Issuance amount by debt instrument
  - iii. Type of debt instrument

  - ii. The immediately following fiscal year projected revenues and expenditures
  - iii. An explanation of the assumptions used for the projections

### III. Citizen's Guide Reporting Options

Local units will have two options related to meeting the Citizen's Guide requirement:

1. A local unit can utilize the Citizen's Guide on Treasury's online system, if the local unit's F65 report has been filed timely. Local units may wish to verify that all the data reported on the F65 report is accurate, especially the general fund revenues, expenditures, and the unfunded pension liability.
  - i. The local unit will need to indicate on the City, Village, and Township Revenue Sharing and County Incentive Program Certification (form 4886) that they have elected the Treasury Citizen's Guide option and the local unit is not submitting a copy of a Citizen's Guide.
  - ii. The local unit will need to link to Treasury's Internet website for the Citizen's Guide or print a copy of Treasury's Citizen's Guide in order to make the document available for public viewing.
  - iii. The F65 information on Treasury's online system is refreshed monthly.

- OR -

2. A local unit can create the Citizen's Guide in another format that meets the CVTRS requirements.

#### IV. Due Date

1. **December 1, 2018** – to receive full CVTRS payments

- OR -

2. February 1, April 1, June 1, or August 1 – to receive reduced CVTRS payments

#### V. Payment Information

1. All eligible local units will receive 1/6 of the CVTRS payment on the last business day of October.
2. If the required documents are submitted on or before December 1, 2018;
  - i. A local unit qualifies to receive 1/6 of the CVTRS payment on the last business day of December, February, April, June, and August.
3. If the required documents are submitted after December 1, 2018, but by the first day of a payment month (February, April, June, and August);
  - i. December CVTRS payment is forfeited.
  - ii. Remaining CVTRS payments will be forfeited unless the required documents are received by the first day of a payment month. If Treasury receives the documents by the first day of a payment month, 1/6 of the CVTRS payment will be received on the last business day of each payment month thereafter.

#### VI. Mailing Requirement

1. Local units must include in any mailing of general information to its citizens, the Internet website address or physical location where the required documents are available for public viewing.

#### **Supplemental City, Village, and Township Revenue Sharing Program** *(to pay down debt, pension, or other postemployment benefit obligations)*

A city, village, or township eligible to receive a CVTRS payment shall also receive a Supplemental City, Village, and Township Revenue Sharing (Supplemental CVTRS) payment equal to the city's, village's, or township's population multiplied by \$0.807929, rounded to the nearest dollar (Section 957 of 2018 Public Act 207). Payments may be prorated based on the total amount appropriated for distribution.

##### I. Requirements to Receive Funding

There are no requirements that eligible cities, villages, or townships must meet in order to receive a Supplemental CVTRS payment.

II. **NEW REQUIREMENT:** Use of Funds

A city, village, or township must use the supplemental CVTRS payments to pay down debt, pension, or other postemployment benefit obligations, unless the city, village, or township has no such obligations.

III. Payment Information

## **2018 Public Act 207 2018 Senate Bill 848**

### **City, Village, and Township Revenue Sharing (CVTRS)/County Incentive Program (CIP)**

Sec. 952. (1) The funds appropriated in part 1 for city, village, and township revenue sharing are for grants to cities, villages, and townships such that, subject to fulfilling the requirements under subsection (3), each city, village, or township that received a payment under section 950(2) of 2009 PA 128 greater than \$1,000.00 is eligible to receive a payment equal to 78.51044% of its total payment received under section 950(2) of 2009 PA 128 or for each city, village, or township with a population in excess of 7,500, notwithstanding whether it received a payment greater than \$1,000.00 under section 950(2) of 2009 PA 128, a payment equal to the population of the city, village, or township multiplied by \$2.648299, whichever is greater, rounded to the nearest dollar. Payments under this section to cities, villages, or townships that did not receive a payment under section 950(2) of 2009 PA 128 greater than \$4,500.00 are one-time payments for which eligibility is based on a presumed level of local services provided. For purposes of this subsection, any city, village, or township that completely merges with another city, village, or township will be treated as a single entity, such that when determining the eligible payment under section 950(2) of 2009 PA 128 for the combined single entity, the amount each of the merging local units was eligible to receive under section 950(2) of 2009 PA 128 is summed. For purposes of this subsection, population is determined in the same manner as under section 3 of the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.903. In addition, any city or village that according to the 2010 federal decennial census is determined to have population in more than 1 county shall be treated as a single entity when determining the eligible payment under section 950(2) of 2009 PA 128.

(2) The funds appropriated in part 1 for the county incentive program are to be used for grants to counties such that each county is eligible to receive an amount equal to 20% of the amount determined pursuant to the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921. The amount calculated under this subsection shall be adjusted as necessary to reflect partial county fiscal years and prorated based on the total amount appropriated for distribution to all eligible counties. Except as otherwise provided under this subsection, payments under this subsection will be distributed to an eligible county subject to the county's fulfilling the requirements under subsection (3).

(3) For purposes of accountability and transparency, each eligible city, village, township, or county shall certify by December 1, or the first day of a payment month, that it has produced a citizen's guide of its most recent local finances, including a recognition of its unfunded liabilities; a performance dashboard; a debt service report containing a detailed listing of its debt service requirements, including, at a minimum, the issuance date, issuance amount, type of debt instrument, a listing of all revenues pledged to finance debt service by debt instrument, and a listing of the annual payment amounts until maturity; and a projected budget report, including, at a minimum, the current fiscal year and a projection for the immediately following fiscal year. The projected budget report shall include revenues and expenditures and an explanation of the assumptions used for the projections. Each eligible city, village, township, or county shall include in any mailing of general information to its citizens the internet website address location for its citizen's guide, performance dashboard, debt service report, and projected budget report or the physical location where these documents are available for public viewing in the city, village, township, or county clerk's office. Each city, village, township, and county applying for a payment under this subsection shall submit a copy of the performance dashboard, a copy of the

debt service report, and a copy of the projected budget report to the department of treasury. In addition, each eligible city, village, township, or county applying for a payment under this subsection shall either submit a copy of the citizen's guide or certify that the city, village, township, or county will be utilizing treasury's online citizen's guide. The department of treasury shall develop detailed guidance for a city, village, township, or county to follow to meet the requirements of this subsection. The detailed guidance shall be posted on the department of treasury website and distributed to cities, villages, townships, and counties by October 1.

(4) City, village, and township revenue sharing payments and county incentive program payments are subject to the following conditions:

(a) The city, village, township, or county shall certify to the department that it has met the required criteria for subsection (3) and submitted the required citizen's guide, performance dashboard, debt service report, and projected budget report as required by subsection (3). A department of treasury review of the citizen's guide, dashboard, or reports is not required in order for a city, village, township, or county to receive a payment under subsection (1) or (2). The department shall develop a certification process and method for cities, villages, townships, and counties to follow.

(b) Subject to subdivisions (c), (d), and (e), if a city, village, township, or county meets the requirements of subsection (3), the city, village, township, or county shall receive its full potential payment under this section.

(c) Cities, villages, and townships eligible to receive a payment under subsection (1) shall receive 1/6 of their eligible payment on the last business day of October, December, February, April, June, and August. Payments under subsection (1) shall be issued to cities, villages, and townships until the specified due date for subsection (3). After the specified due date for subsection (3), payments shall be made to a city, village, or township only if that city, village, or township has complied with subdivision (a).

(d) Payments under subsection (2) shall be issued to counties until the specified due date for subsection (3). After the specified due date for subsection (3), payments shall be made to a county only if that county has complied with subdivision (a).

(e) If a city, village, township, or county does not submit the required certification, citizen's guide, performance dashboard, debt service report, and projected budget report by the first day of a payment month, the city, village, township, or county shall forfeit the payment in that payment month.

(f) Any city, village, township, or county that falsifies certification documents shall forfeit any future city, village, and township revenue sharing payments or county incentive program payments and shall repay to this state all payments it has received under this section.

(5) The unexpended funds appropriated in part 1 for city, village, and township revenue sharing and the county incentive program shall be available for expenditure under the program for financially distressed cities, villages, or townships after the approval of transfers by the legislature pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
