- 2 Wednesday, May 11, 2016
- 3 2:07 p.m.
- THE CHAIRPERSON: The meeting will be in 4
- order, please. Let the record reflect, as far as roll 5
- 6 call, that all members of the RTAB are present.
- 7 Item B, the approval of the agenda. I'll ask
- 8 that the agenda be amended to include Resolution --
- 9 Resolution 138.1.
- 10 Are there other additions to the agenda?
- MR. FINNEY: Chair, I move approval. 11
- 12 MR. FERGUSON: So support.
- THE CHAIRPERSON: Without objection, the 13
- agenda is amended and approved. 14
- 15 Item C is the approval of RTAB meeting
- minutes from April 13. They're Attachment Number 1. 16
- Are there any corrections or additions to 17
- those minutes? 18
- If not, I will entertain a motion that the 19
- 20 minutes of April 13 be approved.
- 21 MR. TOWNSEND: Motion to approve.
- 22 MR. FINNEY: Second.
- 23 THE CHAIRPERSON: Motion's been made and
- seconded. 24
- Those in favor, please say "aye". 25

| 1 | THE BUARD: Aye. |
|----|---|
| 2 | THE CHAIRPERSON: Opposed? |
| 3 | The minutes are approved. |
| 4 | No Unfinished Business? |
| 5 | New Business, Mayor. |
| 6 | Madam Mayor? |
| 7 | Mr. Branch? |
| 8 | MR. BRANCH: Yes. Good afternoon. My name |
| 9 | is Steven Branch. I'm Chief of Staff for the Mayor. I |
| 10 | just wanted to come to you briefly and talk to you |
| 11 | about some concerns that the Administration is having |
| 12 | about the way the resolutions are being passed and sent |
| 13 | through to the RTAB. |
| 14 | The Mayor's concerned about the total |
| 15 | disregard and disrespect for the office because |
| 16 | amendments are being created outside of our City Hall |
| 17 | by outside legal counsel and are being approved and |
| 18 | sent in for RTAB approval. And this is something that |
| 19 | we feel we cannot, you know, tolerate or stand more for |
| 20 | because we need to work as a team. In order to work as |
| 21 | a team, you need to communicate and bring issues forth. |
| 22 | The Mayor should be presenting resolutions to |
| 23 | the City Council so the City Council can get input and |
| 24 | the Mayor can get input. A couple of the items we've |
| 25 | been talking about are two items on the RTAB agenda |

| 1 | today, one being the survivor spouse benefit package |
|----|---|
| 2 | which was brought in to a committee as a whole, the |
| 3 | Mayor had no input on it. We had no financial blessing |
| 4 | on that, the City what we would do to the City |
| 5 | financials going forward. So that is one of the items |
| 6 | of concern. |
| 7 | The other item of concern deals with the |
| 8 | feeling that all it takes is five votes to get |
| 9 | something through with no input from the Mayor, and |
| 10 | that is something that we really need to address as we |
| 11 | go forward. As a team, the Administration and City |
| 12 | Council must work together. We are in a desperate |
| 13 | situation here. We need to show to the outside world |
| 14 | we are working together. We're asking folks to donate |
| 15 | and give a lot of money to the City of Flint. And, as |
| 16 | an outside person looking in, that would be very lucky, |
| 17 | too, so that's the concern of the Mayor. |
| 18 | Do you have any questions? |
| 19 | THE CHAIRPERSON: With respect to your second |
| 20 | item, five votes, could you elaborate upon that? |
| 21 | MR. BRANCH: Well, City Council is made up |
| 22 | of nine individuals and it only takes five votes to |
| 23 | pass a resolution with the City Council. And |
| 24 | resolutions that had not gone to the Mayor and had her |
| 25 | blessing, that resolution could be passed. And, again, |

| 1 | some of those resolutions are getting to the RTAB and |
|----|---|
| 2 | they don't have the Mayor's signature on them. And, if |
| 3 | you look in your packages that were sent to you, you'll |
| 4 | see that there are some resolutions there that have no |
| 5 | signature of the Mayor. |
| 6 | THE CHAIRPERSON: I would assume that the |
| 7 | majority by which Council activity would have to be |
| 8 | approved would be a function either of if not the |
| 9 | Charter, then Roberts Rules of Order and Procedures and |
| 10 | followed by Council. So I'm unclear as to what the |
| 11 | role of the RTAB would play in internal operation of |
| 12 | the Council by in terms of a vote by which something |
| 13 | passes. |
| 14 | MR. BRANCH: Well, everything that passes has |
| 15 | to get approved by the RTAB; is that correct? |
| 16 | THE CHAIRPERSON: Yes. |
| 17 | MR. BRANCH: So there's a concern that the |
| 18 | Mayor has no input and it's approved by the RTAB, the |
| 19 | Mayor's being bypassed. |
| 20 | THE CHAIRPERSON: No. I'm sorry. My |
| 21 | question had to do with whether or not the RTAB has any |
| 22 | concern over whether a resolution passes, five to four |
| 23 | or six to three. |
| 24 | MR. BRANCH: No, I don't think the TAB has |
| 25 | that. I think that, you know, as we're looking to |

| 1 | maybe move away from the RIAB, we need to recognize |
|----|--|
| 2 | that the former Governor and the City is not based off |
| 3 | of City Council alone, it should be a working |
| 4 | relationship with City Council and the Administration. |
| 5 | THE CHAIRPERSON: And then the final question |
| 6 | I have on this point which I'll also propose to the |
| 7 | Council President. He is going to proceed at the mic. |
| 8 | Is there a standard internal procedure that indicates |
| 9 | the approval pass for a resolution? |
| L0 | Mr. Finney asked a similar question of the |
| L1 | Council President last month with regards to |
| L2 | resolutions that were in front of us, as to whether or |
| L3 | not, if a signature was missing, whether that was a |
| L4 | procedural issue or if it somehow expressed |
| L5 | disapproval. So is there a policy somewhere that |
| L6 | indicates the pathway a resolution has to proceed |
| L7 | through to be approved before it comes to us? |
| L8 | MR. BRANCH: I'm going to ask the City Clerk |
| L9 | to come on up and address that. |
| 20 | Ms. Inez Brown. |
| 21 | THE CHAIRPERSON: Thank you. |
| 22 | MS. BROWN: I think it's important to note |
| 23 | that Council, under the Charter, has the authorization |
| 24 | to prepare resolutions as well. Resolutions can come |
| 25 | from the Council, which are resolutions from the |

| т | councit, or by the council or by the cierk. And |
|----|---|
| 2 | resolutions will come from the Mayor. |
| 3 | So any resolution by the Council or by the |
| 4 | Clerk would come in the normal normal form, in terms |
| 5 | of appearing on the agenda. It does not procedurally |
| 6 | have to go to the Mayor's office. |
| 7 | From a procedural standpoint, I should |
| 8 | indicate that normally our normal process is that, |
| 9 | when a resolution is developed internally, we've been |
| 10 | sending it to the Legal Department for them to approve |
| 11 | as to form. As to form, because that's what the |
| 12 | Charter indicates, as to form, not as to content. |
| 13 | Now, what's happened recently is that a |
| 14 | fluctuation over the last couple months, the City |
| 15 | Council has made numerous motions from the floor to do |
| 16 | certain things. And, as a result of making a motion |
| 17 | from the floor, that then became a resolution. So, |
| 18 | therefore, the resolution from the floor that would |
| 19 | have occurred on let's say a Monday night then would |
| 20 | have been developed by us the following day from the |
| 21 | form standpoint, and we normally try to get it into the |
| 22 | Legal Department. |
| 23 | Once that occurs on the floor, what happened |
| 24 | on the floor happened, so that makes it legal, a vote |
| 25 | of five people or five or whatever case it would |

| 1 | nave been. And I think that the Legal Department is |
|----|---|
| 2 | concerned and, you know, I disagree with them; they |
| 3 | shouldn't be about a number of resolutions that |
| 4 | we've had that did come from the floor through a motion |
| 5 | that they did not approve it. Okay? But it's an |
| 6 | active effective approval and we have not had the |
| 7 | opportunity to get some of those approvals. |
| 8 | Now, from a historical standpoint, if you go |
| 9 | back to the City records a hundred years ago or 50 |
| 10 | years ago or 10 years ago or 5 years ago, this is |
| 11 | something that has typically happened, whereby if a |
| 12 | motion was made on the floor, we turned it into a |
| 13 | resolution because it was a motion for action, that it |
| 14 | did not go to the Law Department but it did become a |
| 15 | legal document. Right? And this is even before my |
| 16 | arrival here. |
| 17 | But, again, I think it's important to know |
| 18 | that Council has the authority, like the Mayor does, to |
| 19 | develop a resolution. Now, I can count on my hand, one |
| 20 | hand, the number of resolutions that the Council has |
| 21 | done over the last six months or over the last month; |
| 22 | they are very few and far between. They are very few |
| 23 | and far between. And I have offered, just so you all |
| 24 | will know, to sit down with each new member of the |
| | |

Mayor's staff to go through processes, procedures,

| 1 | ordinances, regulations and so forth, just so that |
|----|---|
| 2 | everybody's on the same page. |
| 3 | Because nobody's trying to pick a fight. We |
| 4 | all want to see things done in Flint and so forth. But |
| 5 | what we're doing is following the procedure that has |
| 6 | been normally followed if a motion's made on the floor, |
| 7 | to do something, to treat it as a resolution. |
| 8 | THE CHAIRPERSON: Thank you. |
| 9 | Mr. Ferguson. |
| 10 | MR. FERGUSON: I've got to be heard. Can you |
| 11 | hear? |
| 12 | THE CHAIRPERSON: You got to push this. |
| 13 | MR. FERGUSON: Oh, push the mic. |
| 14 | THE CHAIRPERSON: Push down on the button. |
| 15 | MR. FERGUSON: Every governmental body I've |
| 16 | been aware of, from the Lansing City Council to the |
| 17 | State Governor to the U.S. Congress, that where the |
| 18 | legislative body passes something, it doesn't take |
| 19 | immediate effect, that there's like a week before it |
| 20 | takes immediate effect. And, if it does take effect, |
| 21 | that the President, the Mayor of Lansing, the Governor |
| 22 | can veto it and then it goes back to the Council. And |
| 23 | they, you know, have to override it with certain |
| 24 | two-thirds majority or whatever. |
| 25 | Now if you're saying here in Elint that if |

| 1 | the resolution is passed, that it just happens and |
|----|---|
| 2 | the the Mayor, whoever the Mayor is, really has no |
| 3 | role |
| 4 | MS. BROWN: Well, her role would be one of |
| 5 | veto like Washington or any other place. |
| 6 | MR. FERGUSON: Well, the reason I'm asking |
| 7 | the question |
| 8 | MS. BROWN: Uh-huh, sure. |
| 9 | MR. FERGUSON: Is there a period of time, if |
| 10 | something passes or this Monday, that it if the |
| 11 | Mayor vetoes between that time and the next Council |
| 12 | meeting, it doesn't take effect until the Mayor has X |
| 13 | number of times to veto it? |
| 14 | MS. BROWN: I believe the Charter does |
| 15 | indicate the number of days that she would have to |
| 16 | veto |
| 17 | MR. FERGUSON: Okay. |
| 18 | MS. BROWN: whatever action the Council |
| 19 | would have been taken. |
| 20 | MR. FERGUSON: Okay. Yeah. |
| 21 | MS. BROWN: In that regard, what we attempt |
| 22 | to do is, the very next day, after a Council meeting |
| 23 | and so forth, we're trying to get everything to you all |
| 24 | as well as to the Administration, in terms of whatever |
| 25 | actions Council may have taken. |

| 1 | MR. FERGUSON: I'm asking the question |
|----|--|
| 2 | because the issue the Chief of Staff raised, if |
| 3 | would it be unnecessary if her veto period hasn't |
| 4 | passed? In other words, if something's passed and then |
| 5 | she still has time to veto it, then but now, if the |
| 6 | veto time has passed, then then what he's saying, |
| 7 | you know you know, has effect. Now, has a veto |
| 8 | period how long does the Mayor have to veto |
| 9 | something? |
| 10 | MS. BROWN: It depends on which resolution |
| 11 | you're referring to. If I remember correctly, under |
| 12 | the Charter, I can't remember the number. I think it's |
| 13 | 168 hours or something. |
| 14 | MR. FERGUSON: Well, what's in front of us, |
| 15 | has the veto period passed? |
| 16 | MS. BROWN: For which one; which resolution? |
| 17 | MR. FERGUSON: Which resolution? |
| 18 | THE CHAIRPERSON: Well, the one that |
| 19 | Mr. Branch made reference to, I believe, regarding the |
| 20 | health care benefits was Resolution 136. So we can use |
| 21 | that as an example. |
| 22 | MS. BROWN: Okay. That would have been |
| 23 | that would have passed what, April the 25th? |
| 24 | THE CHAIRPERSON: April 25th, I believe. |
| 25 | MS. BROWN: Yeah, I would have to check the |

| 1 | Charter on that. |
|----|--|
| 2 | MR. FERGUSON: Okay. And then how many days |
| 3 | does the Mayor have to veto something? |
| 4 | MS. BROWN: I believe the Charter indicates X |
| 5 | number of hours. I would have to go back and check the |
| 6 | Charter on that. But, again, we our turnaround time |
| 7 | is timely enough that, once they get it to their |
| 8 | office, it's up to them, they do whatever they want to |
| 9 | do with it in terms of a veto. |
| 10 | MR. FERGUSON: Well, I'm only asking the |
| 11 | question that |
| 12 | MS. BROWN: Uh-huh. |
| 13 | MR. FERGUSON: so, if we pass something |
| 14 | that's inside the Mayor's veto period |
| 15 | MS. BROWN: Uh-huh. |
| 16 | MR. FERGUSON: then it really didn't |
| 17 | happen? |
| 18 | MS. BROWN: Pardon? |
| 19 | MR. FERGUSON: Well, it really doesn't |
| 20 | happen. In other words, we passed something that's |
| 21 | inside the period of time that the Mayor has to veto |
| 22 | it |
| 23 | MS. BROWN: Uh-huh. |
| 24 | MR. FERGUSON: then we really can't I'm |
| 25 | just making certain assumptions of, whatever we do, |

| 1 | that we can't do it because because then it didn't |
|----|---|
| 2 | happen because then it can always be raised, the |
| 3 | question that this happened inside of the time that the |
| 4 | Mayor had to veto something? I'm asking that question. |
| 5 | MS. BROWN: No. That's not what the Charter |
| 6 | indicates. |
| 7 | MR. FERGUSON: How many days is it? |
| 8 | MS. BROWN: I think |
| 9 | Candis? |
| 10 | I don't have the Charter in front of me. |
| 11 | MR. FERGUSON: Okay. |
| 12 | MS. BROWN: But I think it's X number I do |
| 13 | remember clearly 168 hours from the time of passage. |
| 14 | MR. FERGUSON: Hmm? |
| 15 | MS. BROWN: 168 hours from the time of |
| 16 | passage. Once she vetoes it, okay, then the Council |
| 17 | has an opportunity, then, to override the veto, like |
| 18 | they do in Washington. |
| 19 | MR. FERGUSON: Okay. |
| 20 | MS. BROWN: So I don't know if 168 has passed |
| 21 | from April the 25th or not. |
| 22 | UNIDENTIFIED MALE: Seven days. |
| 23 | MR. FERGUSON: Seven days. |
| 24 | THE CHAIRPERSON: So, to illustrate |
| 25 | Mr. Ferguson's question that I believe he was making, |

| 1 | is that, if there is a resolution presently before us |
|----|---|
| 2 | that has not yet been in existence for seven days and |
| 3 | we approve the Council's action, the Mayor still has |
| 4 | the opportunity, within seven days, to veto it. |
| 5 | MS. BROWN: Prior to your approval? |
| 6 | THE CHAIRPERSON: After we approve it, she |
| 7 | would still have within the seven-day period, she |
| 8 | would still have an opportunity to veto it if she |
| 9 | wishes. |
| LO | MS. BROWN: That would be after Council would |
| L1 | have approved it. Of course, the Charter can approve |
| L2 | the RTAB. So my assumption would be that she would |
| L3 | have to veto it 168 hours after the Council approved |
| L4 | it. |
| L5 | THE CHAIRPERSON: What if it came to us |
| L6 | first? |
| L7 | MS. BROWN: Are there resolutions that come |
| L8 | to you all first? |
| L9 | THE CHAIRPERSON: For example, we received a |
| 20 | resolution yesterday |
| 21 | MS. BROWN: Uh-huh. |
| 22 | THE CHAIRPERSON: from the Council on |
| 23 | Monday. So, if we approved that resolution today, does |
| 24 | the Mayor still have the opportunity, if she wishes, to |
| 25 | veto it? |

| 1 | MS. BROWN: She still it's still within |
|----|--|
| 2 | the 168-hour timeframe. |
| 3 | THE CHAIRPERSON: Okay. Thank you. |
| 4 | MS. BROWN: Okay. |
| 5 | THE CHAIRPERSON: Mr. Finney, do you have |
| 6 | MR. FINNEY: No. |
| 7 | MR. TOWNSEND: I have a question. |
| 8 | MS. BROWN: Sure. |
| 9 | THE CHAIRPERSON: Mr. Townsend. |
| 10 | MR. TOWNSEND: In reference to the Charter, I |
| 11 | know that there are other signatures besides the Mayor |
| 12 | on top, there are Legal, the Finance. Are those |
| 13 | resolutions that are created in a Council meeting, do |
| 14 | they then turn around and seek those designations or |
| 15 | those signatures? |
| 16 | MS. BROWN: If there is a financial aspect |
| 17 | involved, no. And most of the resolutions that I think |
| 18 | that are in your packages now would not have to be. |
| 19 | To do with money, necessarily, that, Council |
| 20 | would have done except the one that he's referring to |
| 21 | on the healthcare situation. |
| 22 | THE CHAIRPERSON: Mr. Finney? |
| 23 | MR. FINNEY: Actually, I have a question for |
| 24 | the Council President if he's here |
| 25 | MS. BROWN: Thank you. |

| 1 | MR. FINNEY: and for the Mayor. It's a |
|----|---|
| 2 | simple question. I guess I'm curious what steps you're |
| 3 | taking to bridge the communications and challenges that |
| 4 | are being described here. So I would just ask both |
| 5 | Administration and Council to speak to that. |
| 6 | MAYOR WEAVER: Thank you. Actually, we have |
| 7 | set up I think it's twice a month that we have been |
| 8 | trying to have meetings. That has not worked out every |
| 9 | single time but we did I reached out and asked that |
| 10 | we could have meetings every other week. |
| 11 | Now, you asked me when is the last time we |
| 12 | had a meeting. I would say probably about a month ago. |
| 13 | But that's something that I've asked for and I would |
| 14 | like that to continue. |
| 15 | THE CHAIRPERSON: Thank you. |
| 16 | MR. FINNEY: So I suggest, as a follow-up |
| 17 | so is that adequate? |
| 18 | MAYOR WEAVER: Maybe if they occurred |
| 19 | regularly. Since they have not been regular, that's my |
| 20 | concern. |
| 21 | THE CHAIRPERSON: I think it would be a |
| 22 | reference of the RTAB to only deal with resolutions for |
| 23 | proposed ordinance amendments and so forth that have |
| 24 | fully been vetted internally to the City first. |
| 25 | COUNCILMAN MAYS: Right. |

| 1 | THE CHAIRPERSON. WE'TE HOL IN THE POSITION |
|----|---|
| 2 | of describing what that process is. We're not in the |
| 3 | business of deciding whether or not something has to |
| 4 | pass by five votes or more, nor what the approval |
| 5 | pathway is, only that whatever approval pathway exists |
| 6 | ought to be followed. |
| 7 | Now, it may require Treasury Staff talking to |
| 8 | City Staff to figure out how we coordinate that, given |
| 9 | the fact that Council meets, I believe, twice a month, |
| 10 | we meet once a month. So we typically, at a given |
| 11 | meeting, will dispose of issues that have been |
| 12 | addressed by Council the prior two meetings. |
| 13 | We make exceptions. As I mentioned, we did |
| 14 | have a resolution was adopted just two evenings ago by |
| 15 | the Council. But it seems to be, I would think, |
| 16 | premature for us to be passing judgment on resolutions |
| 17 | that have not sort of fully followed whatever path is |
| 18 | necessary within the City, including an opportunity for |
| 19 | the Mayor to either approve or to veto resolutions. |
| 20 | Mr. Finney? |
| 21 | MR. FINNEY: Yeah. Mr. Chair, I would just |
| 22 | ask for a point of clarification. So, at each meeting |
| 23 | that I've attended, I've made it a point where, looking |
| 24 | at documents, there wasn't both signatures with respect |
| 25 | to substance and form of asking if, in fact, the |

| 1 | Administration or the Council had, in fact, bought off |
|----|---|
| 2 | on it. And that's a process that I intend to continue |
| 3 | because for precisely this reason. I want to make sure |
| 4 | that everything that comes before us has, in fact, been |
| 5 | fully vetted. And it's okay if there's differences of |
| 6 | opinion because this is a forum for those differences |
| 7 | of opinion to be shared. And we then have, obviously, |
| 8 | an obligation to act. But, as a minimum, I want to |
| 9 | make sure that, in fact, both parties have had a chance |
| 10 | to weigh in. |
| 11 | And I think it's been consistently "yes", so |
| 12 | far. So that's the good news, is that everything |
| 13 | that's come before us, when the question has been |
| 14 | asked, the answer has been "yes". So, unless we have |
| 15 | something different today, thank you. |
| 16 | THE CHAIRPERSON: Yes, Madam Clerk? |
| 17 | MS. BROWN: I think that it's appropriate |
| 18 | that I attempt to clarify one of the the resolution |
| 19 | that you mentioned that was passed the other night. |
| 20 | And, in that regard, that particular resolution had |
| 21 | been cleared earlier by the previous City Attorney. |
| 22 | What happened is, because we had to change a date, I |
| 23 | think the original date was on the 25th of April, we |
| 24 | had to change it to May the 9th. We attempted to reach |
| 25 | the department that put the resolution together to get |

| 1 | them to do another resolution. |
|----|---|
| 2 | MR. FINNEY: Which one are you talking about? |
| 3 | MS. BROWN: The one that with the Capitol |
| 4 | Theatre, I believe. Okay? So, because it had already |
| 5 | been signed off as to form by the previous City |
| 6 | acting City Attorney and because there was a timeframe |
| 7 | involved and we could not contact the department to get |
| 8 | everything done in a timely fashion for it to be on the |
| 9 | agenda, we then proceeded to put it to forum ourselves |
| 10 | so that it would appear, you know, on the Council |
| 11 | agenda. Okay? |
| 12 | Now, in that regard, there may have been one |
| 13 | typographical error on there made, "amend" instead of |
| 14 | "made". And, if you go through a lot of an agendas |
| 15 | that we've had and a lot of resolutions that we've had, |
| 16 | even before my arrival, there are typographical errors. |
| 17 | But the meaning, quite frankly, of the document did not |
| 18 | change. |
| 19 | But we did attempt to make contact. We were |
| 20 | unable to get a call back in a timely fashion so we had |
| 21 | to proceed with what we did because it had been delayed |
| 22 | and so forth. Now, we could have whited out the |
| 23 | previous date but then it would have looked as though |
| 24 | we have doctored a document. Okay? |
| 25 | Thank you. |

| 1 | THE CHAIRPERSON: Thank you. |
|----|---|
| 2 | Madam Mayor? |
| 3 | MAYOR WEAVER: I know our attorney has |
| 4 | something she wants to talk about where she has some |
| 5 | concern and I do want to say I'm not here to dispute |
| 6 | the Capitol Theatre resolution. In fact, I want to say |
| 7 | that I do appreciate that. I had a conversation with |
| 8 | Mr. Herman last night and this morning, as we talked |
| 9 | about that issue. And so I was completely on board |
| 10 | with that one. So I wanted to let you know. |
| 11 | THE CHAIRPERSON: Okay. Thank you. |
| 12 | MS. OAKES: And I'm just addressing, from the |
| 13 | legal standpoint, since it has been stated that Legal |
| 14 | has had an issue with this, when resolutions are |
| 15 | introduced from a floor or from a committee as a whole |
| 16 | and Legal has not seen those resolutions, we cannot |
| 17 | adequately speak to the content or what the resolution |
| 18 | is attempting to do. |
| 19 | As the Clerk has indicated, the one for the |
| 20 | Capitol Theatre, Legal, at least since I've been in the |
| 21 | position, since the 28th of March, had not seen that |
| 22 | particular resolution. And the night, this past |
| 23 | Monday, when it was presented, there was a |
| 24 | typographical error that was brought to our attention |
| 25 | to correct and it bared my signature block and I had |

| 1 | not seen that resolution either. |
|----|---|
| 2 | So, ultimately, it's not so much the |
| 3 | substance, the Capitol Theatre resolution, as the Mayor |
| 4 | has just indicated, it's the process that I believe |
| 5 | we're trying to get addressed so that we will, in fact, |
| 6 | know what's the contents of the resolution. |
| 7 | And, as we speak to process, I received an |
| 8 | e-mail today, it was directed to the City Administrator |
| 9 | but it also requested several department heads produce |
| 10 | several documents. In my case in particular, it |
| 11 | requested legal documents from Legal on an employee |
| 12 | or an individual's employment status. That would be an |
| 13 | HR concern. |
| 14 | But, more so than that, it has been requested |
| 15 | from Legal that we use the process of the Clerk's |
| 16 | office for a referral to Legal so we'll know exactly |
| 17 | what is being requested. When we receive requests from |
| 18 | individual Council members, from individuals within the |
| 19 | Administration, without having a referral process, then |
| 20 | we're put in a position to have to prioritize what |
| 21 | we'll be responding to. And, as you know, with the |
| 22 | water crisis, we have plenty of legal issues to respond |
| 23 | to. |
| 24 | So I would just respectfully request that, if |
| 25 | this body is considering to address the process, |

| 1 | whether it be for resolutions or for referrals, as it |
|----|--|
| 2 | relates to the Mayor and City Council, the Legal |
| 3 | Department will respectfully request that the referral |
| 4 | process through the Clerk's office is used to |
| 5 | communicate with the Legal Department and not random |
| 6 | e-mails with requests. Thank you. |
| 7 | THE CHAIRPERSON: Thank you. |
| 8 | MR. FERGUSON: The real question that is |
| 9 | before us they have a number of issues. But what |
| 10 | the Mayor said just said, though, the resolution was |
| 11 | passed Monday, that she and the Council President are |
| 12 | in agreement on, so basically that means the veto |
| 13 | period |
| 14 | MR. FINNEY: You're talking about |
| 15 | MR. FERGUSON: is an |
| 16 | MR. FINNEY: 160138 |
| 17 | MR. FERGUSON: academic issue. Huh? |
| 18 | MR. FINNEY: You're talking about 160138.1? |
| 19 | MR. FERGUSON: Huh? |
| 20 | MR. FINNEY: The resolution we're talking |
| 21 | about, so that we are clear, it's 160138.1? |
| 22 | THE CHAIRPERSON: That's correct, yes. |
| 23 | MR. FERGUSON: That's the number? |
| 24 | THE CHAIRPERSON: Yes. |
| 25 | MR. FERGUSON: Okay. But it is the theatre, |
| | |

| 1 | though? |
|----|---|
| 2 | THE CHAIRPERSON: Yes. |
| 3 | MR. FERGUSON: Okay. Well, they came |
| 4 | they're to an agreement before that, which then makes |
| 5 | the veto issue not an issue before this body today. |
| 6 | 0kay? |
| 7 | So the only question that I have, since |
| 8 | that's the major issue we have in front of us and the |
| 9 | other issues, that, if the veto period has already |
| 10 | passed, then it can be forced. What I don't want us to |
| 11 | ever do, have before us, is any resolution that's |
| 12 | inside the veto period to where the Mayor's office has |
| 13 | not had the opportunity, you know, to to comment on |
| 14 | it or to even veto it. |
| 15 | You know, so I don't want to pass something |
| 16 | that's inside that time unless the Mayor's office has |
| 17 | signaled that they're fine with it. Because then, if |
| 18 | we even do that, then it wouldn't mean anything anyway, |
| 19 | because then it puts us passing something that she |
| 20 | still has the right to veto, as opposed to it actually |
| 21 | being in effect. |
| 22 | And so, on this one here, we can do that |
| 23 | because she signed off on that. But so, is there |
| 24 | any other issue you have? |
| 25 | There's nothing also like that today is |

| 1 | there? |
|----|--|
| 2 | THE CHAIRPERSON: Not with respect to that |
| 3 | issue. |
| 4 | MR. FERGUSON: Oh. |
| 5 | THE CHAIRPERSON: Because the veto period |
| 6 | would have passed on the other sets of resolutions. So |
| 7 | it's a it's a prospective problem, if at all. I do |
| 8 | want to clarify, in regards to the closing comments by |
| 9 | the Chief Legal Officer, the RTAB is not going to |
| 10 | concern itself with the process. The process is to be |
| 11 | worked out by elected administrative officials for the |
| 12 | City and not and not the RTAB. We do expect |
| 13 | whatever the process is to be followed. But we have no |
| 14 | intention of dictating what the process should be. |
| 15 | We are still on III A. I want to offer the |
| 16 | Council President an opportunity, as a regular part of |
| 17 | the agenda, to offer any comments you might have. |
| 18 | MR. NELSON: Good afternoon. Certainly it is |
| 19 | our desire to work with Administration. It's our |
| 20 | desire to do the business for the people of the City. |
| 21 | And, certainly, if we don't agree, there is a process |
| 22 | in place. And we respect the Mayor to either veto it |
| 23 | or accept it. We would not go straight to, you know, |
| 24 | delay any resolution here and make sure they get them |
| 25 | on a timely basis to her. |

| 1 | My only concern is that it's a two-way |
|----|---|
| 2 | street. And, saying that, I am working. And I am |
| 3 | delighted to work with the Mayor. And I told her, when |
| 4 | she was elected, "I'm not here to fight you." That |
| 5 | does not mean that you will get everything you want but |
| 6 | I'm not here to fight you. There's too much to be done |
| 7 | in this City to be fighting." |
| 8 | What I am saying, as a legislative body, we |
| 9 | have a responsibility. The Executive Branch has one |
| 10 | and we have one. I respect the Executive Branch and I |
| 11 | want that same treatment for the legislative body. I |
| 12 | I'm not here to pick any fights today. I'm simply |
| 13 | saying that I am a team player but I want my team to be |
| 14 | respected. And we will do the other respect the |
| 15 | other players of the team. I say that in Council |
| 16 | meetings every time we have one. It's about respect. |
| 17 | Just because you don't see it your way, you don't have |
| 18 | the floor, that doesn't give you the right to dominate |
| 19 | or take your turn out. If somebody else has the floor, |
| 20 | you respect them. And, when they finish, it will be |
| 21 | your turn. On this matter, that's all I have to say. |
| 22 | Thank you. |
| 23 | THE CHAIRPERSON: Thank you. |
| 24 | The next item of business is the approval of |
| 25 | Resolutions and Ordinances. We'll start with City |

| 1 | Council meeting April 4th, Resolution, I believe, 93 |
|----|---|
| 2 | (sic) which was the acceptance of the 2016/'17 proposed |
| 3 | budget. Is there a motion that that be approved? |
| 4 | MR. FERGUSON: So move. |
| 5 | THE CHAIRPERSON: Is there support? |
| 6 | MR. TOWNSEND: Support. |
| 7 | THE CHAIRPERSON: Is there any discussion? |
| 8 | If not, those in favor please say "aye". |
| 9 | THE BOARD: Aye. |
| 10 | THE CHAIRPERSON: Opposed? |
| 11 | Motion is adopted. |
| 12 | Next would be Resolutions from the Regular |
| 13 | City Council meeting of April 11th. They are |
| 14 | Resolutions 55, 103 and 105. They're Attachment Number |
| 15 | 3. Is there a motion that those resolutions be |
| 16 | approved? |
| 17 | MR. FERGUSON: So move. |
| 18 | THE CHAIRPERSON: Is there support? |
| 19 | MR. TOWNSEND: Support. |
| 20 | THE CHAIRPERSON: A motion is made and |
| 21 | seconded. Any discussion? |
| 22 | If not, those in favor please say "aye". |
| 23 | THE BOARD: Aye. |
| 24 | MR. FINNEY: Opposed? |
| 25 | Motion is adopted. |

| 1 | We have, also, Resolution 106, which is a |
|----|--|
| 2 | proposed change to the spending approval limit. I will |
| 3 | ask the Council President to come up and address this |
| 4 | issue. |
| 5 | As I understand it, under the current |
| 6 | purchasing ordinance, the approval architecture now is |
| 7 | as follows: If it's under \$20,000 it's approved by the |
| 8 | Purchasing Director; if it's over 20,000, the |
| 9 | Purchasing Director and the Finance Director; if it's |
| 10 | over \$30,000, it's the Purchasing and Finance |
| 11 | Director's as well as the City Administrator; if it's |
| 12 | over \$50,000, it's those individuals plus the Mayor's |
| 13 | approval; and if it's over \$75,000, it's all the |
| 14 | previous individuals, Purchasing, Finance, City |
| 15 | Administrator, Mayor and then the City Council is |
| 16 | added. |
| 17 | If I understand the proposed change by the |
| 18 | City Council, it would be to have the Council be |
| 19 | involved at anything over \$25,000 and Council President |
| 20 | and Vice President if the amount is over 10,000 to |
| 21 | \$25,000. |
| 22 | Have I stated that correctly, Mr. President? |
| 23 | MR. NELSON: You have. |
| 24 | This is a resolution before Order Number 20 |
| 25 | was in place or Order Number 3. Any purchasing over |

| 1 | 2,000 had to come by the City Council. We're not |
|----|---|
| 2 | saying that we want to go back there. What we're |
| 3 | simply saying is, along with the Mayor and the City |
| 4 | Administrator and if it's 10- to 25,000 myself and my |
| 5 | Vice President must sign it. Anything over 25,000 in |
| 6 | one set would go to the whole Council. If we're going |
| 7 | to go back to close as we can to home rule, we're |
| 8 | trying to get rid of of the way the Emergency |
| 9 | Manager had left things on record. |
| 10 | This Governor has expressed that he is |
| 11 | willing to take us back to as close as we can to home |
| 12 | rule and the Mayor has said that. And I want to give |
| 13 | you a letter from the Governor, and you can pass that, |
| 14 | stating that he wants this Council to go back to home |
| 15 | rule as close as possible. |
| 16 | And, while I'm here, I would like to say that |
| 17 | I think that's a partnership. We're not excluding |
| 18 | anybody, we're taking all of us from 10- to 25,000, and |
| 19 | anything over that, the whole Council must be involved. |
| 20 | I think it's time in this Counsel and I and some of |
| 21 | my colleagues, most of them agree that we need to have |
| 22 | our powers to go back closest to home rule as we can. |
| 23 | We understand the RTAB would be in place and we respect |
| 24 | that. |
| | |

THE CHAIRPERSON: This particular item is an

| 1 | ordinance which Emergency Manager Ambrose rewrote |
|----|---|
| 2 | MR. NELSON: Uh-huh. |
| 3 | THE CHAIRPERSON: on, it appears here, |
| 4 | May 1st of 2015 actually, that's the date that it |
| 5 | took effect. I guess it was adopted on April the 10th |
| 6 | of 2015. Is there any reason that the Council would |
| 7 | not have put forth a proposed ordinance amendment as |
| 8 | opposed to a resolution? |
| 9 | MR. NELSON: From my understanding and having |
| 10 | the conversation, because Mr. Ambrose wrote it as one |
| 11 | of his last orders, that this is the process that we |
| 12 | had to take. |
| 13 | THE CHAIRPERSON: Okay. I believe I think |
| 14 | we've talked about this internally that the most |
| 15 | appropriate vehicle would be a proposed amendment to |
| 16 | the ordinance. You're correct that Mr. Ambrose did |
| 17 | adopt this. He did not do so, however, by EM order. |
| 18 | So we're not aware of any impediment that |
| 19 | MR. NELSON: Okay. |
| 20 | THE CHAIRPERSON: would prohibit the City |
| 21 | Council from proposing to us as a change in the |
| 22 | ordinance. So, if you're agreeable to that, we would |
| 23 | defer action on this until the Council has the |
| 24 | opportunity to go back and present this to us in the |
| 25 | most appropriate forum. |

| 1 | MR. NELSON: That's fine. That's good. |
|----|---|
| 2 | THE CHAIRPERSON: So, if there is no |
| 3 | objection, we'll table this. |
| 4 | MR. FINNEY: This is Resolution 106, correct? |
| 5 | THE CHAIRPERSON: This is Resolution yes. |
| 6 | I'm sorry. This is this is Resolution 106 from |
| 7 | April 11th. |
| 8 | Thank you. |
| 9 | MR. NELSON: Thank you. |
| 10 | THE CHAIRPERSON: That takes us to Item 2b, |
| 11 | the Council motion to establish an advisory taskforce. |
| 12 | It was not clear to us what that was. It was also not |
| 13 | clear to us how it was done since it's not a |
| 14 | resolution, it's a Council motion. |
| 15 | So could someone speak to that particular |
| 16 | item so we know what we're dealing with? |
| 17 | MR. NELSON: The taskforce is made up of one |
| 18 | person from each ward and four additional persons. |
| 19 | This committee would be a taskforce of the Council. |
| 20 | They would concentrate on the water crisis, the effect |
| 21 | it has had through many avenues in our City, and they |
| 22 | will come back and make a report and recommendations to |
| 23 | the Council. |
| 24 | THE CHAIRPERSON: So, I gather, since there's |
| 25 | no resolution, there's no action for presented to |

| 1 | the RTAB today? |
|----|---|
| 2 | MR. NELSON: I thought it was a resolution. |
| 3 | I know what number is it? |
| 4 | MS. BROWN: It's 152. |
| 5 | MR. NELSON: Here. |
| 6 | THE CHAIRPERSON: I believe it appears in the |
| 7 | minutes in the form of a motion. So we received, I do |
| 8 | not believe, a resolution. |
| 9 | MR. NELSON: Okay. |
| 10 | THE CHAIRPERSON: Since it's not on our |
| 11 | agenda |
| 12 | MR. NELSON: Okay. Okay. |
| 13 | THE CHAIRPERSON: we're going to defer |
| 14 | that until the next meeting. |
| 15 | MR. NELSON: Okay. |
| 16 | THE CHAIRPERSON: In the interest of one of |
| 17 | our members who has to depart shortly, I'm going to ask |
| 18 | that we next take up Resolution 160138.1, which is the |
| 19 | obsolete property rehabilitation application, the |
| 20 | transfer of that. That's the before-mentioned Capitol |
| 21 | Theatre obsolete OPRA exemption. Is there a motion |
| 22 | that that particular resolution be approved? |
| 23 | MR. FERGUSON: So move. |
| 24 | THE CHAIRPERSON: Is there support? |
| 25 | MR. FINNEY: Support. And, Mr. Chairman, I |

| 1 | would like to |
|----|--|
| 2 | THE CHAIRPERSON: Yes? |
| 3 | MR. FINNEY: just ask that the motion be |
| 4 | amended to reflect that this item has come before us, |
| 5 | with support from the Mayor and from the City Council, |
| 6 | recognizing that is within the time period that |
| 7 | otherwise could have been vetoed by the Mayor. |
| 8 | MR. FERGUSON: I support that amendment. |
| 9 | THE CHAIRPERSON: Is there further discussion |
| 10 | upon the motion as amended? |
| 11 | Hearing none, those in favor of the motion |
| 12 | please say "aye". |
| 13 | THE JURORS: Aye. |
| 14 | THE CHAIRPERSON: Opposed? |
| 15 | The motion is adopted. |
| 16 | MR. FERGUSON: I have to be in Columbus at |
| 17 | 4:00 so thank you. |
| 18 | THE CHAIRPERSON: Drive safely. |
| 19 | (Board Member Ferguson left the meeting.) |
| 20 | THE CHAIRPERSON: We will go next to the |
| 21 | Resolutions from the Regular City Council meeting of |
| 22 | April 25th. Those are Resolutions 46.2, 46.3, 99, 101, |
| 23 | 102, 104, 108, 132 through 135 and 138. |
| 24 | Just for my own edification, can someone from |
| 25 | the Council, Council President, explain to me the |

| 1 | decimal point methodology for some of your resolutions? |
|----|---|
| 2 | MS. BROWN: The decimal point could either |
| 3 | mean it's connected to the original resolution without |
| 4 | the decimal point or may have been an amendment to that |
| 5 | previous resolution. |
| 6 | THE CHAIRPERSON: Thank you. |
| 7 | MS. BROWN: Uh-huh. |
| 8 | THE CHAIRPERSON: Is there a motion that the |
| 9 | aforementioned resolutions be approved? |
| LO | MR. FINNEY: I move. |
| L1 | MR. TOWNSEND: Support. |
| L2 | THE CHAIRPERSON: A motion's been made and |
| L3 | seconded. Is there discussion? |
| L4 | Hearing none, those in favor of the motion |
| L5 | please say "aye". |
| L6 | THE JURORS: Aye. |
| L7 | THE CHAIRPERSON: Opposed? |
| L8 | The motion is adopted. |
| L9 | We have next Resolution 136. This has to do |
| 20 | with the healthcare benefits of surviving spouses of |
| 21 | firefighters or police officers. One of the questions |
| 22 | I believe we had was with regards to the financial |
| 23 | impact. And I'm going to ask Council President or |
| 24 | Councilmember Kincaid to speak to that issue so we can |
| 25 | have it on the record, please. |

| Τ | MR. KINCAID. IIIAIIK YOU, MI. CHAITMAH AND THE |
|----|---|
| 2 | RTAB. This is this resolution was presented by me. |
| 3 | It was an issue that I had back when the Emergency |
| 4 | Manager instituted the policy for retirees to pay for |
| 5 | their healthcare in the City of Flint. And, when they |
| 6 | did that, they included spouses and dependents of |
| 7 | police officers and firefighters that have died in the |
| 8 | line of duty. |
| 9 | And I've had numerous conversations with the |
| L0 | Emergency Manager, Ms. Henderson, Jerry Ambrose when he |
| L1 | was the Finance Director prior to becoming an emergency |
| L2 | manager. And then we ended up going through that |
| L3 | process and there were some delays in that process |
| L4 | because the Emergency Manager was looking at some |
| L5 | contracts and wanted to implement some new contracts on |
| L6 | police officers and firefighters. So at first I kind |
| L7 | of took a back seat to that. |
| L8 | And, during the process, like October, |
| L9 | November, December, I had a lot of conversations with |
| 20 | Ms. Henderson and Ms. Lundquist. We wanted to vet this |
| 21 | process to find out what the cost of this was going to |
| 22 | be for the City of Flint both short-term and long-term. |
| 23 | And I felt that it was very important that |
| 24 | the City change that policy so that spouses and |
| 25 | dependents of police officers or firefighters that have |

| 1 | died in the line of duty would not have to be |
|----|--|
| 2 | responsible to pay for their healthcare. If their |
| 3 | spouses were working, they wouldn't be in that |
| 4 | situation. And, by having their spouses be deceased, |
| 5 | that also reduced their pensions. |
| 6 | So I introduced the resolution. We vetted |
| 7 | that resolution. There is one eligible family that's |
| 8 | eligible for the benefits of this resolution. And, |
| 9 | hopefully, in the future, we wouldn't have anyone else |
| 10 | be a beneficiary of a change in this policy and that |
| 11 | the cost to the City for implementing this policy |
| 12 | change would be 25 right around \$2,500. |
| 13 | And there is only one, like I said, eligible |
| 14 | dependent that is now eligible for this change in the |
| 15 | policy if the RTAB were to approve this resolution. |
| 16 | And, if you have any questions, I'd be more than happy |
| 17 | to try to answer them for you. |
| 18 | MR. TOWNSEND: Council Member, you said |
| 19 | \$2,500. Is that monthly, annually? |
| 20 | MR. KINCAID: That's annually. |
| 21 | MR. TOWNSEND: Okay. |
| 22 | MR. KINCAID: That's an annual cost of |
| 23 | \$2,500. |
| 24 | And the it's one police officer's wife |
| 25 | that is eligible that died in the line of duty |

| 1 | THE CHAIRPERSON: Thank you. |
|----|---|
| 2 | MR. KINCAID: that is eligible. |
| 3 | THE CHAIRPERSON: Thank you, Councilman. |
| 4 | MR. KINCAID: Any other questions? |
| 5 | Thank you. |
| 6 | MR. FINNEY: I do have one other question. |
| 7 | So, in this case, are there any eligible dependents |
| 8 | beyond the wife and children? |
| 9 | MR. KINCAID: I'm sorry? |
| 10 | MR. FINNEY: Are there any other eligible |
| 11 | dependents besides the spouse? |
| 12 | MR. KINCAID: Not not at this time, no. |
| 13 | No, the dependents have attained the age where they |
| 14 | would no longer be eligible, is my understanding. |
| 15 | 0kay? |
| 16 | Thank you. |
| 17 | THE CHAIRPERSON: Is there a motion to |
| 18 | approve Resolution 136? |
| 19 | MR. TOWNSEND: I'd like to hear from |
| 20 | Administration in reference to this, please. |
| 21 | MR. BRANCH: On behalf of the Administration |
| 22 | I just want to first say that we are not opposed to |
| 23 | this but we still need to look at the total financial |
| 24 | impact. I mean, one surviving spouse today could be |
| 25 | ten tomorrow. So \$2,500 could turn into 25,000 or |

| 1 | \$250,000. We fook at the total impact. And, again, |
|----|---|
| 2 | Finance would not buy off on this so I think we need |
| 3 | time to look at this to really ascertain what is the |
| 4 | exposure that we're putting the City into. |
| 5 | THE CHAIRPERSON: I'm just curious to hear |
| 6 | from the Finance Director. |
| 7 | CHIEF JOHNSON: If I may, I would like a |
| 8 | chance to review this because I haven't reviewed this |
| 9 | either. My guess is it was put in place before I got |
| 10 | there. So, if I can get a chance to review what was |
| 11 | actually requested, then I can give my opinion on that. |
| 12 | So, if that makes sense, thank you. |
| 13 | THE CHAIRPERSON: Thank you, Chief. |
| 14 | MR. FINNEY: Just to make sure we have all |
| 15 | the facts right. So I'm looking to the Finance |
| 16 | Director so we have some idea what the cost would be |
| 17 | for this. You know, 2,500 sounds low but I'm just |
| 18 | curious what you've looked at to come up with the |
| 19 | number, the cost? |
| 20 | MS. LUNDQUIST: I think, in response to that |
| 21 | inquiry, the current cost to the City is only the |
| 22 | monthly premium. So, prior to any change that would be |
| 23 | made absorbing, then, that monthly premium, the spouse |
| 24 | and eligible dependents is responsible for a monthly |
| 25 | premium consistent with our current retiree healthcare |

| 1 | coverage. So the additional cost would only be that |
|----|--|
| 2 | monthly premium that that spouse or their eligible |
| 3 | dependents is responsible for. |
| 4 | For instance, out-of-pocket, the City itself, |
| 5 | in short, is already absorbing the other costs beyond |
| 6 | that monthly premium. |
| 7 | THE CHAIRPERSON: Gentlemen? |
| 8 | MR. FINNEY: Mr. Chair, my preference would |
| 9 | be to table this item and to defer it back to the |
| 10 | Council and the Administration, since the |
| 11 | Administration is asking for an opportunity to review, |
| 12 | and just bring it back at our next meeting for |
| 13 | consideration. |
| 14 | You know, there is a a financial |
| 15 | implication and I would like to have just a concurrent |
| 16 | understanding from the Administration and from the |
| 17 | Council of this item. |
| 18 | THE CHAIRPERSON: A motion is made to table. |
| 19 | Is there support? |
| 20 | MR. TOWNSEND: Support. |
| 21 | THE CHAIRPERSON: Without objection, that |
| 22 | item is deferred until our next meeting. |
| 23 | The next item is proposed change to Emergency |
| 24 | Manager Order Number 3 of 2015. |
| 25 | Council President? |

| - 4 | - |

MR. NELSON: Yes. The letter that I gave you 1 is to move that Order Number 3 stay in place but be 2 3 repealed on those spaces that indicate it on there. Anything that is stating that the City Administrator 4 5 has authority over the City Council, we have asked that it be repealed. Things such as reporting to the RTAB 6 7 financial reports and that type of thing is still in 8 place. 9 But, if we're going to get back to home rule, 10 then we must have Order Number 3 repealed. Just as the 11 Mayor had asked when she entered office, we're asking now -- and the Governor did write the letter and he's 12 on the same page. We're asking the RTAB to consider 13 14 this today. There is nothing that we're asking for that's extra. All we're asking for is that -- what it 15 was profiled for, Ms. Henderson, she is no more. She's 16 gone and so it's time for us to move on and do as we 17 were elected to do. 18 Those at -- such as reports and attending 19 20 meetings and all of that is still in place. Just where

jurisdiction comes in, where we have to ask even for subpoena power, all that is being asked to be repealed so we can do what we're elected to do.

THE CHAIRPERSON: We've reviewed the proposed changes and I do have several questions.

| 1 | The first category of questions have to do |
|----|---|
| 2 | with, as I look at items that would be deleted, |
| 3 | Paragraph 6 says and these are current duties of the |
| 4 | City Administrator. "Translate executive decisions and |
| 5 | policies of the Mayor into administrative procedures, |
| 6 | for the cost effective and efficient operation of the |
| 7 | City. |
| 8 | Paragraph 7, Implement legislative actions of |
| 9 | the Council." |
| 10 | Paragraph 22 is another example, "Negotiate |
| 11 | all collective bargaining agreements on behalf of the |
| 12 | City." But the question that I have with respect to |
| 13 | these items is that, if they're deleted, is it the |
| 14 | Council's understanding that someone else would perform |
| 15 | those duties or would they not be performed at all? |
| 16 | MR. NELSON: I'm thinking that maybe, when we |
| 17 | got to that, there was something that we need to change |
| 18 | because we want the City Administrator to have powers |
| 19 | to negotiate day-to-day functions of the City. Just |
| 20 | when it came to oversee, oversight of us, that we ask |
| 21 | to be to repeal. So that may have been taken out by |
| 22 | accident. |
| 23 | THE CHAIRPERSON: Only the one on collective |
| 24 | bargaining? |
| 25 | MR. NELSON: Yes. |

| 1 | THE CHAIRPERSON: Or the other one as well? |
|------------|---|
| 2 | MR. NELSON: The two that you stated. |
| 3 | Because that's in his responsibility, even in the |
| 4 | Charter. So we want the Charter to stand. |
| 5 | THE CHAIRPERSON: So would it be the |
| 6 | preference of the Council, then, to perhaps refine |
| 7 | MR. NELSON: We can. We can do that; redo |
| 8 | it. |
| 9 | THE CHAIRPERSON: this and re-present it? |
| L0 | MR. NELSON: Uh-huh. Yeah, we can do that. |
| l 1 | THE CHAIRPERSON: I will ask, then, given the |
| L2 | Council President's willingness to do that, that we can |
| L3 | have a motion to, in effect, table this issue and have |
| L4 | it brought back to us at a subsequent date. |
| 15 | MR. TOWNSEND: Motion to table it. |
| L6 | MR. FINNEY: Support. |
| L7 | THE CHAIRPERSON: Is there any discussion? |
| L8 | Without objection |
| L9 | MR. FINNEY: I have well |
| 20 | THE CHAIRPERSON: Did I move too quickly, |
| 21 | Mr. Finney? |
| 22 | MR. FINNEY: Yeah, just a little quick. So |
| 23 | is there a process within the Public Act 436 to provide |
| 24 | analysis of these kinds this is such a wholesale |
| 25 | change. Is there any role that is played by the State |

| 1 | Treasurer in this or no? |
|----|---|
| 2 | THE CHAIRPERSON: The answer is yes. It's |
| 3 | not provided for in 436 but, in our letter of |
| 4 | appointment of April 29th of last year, the Governor |
| 5 | assigned to us an additional task of proposing any |
| 6 | changes or amendments to emergency manager orders. We |
| 7 | have, if you recall, I think, proposed or recommended |
| 8 | recessive changes so far. All those recommended |
| 9 | changes go to the State Treasurer. And so they're |
| 10 | reviewed by him and by Treasury Staff for if he |
| 11 | decides whether or not to approve those. |
| 12 | So there is that particular process in place |
| 13 | to review such changes. |
| 14 | MR. FINNEY: Does that review process take |
| 15 | place prior to these items appearing on the RTAB agenda |
| 16 | or is it after? |
| 17 | THE CHAIRPERSON: Informally, before. But it |
| 18 | also takes place in a more formal way after this. |
| 19 | MR. FINNEY: Okay. Okay. |
| 20 | MR. NELSON: Those changes will be to you |
| 21 | this week. |
| 22 | THE CHAIRPERSON: Because this particular |
| 23 | item that we've just tabled sort of deals with the |
| 24 | overhanging issue of restoration of authority here, in |
| 25 | this case, of the Council, I'd like to ask the |

| 1 | Administration and the Mayor or Mr. Branch, as a |
|----|---|
| 2 | general proposition, does the Administration favor the |
| 3 | restoration of authority to the City Council or no? |
| 4 | MR. BRANCH: I think the Administration |
| 5 | would like to work with the City Council to see what |
| 6 | all they were trying to change in that order. I think |
| 7 | we can come together and work together to find a |
| 8 | resolution. But we want to make sure that we're aware |
| 9 | of what the changes are and we give and take and come |
| 10 | together as a team. |
| 11 | THE CHAIRPERSON: As a general proposition, |
| 12 | would the Administration favor restoration of City |
| 13 | Council authority, whatever the process may be to do |
| 14 | it; would it favor that or would it not favor it? |
| 15 | MAYOR WEAVER: We've always been in favor of |
| 16 | home rule. That's something that we talked about from |
| 17 | the very beginning. So that has never changed. That's |
| 18 | what we've always the only thing we're saying is we |
| 19 | did not see this in here and we have not had a chance |
| 20 | to look at anything. And I'm willing to sit down with |
| 21 | Mr. Branch to try to work together but home rule has |
| 22 | always been |
| 23 | MR. BRANCH: So, with that being said, |
| 24 | Mr. Nelson, the City Council I think we need to find |
| 25 | the time in our schedules and calendars to sit down and |

| 1 | walk with us point by point and make sure we're all in |
|----|--|
| 2 | agreement as to what it is, what it's meant to be and |
| 3 | then come to a resolution of what the impact or |
| 4 | resolution could be. |
| 5 | MR. TOWNSEND: So, if I could ask the |
| 6 | question of Mr. Branch and Mr. Nelson may be able to |
| 7 | speak to it. Councilman Nelson may be able to speak to |
| 8 | us, also. |
| 9 | So what you're saying is there has been no |
| 10 | communication between the Administration and the |
| 11 | Council on this issue? |
| 12 | MR. BRANCH: Not to my knowledge. |
| 13 | MR. NELSON: Mr. Jones has a copy had |
| 14 | received a copy of this and so he has it. Where he has |
| 15 | it, I don't know. But let me say this, if I can and |
| 16 | I appreciate the question of asking the Administration |
| 17 | are they on board. But we're elected to do a job. |
| 18 | And if the Governor has stated on a letter |
| 19 | that he is not opposed and that's where he want us to |
| 20 | be and the Mayor, once she was elected, asked for her |
| 21 | powers and we have worked with her and I'm planning to |
| 22 | continue to work with her, I'm going to fight until I |
| 23 | can't fight no more to get these powers back. |
| 24 | Now, I don't care who like it or who don't. |
| 25 | I was elected by the people. I didn't win by five or |

| 1 | six votes, the people voted. And so they voted and I'm |
|----|---|
| 2 | going to represent the people. Now, I'm asking to work |
| 3 | with anybody. Mr. Jones has a copy. But I hope and |
| 4 | pray that it's not determined on how the Administration |
| 5 | felt. Because when she got her powers, I said, |
| 6 | "Congratulations. Job well done." She deserved it. |
| 7 | The people voted for her. They elected her. |
| 8 | But I pray that it won't go on if the |
| 9 | Administration want us to have it or not. It's enough |
| 10 | phone calls being made trying to stop this process. |
| 11 | And I pray that it won't end up on whether they want it |
| 12 | right now or later. According to the Governor, he's |
| 13 | willing to do it now. |
| 14 | But there was a process that we had to go |
| 15 | through for Order Number 3. Because there's no more |
| 16 | Natasha Henderson, she's gone. That was designed for |
| 17 | her, Order Number 3. We kept in it place because you, |
| 18 | rightfully, as RTAB, have every right to know the |
| 19 | financial situation or impact that it may cause in the |
| 20 | City and we appreciate that. But I'm not giving up |
| 21 | this fight. And I don't care who like it and who |
| 22 | don't, I'm not giving it up. |
| 23 | People elected me and I'm going to serve them |
| 24 | and I should have all we should have as elected |
| 25 | officials, have our powers. I appreciate the Mayor, |

| 1 | she been ready to fight for her powers but I'm not |
|----|--|
| 2 | going to stop fighting for mine. |
| 3 | COUNCILMAN MAYS: Mr. Headen, if I may? |
| 4 | THE CHAIRPERSON: Do you have a question? |
| 5 | COUNCILMAN MAYS: Yeah, of course. I want |
| 6 | power. I don't believe in emergency managers, |
| 7 | Transition Advisory Board. But, when it's a Council |
| 8 | card, I should have seen that letter from the Governor |
| 9 | I should be involved in the review of Order Number 3. |
| LO | As a matter of fact, I put it on the floor at the last |
| 11 | Council meeting. So, on the record, the Council |
| L2 | eight Council persons or seven or five, we're the only |
| L3 | ones elected we are all elected as a Council body. |
| L4 | THE CHAIRPERSON: Councilman, I'm sorry, is |
| L5 | there a question, please? |
| L6 | COUNCILMAN MAYS: My question is I hope that |
| L7 | this postponement doesn't delay the process and I hope |
| L8 | your intent of postponing it, which I seem to agree |
| L9 | with, don't delay the process of us going through a |
| 20 | process together of getting our power back. |
| 21 | So, if you want me to speak in the form of a |
| 22 | question, I did. And, if you want me to stay in order |
| 23 | I will. But I can't sit and let a record be made on |
| 24 | something that I'm not a part of. And so I'll stand |
| 25 | strong in principle and I done marched and did against |

emergency manager laws before some of the people out

| 2 | here were "amen"ing. So my question has been asked. |
|----|---|
| 3 | But I'll wait and follow up on all I've heard today |
| 4 | when you call my name on the slip. But I'm that type |
| 5 | of guy, I just can't sit and listen some time and I |
| 6 | appreciate you not ruling me out of order with this |
| 7 | Chief here. Thank you for your indulgence. |
| 8 | THE CHAIRPERSON: Thank you. Let me just |
| 9 | I'm sorry. |
| 10 | I just want to say, for the record, before we |
| 11 | leave this issue, that I had a recent telephone call |
| 12 | with Council President Nelson, I believe Councilman |
| 13 | Kincaid and Mr. Jones in which I encouraged both |
| 14 | branches to communicate more effectively with each |
| 15 | other. I also make clear that the RTAB is not going to |
| 16 | dictate or attempt to dictate the issues, that public |
| 17 | branches of government are accountable to the residents |
| 18 | of the City and we're not going as a RTAB and I'm |
| 19 | speaking on my own behalf but I'm hoping the other |
| 20 | members of the RTAB would concur we were not going |
| 21 | to be in the business of trying to remediate disputes |
| 22 | at the City Hall. I think the residents would expect |
| 23 | the elected officials to cooperate for their good. We |
| 24 | are here to assist in our role, a financial oversight, |
| 25 | but we're not going to be sort of embroiled in internal |

| 1 | disputes. |

We want the elected officials to work cooperatively together on their own through whatever 3 processes exist. And, when items come to our attention 4 we need to address, we'll certainly do so. The other point that I made to all three gentlemen was the fact 6 7 that the RTAB will restore authority to either or both 8 branches as the RTAB sees fit and thinks it's 9 appropriate. We're not going to, in effect, favor one 10 branch over the other. We're going to try to be a fair 11 and equal arbitrator for both branches of government but not favor one over the other. 12 So do you have a question, Councilman? 13

MR. DAVIS: Yes. Well, since I was up here, I don't want my standing to be in vein because I am an elected official. And may this carry far or may it carry nowhere, I just feel compelled to make a statement about Council being in a position of leadership and doing the things that people has invested in us for us to do.

And I think, by a rule of thumb, coming from the Charter in local government, the legislative body should always be in some form of authority to be able to conduct the City business and one party should not be in authority and another party doesn't have no

| 1 | authority at all. That's not local government. That's |
|----|---|
| 2 | not government at all, to be really honest with you. |
| 3 | Government is when both parties are on the |
| 4 | same page and both parties are moving an agenda for |
| 5 | with the same amount equal opportunity, and same |
| 6 | amount of authority as everybody else. This is not an |
| 7 | extension between two parties or two entities, this is |
| 8 | just something that needs to be brought to the table so |
| 9 | that fairness and just can be brought to the elected |
| 10 | officials in the matter that is brought to the |
| 11 | Administration. It's not a distention. It's not an |
| 12 | argument about who don't get along and who can get |
| 13 | along, it's about doing the right thing based on the |
| 14 | Charter and the government the way the government is |
| 15 | structured and function. |
| 16 | Because it is not moving in a way that |
| 17 | government is structured and function, then you don't |
| 18 | have a government. Half of something is more than |
| 19 | nothing at all. And so we want it all so that we can |
| 20 | function in the matter as elected officials. |
| 21 | And I understood what you just said, I just |
| 22 | didn't want to be standing here in vein because I |
| 23 | represent 12,000 people. And I want the people to know |
| 24 | that I have a voice for them, to what extent it makes |
| 25 | sense, to what extent it resonates. I just wanted to |

bring it to your attention that we understand that we,

| 2 | as a legislative body, want to do things that a |
|----|---|
| 3 | legislative body does. In order to do what a |
| 4 | legislative body does, we have to be in a position, we |
| 5 | can't just be sitting here looking at the people and we |
| 6 | have no recourse. We need for the people to come and |
| 7 | listen to us or people come and we listen to them. It |
| 8 | makes us equal to them, and we are to some extent. |
| 9 | But, if we are for looking to give them help and render |
| 10 | them that which we should be able to render them, we |
| 11 | can't be equal. Thank you. |
| 12 | MR. FINNEY: Mr. Chairman, just one thought. |
| 13 | It was not directed to any speakers in particular. I |
| 14 | would just come back and just just reiterate the |
| 15 | importance of there being a level of communication and |
| 16 | a process for communication that goes beyond what |
| 17 | hasn't worked so far. And again, I'm not criticizing, |
| 18 | I'm saying it's just so obvious to me that there is a |
| 19 | need for a communication process. And so I would just |
| 20 | encourage that because that's going to allow the City |
| 21 | business to move forward so much more effectively. And |
| 22 | I think we've been able to demonstrate that when the |
| 23 | when items come before us that are supported by the |
| 24 | City, meaning both the Administration and the Council. |
| 25 | We are agreeable, we buy off on those, and we have no |

| 1 | reason to do otherwise, in general. |
|----|---|
| 2 | And but it is important, though, to have a |
| 3 | communication process so that this doesn't become a |
| 4 | forum for vetting differences. I just don't I think |
| 5 | it's counterproductive. When you have, you know, all |
| 6 | the time in between our once-a-month meetings to vet |
| 7 | all the challenges that are going on. And I recognize |
| 8 | how challenging it is, given all that the City has gone |
| 9 | through. So don't misunderstand me, it's not a simple |
| LO | thing; I get that. But that first major step of making |
| L1 | a commitment to get together and work together is the |
| L2 | process that I think would be most effective. |
| L3 | THE CHAIRPERSON: Mr. Cline, we seem to have |
| L4 | drifted into public comment. |
| L5 | MR. CLINE: All right. Did you want to |
| L6 | address the budget report? |
| L7 | THE CHAIRPERSON: No. Let's proceed with |
| L8 | public comment. |
| L9 | MR. CLINE: Okay. I'll go on. |
| 20 | Okay. We have a number of individuals today. |
| 21 | So the first one is Jarret, Jarret Haynes. |
| 22 | MR. HAYNES: Thank you. Jarret Haynes |
| 23 | objecting to the regular the Whiting I represent |
| 24 | the Whiting in our City. We just want to extend our |
| 25 | appreciation both to this board, to the Council and the |

| 1 | Administration for their support, not only for the OPRA |
|----|---|
| 2 | transfer but for the entire Capitol Theatre project and |
| 3 | to go on record to say that all of us in this |
| 4 | partnership to bring educational engaging activities |
| 5 | through the arches. And we stand ready, as we always |
| 6 | have, to serve and meet the needs of this community now |
| 7 | and on an extended basis in the future and thank |
| 8 | everybody for their support. Thank you. |
| 9 | THE CHAIRPERSON: Thank you. |
| 10 | MR. CLINE: Sorry. New equipment. |
| 11 | Eric Mays. |
| 12 | COUNCILMAN MAYS: Yeah, Councilman Mays. I |
| 13 | really understand the postponements, the subtle |
| 14 | messages, the communication that has been made and the |
| 15 | business that's been taken care of or not taken care of |
| 16 | by this Receivership Transition Advisory Board. I've |
| 17 | made the record clear. I believe in democracy. I |
| 18 | believe in not I don't believe in emergency |
| 19 | management law. But, when I got elected, I believe I |
| 20 | was coming onto a City Council that believed in |
| 21 | democracy, believed in fairness, fair treatment, doing |
| 22 | due diligence, vetting. |
| 23 | I would love to see a copy of that letter, |
| 24 | first I've heard. If there's a detailed letter from |
| 25 | the Governor, Bear or whoever talking on my behalf, I |

| 1 | want to know about it. If we, as a Council is granting |
|----|---|
| 2 | the get rid of Emergency Manager 3, Natasha Henderson, |
| 3 | I want to know about it before it gets here. |
| 4 | I brought it up in Council meeting and they |
| 5 | hadn't heard a mumbling word. Just the other day, I |
| 6 | looked at the legal aspect of how Natasha Henderson's |
| 7 | order was worded. Because I said, when you look at the |
| 8 | detail, it's gone. Why do I have to read in the |
| 9 | newspaper about a letter signed by every Council member |
| 10 | but one saying Council want to meet with the Mayor, |
| 11 | too, People? It's done got ridiculous. And I'm just |
| 12 | making a record. Because I can't stand to sit in a |
| 13 | meeting on somebody who speaks for the Council and I'm |
| 14 | a part of it. |
| 15 | I can speak for myself, I'm 57 years old and |
| 16 | I ain't for no mess. I know politics well and I |
| 17 | politic with the best of them. I want my colleagues to |
| 18 | know all nonsense must stop. |
| 19 | THE CHAIRPERSON: Thank you, Councilman Mays. |
| 20 | COUNCILMAN MAYS: Is something funny? |
| 21 | MS. GALLOWAY: It is. |
| 22 | MR. CLINE: Kate Fields. |
| 23 | MS. FIELDS: I'm a little short. Good |
| 24 | afternoon, gentlemen. I'm Kate Fields, the 4th Ward |
| 25 | Councilperson and I'm here to really urge you to |

| 1 | restore full powers back to Council. Because what |
|----|---|
| 2 | you've done in your Resolution 2016-1, which literally |
| 3 | only gave the Mayor the power to hire and fire, they |
| 4 | have the Administration is taking this as a full |
| 5 | restoration of that branch of the government. And what |
| 6 | you've done by not restoring some of or all of |
| 7 | Council's power is you've created an inequality in the |
| 8 | check and balance system of our government. |
| 9 | And subsequent events have really pointed out |
| 10 | some examples of problems this is causing. For |
| 11 | example, our financial stability ordinance prepared by |
| 12 | the EFM, all of them are obsolete, and that includes |
| 13 | the purchasing ordinance. And you've suggested that we |
| 14 | review and amend the purchasing ordinance so you'll |
| 15 | table the issue of dismissing authority. |
| 16 | Unfortunately, timeliness is of the essence |
| 17 | because, as Councilperson, I'm being asked, now |
| 18 | especially with the revelation in the media, okay, of |
| 19 | allegations made by Natasha Henderson that Mayor Weaver |
| 20 | has been directing City Staff to direct charity |
| 21 | donations to her personal accounts rather than to a |
| 22 | City or a community foundation fund. Can you imagine |
| 23 | the questions that we're being asked by the public? |
| 24 | So any spending by the City, an amendment of |
| 25 | a purchasing ordinance is a really good idea and has to |

| 1 | be done because all of the language is obsolete because |
|----|---|
| 2 | it refers to what an EFM will do or a city |
| 3 | administrator and I don't believe that you mean to have |
| 4 | the City Administrator hired by Mayor Weaver to have |
| 5 | the same power that was intended as the Administrator |
| 6 | Natasha Henderson. |
| 7 | So there is a timeliness issue and I think |
| 8 | the public deserves to know that there's greater |
| 9 | oversight. There's also problems with multiple-member |
| 10 | boards. Our CBDG allegation, our height participation |
| 11 | plan, which was created by the City, approved by the |
| 12 | City and approved by HUD, says that we have to have |
| 13 | citizen input. Now, this is 4 to \$5 million a year |
| 14 | that's involved. And when the HUD we've been out of |
| 15 | compliance during all of this mess and HUD has given us |
| 16 | leeway because they don't really know how to respond to |
| 17 | the EFM. Somebody's, you know, elected an RTAB board, |
| 18 | whatever. But |
| 19 | THE CHAIRPERSON: You need to conclude. |
| 20 | MS. FIELDS: Okay, I will conclude. |
| 21 | Anyway, this annual block grant needs to be |
| 22 | addressed. There's a timeliness issue. It needs to be |
| 23 | addressed now. And you explain to HUD how Council has |
| 24 | the power, which it did under the Citizen Participation |
| 25 | Plan, to make that decision in the middle of this whole |

| т | regar mess and ranguage mess. 30 r urge you, |
|----|---|
| 2 | timeliness is of an issue and please restore the power |
| 3 | of Council. Thank you. |
| 4 | THE CHAIRPERSON: Thank you. |
| 5 | MR. CLINE: A.C. Dumas. |
| 6 | MR. DUMAS: Good afternoon. My name is |
| 7 | A.C. Dumas and I'm a resident of the City of Flint and |
| 8 | I'm going to take exception to the 4th Ward |
| 9 | Councilperson, Kate Fields brought out what was alleged |
| 10 | in the paper about Mayor Weaver. You know, years ago, |
| 11 | under the Walling Administration, Kate Fields, the FBI |
| 12 | came in the City of Flint, took records and she was a |
| 13 | part of an investigation. So I take exception for her |
| 14 | to throw these darts at Mayor Weaver. |
| 15 | I also want to say about and I've asked |
| 16 | you all this before about the Council meeting. We got |
| 17 | out a little early. We got out maybe 10:30 this time. |
| 18 | But, remember, we only had two items on the agenda and |
| 19 | you know, we got Councilperson Galloway who was in the |
| 20 | meeting. You've got to have a quorum. She got up out |
| 21 | of a meeting, which means we didn't have a quorum. So |
| 22 | that meeting was dismissed, City Council meeting, where |
| 23 | the people came. You had a Councilperson that got up, |
| 24 | some of them left. So one of them got up, we didn't |
| 25 | have a quorum for two two times this Monday Vou |

| 1 | didn't have a quorum so you couldn't you know, they |
|----|---|
| 2 | couldn't continue their business, its agenda. Now |
| 3 | whatever you all do, you do. |
| 4 | Now, they called my name in the community of |
| 5 | a whole room and say they want to investigate me for |
| 6 | allegedly, I guess, Ms. Fields, for, on paper, getting |
| 7 | money. I told the Clerk and I told all the members to |
| 8 | put me under the oath right now, right now. I've never |
| 9 | received one red penny from the City of Flint. Only |
| 10 | thing I get is a tax refund. I usually owe them from |
| 11 | the City of Flint, not close enough, not one red penny. |
| 12 | And for you for the volunteers to come |
| 13 | down here, when you come down for water, volunteers |
| 14 | don't get paid. They don't get paid but they have a |
| 15 | grudge against the Mayor's office and the people that |
| 16 | befriend her. I don't care what they think about me. |
| 17 | I just want that for the record; I have |
| 18 | never, ever received one red penny from the City of |
| 19 | Flint. Thank you. |
| 20 | Wait. I can say that, when I'm doing |
| 21 | demolition under which you're standing, I did have a |
| 22 | City of Flint contract but I did a great job in |
| 23 | demolition. |
| 24 | THE CHAIRPERSON: Thank you. |
| 25 | MR. DUMAS: Ms. Fields, that's for you. |

| 1 | MR. CLINE: Chris Del Morove. |
|----|---|
| 2 | He left. Okay. Monica Galloway. |
| 3 | MS. GALLOWAY: Hello, Gentlemen. |
| 4 | THE CHAIRPERSON: Councilwoman. |
| 5 | MS. GALLOWAY: I just want to share with you, |
| 6 | there is many challenges that are going on with the |
| 7 | Council outside of the Administration. I respect all |
| 8 | of my colleagues but there are times where some |
| 9 | colleagues are very confrontational, they have no |
| 10 | decorum, they're rude, they use profanity. |
| 11 | The meeting in which I respectfully, |
| 12 | before I even left the meeting, I shared as we were |
| 13 | having dialogue as a Council, Councilman Mays often |
| 14 | feels as though he needs to be an adversary to each |
| 15 | comment that a colleague makes. And so he was |
| 16 | operating in that same vein. And so, when I made my |
| 17 | comment, I respectfully said to the Chair, "I recognize |
| 18 | that there are not a lot of our colleagues here. I |
| 19 | recognize that, if I leave the meeting, there will not |
| 20 | be a quorum. But, respectfully, because I think that |
| 21 | this behavior is inappropriate, I am going to remove |
| 22 | myself from the meeting." And so that is why I left |
| 23 | the meeting. |
| 24 | But it is important to know that every agenda |
| 25 | item on our list had been accomplished so we were |

| 1 | totally done. But, once again, Councilman Mays |
|----|--|
| 2 | continues to say, "I got something. I got something." |
| 3 | So, for the record, if you look at that agenda, we had |
| 4 | come to the end of the agenda and were actually about |
| 5 | to adjourn the agenda when I made that statement. So I |
| 6 | just wanted to say, as a Councilperson, I do |
| 7 | respectfully represent the ward that I represent and |
| 8 | the City well. And I just want that to be on the |
| 9 | record as well. Thank you. |
| 10 | THE CHAIRPERSON: Thank you. |
| 11 | MR. CLINE: Arthur Woodson. |
| 12 | MR. WOODSON: How are you doing? I'm not |
| 13 | here to I'm not with cliques and I'm not with a |
| 14 | certain group of people. That's how Flint has been |
| 15 | operating for a long time now. I don't have to agree |
| 16 | with the Mayor. I voted for the Mayor and I don't have |
| 17 | to agree with her if she's right or wrong. |
| 18 | The Mayor didn't come to the City Council and |
| 19 | ask for her powers and ask them to agree or work |
| 20 | with them to get her powers back and you all made the |
| 21 | judgment and gave her her powers back. You ought to do |
| 22 | the same right now. |
| 23 | Dumas coming up here and throwing darts and |
| 24 | saying stuff about what happened and this and that and |
| 25 | Dumas is under investigation right now for voting |

| 1 | fraud. His family voted in Texas and Kentucky. And |
|----|---|
| 2 | how did they vote in Michigan? This is a circus. This |
| 3 | Flint, Michigan right now looks like a circus. That's |
| 4 | what's going on right now. You don't have any checks |
| 5 | and balances. |
| 6 | The Council should have their powers back and |
| 7 | the City Administration shouldn't be writing letters to |
| 8 | the State, saying that they should have their powers |
| 9 | back because that lets the Governor and everyone else |
| 10 | know that they can come in between and make them fight; |
| 11 | that's the problem here. |
| 12 | And you all should have gave them their |
| 13 | powers back. You don't need an amendment. You don't |
| 14 | need a resolution. You can say, "Here's your powers." |
| 15 | Checks and balances. If it's for contracts, |
| 16 | if it's for purchasing, if it's for whatever, you can |
| 17 | give them their powers back. And you should give them |
| 18 | their powers back so that we can have a checks and |
| 19 | balance. |
| 20 | That's just like the President and Republican |
| 21 | Party, they have checks and balances. And that's what |
| 22 | makes the City work and operate. We won't have any |
| 23 | problems with money issues and people spending money |
| 24 | without the City knowing about it. We can keep up with |
| 25 | the money. Thank you very much. |

| 1 | THE CHAIRPERSON: Thank you. |
|----|---|
| 2 | MR. CLINE: Davina Donahue. |
| 3 | MS. DONAHUE: Hello. My name's |
| 4 | Davina Donahue and I am part of Council Staff. I |
| 5 | work I'm sorry, Clerk Staff. I work with the |
| 6 | Council. So, actually, I work for all of them. And I |
| 7 | just wanted to address the resolution process. Again, |
| 8 | I'm just for the process. Everything else, whatever |
| 9 | the content and all that, I don't care, just as long as |
| 10 | it follows the process. |
| 11 | We do have an internal process in place |
| 12 | whereby resolutions generate from departments, they go |
| 13 | to Legal for the whatever forum, then it goes to |
| 14 | Finance, then it goes to the Mayor's office. And then, |
| 15 | from there, it's submitted to the Clerk for the agenda. |
| 16 | So then we get it as staff and we create the |
| 17 | agenda. Sometimes we usually do it on a Friday |
| 18 | before the Council meeting on Monday. Sometimes we |
| 19 | don't always get the resolutions beforehand and Council |
| 20 | wants to do stuff on it. Council votes on it and, ever |
| 21 | if their attorney speaks, if they approve it, if it's a |
| 22 | legal document, the next day, if I can create it, I do |
| 23 | it and send it through. |
| 24 | Right now, because we actually are |
| 25 | everything's going to the RTAB. I do the summary the |

| 1 | next day and any resolution we are now sending to the |
|----|--|
| 2 | RTAB the next day. So usually it only has the |
| 3 | President's signature; that's just because the Council |
| 4 | adopted it. |
| 5 | I do I just one thing I do want to |
| 6 | point out for everybody, saying, you know, it needs |
| 7 | this signature and that signature. During the time |
| 8 | when the manager was here, the manager approved all |
| 9 | resolutions and that was the only signature that was |
| LO | required. |
| L1 | After the Manager left, they started adding |
| L2 | the Council President's signature to Council to |
| L3 | resolutions. Before that, the President never signed |
| L4 | any resolution, it was the Clerk's staff. The Charter |
| L5 | speaks to the Clerk signing all resolutions and |
| L6 | ordinances to have effect. |
| L7 | So, technically, every resolution that you |
| L8 | have adopted isn't official because the Clerk did not |
| L9 | sign or the clerk's staff. |
| 20 | We I used to sign every resolution |
| 21 | approved by Council as long as I've been knowing |
| 22 | Council staff or here. So I just wanted to say, yo |
| 23 | know, we're talking about process and being formal, |
| 24 | we're not following the Charter right now because all |
| 25 | resolutions and ordinances aren't being signed by the |

| 1 | Clerk or staff. I had two minutes. I'll talk next |
|----|---|
| 2 | time. So I just wanted to say that. So yeah. |
| 3 | MR. FERGUSON: Thank you. |
| 4 | MR. FINNEY: Thank you. |
| 5 | MR. CLINE: Last individual is Quincy Murphy. |
| 6 | MR. MURPHY: Good evening. Quincy Murphy and |
| 7 | I'm a Charter Commissioner for the City of Flint. So |
| 8 | all of this information is very informative to me to |
| 9 | help us direct a new City Charter that we'll be asking |
| 10 | for the voters to vote on in a couple years. |
| 11 | Hopefully, by the end of this year we should be done. |
| 12 | But I want to talk about two issues I think |
| 13 | that's important to brought that came to my |
| 14 | attention. Number 3, the resolution no, A, |
| 15 | Resolution 136, health benefits for surviving spouses |
| 16 | of City of Flint police officers and firefighters. I |
| 17 | think it's so very important that you guys support this |
| 18 | resolution to not allow a spouse and her siblings to |
| 19 | get benefits from a someone that worked for the City |
| 20 | that passed away. |
| 21 | Just think if it was one of you all that |
| 22 | passed away and had a wife and she don't have the |
| 23 | opportunity to be to have assistance in this. |
| 24 | That's unfortunate that you guys didn't support this. |
| 25 | Hopefully, this will come back up and you guys will. |

| 1 | My last one is C, proposed changes to EM |
|----|---|
| 2 | Order 3 of 2015. I worked on the City Council for over |
| 3 | 20 years and my comment in participating in the |
| 4 | committees and the Council, the Mayor and the Council |
| 5 | have not always been on the same page when it come to |
| 6 | communication. In some instances, they have. I don't |
| 7 | know the situation with the Mayor downstairs and the |
| 8 | City Council but I hope, if it's not good, it will get |
| 9 | better. But communication should be not be the |
| 10 | driving factor for you guys not to restore the |
| 11 | emergency EM order to give them their power back. |
| 12 | When we, as City Charter looking at the |
| 13 | City Charter, these things right here is not what we're |
| 14 | looking at. So I hope that you guys will reconsider |
| 15 | and give them their power and not based on |
| 16 | communication. Thank you. |
| 17 | THE CHAIRPERSON: Thank you. |
| 18 | Just to clarify with regard to EM Order 3 and |
| 19 | Resolution 136, we merely tabled those issues for |
| 20 | further consideration, they have not been rejected. |
| 21 | MR. WOODSON: So when will you all pick it |
| 22 | back up? |
| 23 | THE CHAIRPERSON: I'm sorry? |
| 24 | MR. WOODSON: When will you all un-table? |
| 25 | THE CHAIRPERSON: It should be the next |

| 1 | meeting. |
|----|---|
| 2 | MR. WOODSON: You can't do it before then? |
| 3 | THE CHAIRPERSON: It depends on when the work |
| 4 | is done. In the case of the resolution, we're looking |
| 5 | for additional financial information. So it's going to |
| 6 | be a function of how quickly that can be provided. |
| 7 | With regards to EM Order Number 3, the |
| 8 | Council has to go back and review that and make further |
| 9 | changes to it. So, if they are if they're done, |
| 10 | certainly, by our next meeting, we'll take it up there. |
| 11 | If it's done more quickly |
| 12 | MR. WOODSON: What if it's done next week, |
| 13 | can you all call a special meeting next week? |
| 14 | THE CHAIRPERSON: We could, if necessary, |
| 15 | yes. |
| 16 | MR. WOODSON: Wow. |
| 17 | THE CHAIRPERSON: It depends on when it's |
| 18 | done. I'm not going to deal with hypotheticals. |
| 19 | MR. WOODSON: Okay. |
| 20 | THE CHAIRPERSON: Mr. Cline, any further |
| 21 | MR. CLINE: No, sir. |
| 22 | THE CHAIRPERSON: I'm going to ask, if |
| 23 | there's no objection, that the budget to actual report |
| 24 | be received |
| 25 | MR. FINNEY: Okay. |

| 1 | THE CHAIRPERSON: without objection. |
|----|---|
| 2 | Is there a motion that we adjourn? |
| 3 | MR. FINNEY: So move. |
| 4 | THE CHAIRPERSON: Is there support? |
| 5 | MR. TOWNSEND: Support. |
| 6 | THE CHAIRPERSON: Without objection, we're |
| 7 | adjourned. |
| 8 | (Meeting was concluded at 3:39 p.m.) |

- 2 Thursday, May 26, 2016
- 3 2:04 p.m.
- THE CHAIRPERSON: The meeting will be in 4
- order, please. Let the record reflect that all four 5
- 6 members of the RTAB are present.
- 7 Next item of business is the approval of the
- 8 agenda. Are there any additions to the agenda?
- 9 If not, is there a motion that the agenda be
- 10 approved?
- 11 MR. FERGUSON: So move.
- 12 MR. FINNEY: Support.
- THE CHAIRPERSON: Support? Without 13
- objection, the agenda is approved. 14
- 15 This is a special meeting so there is no
- unfinished business pending. 16
- New business, Mayor and Council. 17
- Mr. Jones, do you have any items to report on 18
- behalf of the Mayor? 19
- 20 MR. JONES: Sure.
- Good afternoon. I do have a couple items to 21
- 22 share. But before I get into the items that I have, I
- 23 would like to introduce Attorney Kendall Williams who
- will come before you and present on a matter that I 24
- believe is relevant. 25

| 1 | MR. WILLIAMS: Good afternoon. |
|----|---|
| 2 | THE CHAIRPERSON: Good afternoon. Just so |
| 3 | we're clear, I understand this is an informational |
| 4 | item, at this time, only. |
| 5 | MR. JONES: Correct. |
| 6 | MR. WILLIAMS: That is correct. And, for the |
| 7 | record, my name is Kendall Williams. I'm a service |
| 8 | legal Counsel for the City of Flint. I'm here today in |
| 9 | that capacity on behalf of Mayor Karen Weaver and |
| LO | informationally wish to present some information |
| L1 | relative to a pension plan that is in place for several |
| L2 | of the employees, including the Mayor as well as her |
| L3 | appointees. |
| L4 | If I may approach? |
| 15 | THE CHAIRPERSON: Certainly. |
| L6 | MR. WILLIAMS: I have a document to provide. |
| L7 | It occurred to me, as I was coming over |
| L8 | today, that Mr. Ferguson would be here and I would not |
| L9 | have my green and white tie on but my maize and blue |
| 20 | tie. |
| 21 | So, for that, I do apologize, Mr. Ferguson. |
| 22 | But what you have before you is an executive |
| 23 | summary prepared by my office. And it's an issue that |
| 24 | the Mayor, Mayor Weaver, and Chief legal Counsel |
| 25 | requested us to obtain some information on relative to |

| the pension plan that the hybrid pension plan, wh | ich |
|--|-----|
| currently includes or covers the Mayor as well as he | r |
| appointees. | |

And, again, I will -- I'm not going to read this for you. You can read it for yourselves. I couch this as a confidential legal memorandum by virtue of my position as legal Counsel of the City. Again, you serve kind of a different capacity but that's the way I treated it for purposes of our discussion.

But, under the hybrid plan that was put in place, pursuant to Order Number 24, issued by a former emergency manager, Darnell Earley, the hybrid plan covers employees, non-bargaining employees hired after July 1 of 2013. And that particular plan, it's called hybrid because it includes both a defined benefit component as well as a defined contribution component.

The defined benefit component of the plan has a vesting aspect to it, six years, age 60. And then the -- the finalized compensation component and the multiplier. And then the DC multiplied contribution component of that hybrid plan, which is through MERS --I'm sure you know about MERS, the Municipal Employees Retirement System -- allows for a one-time election by employees to contribute and then that's matched by the City for those employees.

| 1 | The maximum, however, the City is exposed to, |
|---|---|
| 2 | in terms of the contribution rate, is ten percent. So |
| 3 | if, by virtue of the actuarial calculations, the City's |
| 4 | contribution on the defined benefit side of the plan |
| 5 | was ten percent, they would not match anything on the |
| 6 | employee defined contribution side. |
| 7 | In my experience, and I think that's true for |
| 8 | most municipalities, it's unusual to have elected |

officials put into a defined benefit plan, even a hybrid plan. And number one, it limits the ability to recruit staff as appointees. You don't normally put those individuals into a defined benefit plan that has a destined period, as you have here.

And, typically, it's more prudent, financially, and more fiscally sound to offer, for those employees, a defined contribution plan. And most of us, in prior business, know that the age of defined benefit plans has gone by the rye in the private sector and municipalities have gone that way as well.

The hybrid plan is kind of a step two in that direction but the bottom line is it's the Mayor's recommendation, for purposes of the recruitment and fiscal responsibility, that consideration be given to allowing these individuals, the Mayor's appointees, as well as the Mayor, as an elected employee, to be able

| L | to convert to a defined contribution plan, to be able |
|---|---|
| 2 | to get out of this hybrid defined benefit plan and to |
| 3 | convert to a a defining or to a defining |
| 1 | contribution plan. |

The -- and we've talked to MERS about this, it's a possibility, if it's approved by this body, as well as the Treasurer. You will see on Page 3 of the summary -- and this is data -- benchmark data that is provided by MERS. And they do handle pension benefits and plans for a number of municipalities around the State of Michigan.

But you will see there in a table on Page 3 what their data of comparable municipalities shows, in terms of the employer contribution. The mean or average is 8.167 percent. The median, which is, you know, literally right in the middle, is 7.5 percent. And the mode, which is, again, the most frequently occurring rates, from this data, is 7 percent.

And attached to the summary is the data in the report provided to us by -- by MERS. They've cooperated with us on this. In addition to a defined contribution plan for what's called a 401(a) plan, which is akin to a 401(k) plan that we have in private business, MERS could also offer a 457 plan, which will allow employees to contribute additional money to --

| _ | you know, to their pension runding. |
|----|---|
| 2 | The recommendation, up to the bottom line, |
| 3 | you know, from the Mayor is that consideration be made |
| 4 | to allow the conversion by these employees, an election |
| 5 | that they can go to a defined contribution plan that |
| 6 | would have the City of Flint contribute seven percent, |
| 7 | employees would make a one-time election to contribute |
| 8 | from one to five percent into that particular plan. |
| 9 | That would, obviously, you know, reduce the |
| 10 | City's exposure, in terms of a contribution amount. |
| 11 | But it's currently at a ten percent down to |
| 12 | seven percent. Vesting in this interest would be after |
| 13 | a year. So the employer's contribution wouldn't vest |
| 14 | until the employee was, again, a nonunion, elected |
| 15 | employee or an appointee would not occur interest until |
| 16 | after they've been employed for at least 12 months. |
| 17 | So, again, this is offered informationally. |
| 18 | It includes a recommendation. I have, if you'd like it |
| 19 | now, a draft resolution that includes all of this but I |
| 20 | can also provide that at a later meeting, if that's |
| 21 | your pleasure. |
| 22 | THE CHAIRPERSON: I gather the recommendation |
| 23 | on Page 3 about directing the HR Director to create the |
| 24 | DC plan is based upon the idea that, because this is |
| 25 | currently an EM order, that the RTAB would have to |

| 1 | recommend to the Treasurer to modify the order. |
|----|---|
| 2 | MR. WILLIAMS: That's how we reworded it. |
| 3 | THE CHAIRPERSON: And does the information |
| 4 | you provided us provide any sort of fiscal or financial |
| 5 | analysis as to what the impact would be on the City's |
| 6 | finances, were we to make this recommendation? |
| 7 | MR. WILLIAMS: No, I haven't done that. I've |
| 8 | just looked at it, you know, from the legal perspective |
| 9 | and provided benchmark data. Simplistically, |
| 10 | obviously, currently, under the hybrid plan, the |
| 11 | exposure is ten percent, on a combined basis. This |
| 12 | would reduce that exposure by three percent for these |
| 13 | particular employees. And they, obviously, can elect |
| 14 | to contribute their own money but that's what this will |
| 15 | provide. |
| 16 | THE CHAIRPERSON: And is it your |
| 17 | understanding |
| 18 | Or, Mr. Jones, is it your understanding that, |
| 19 | at some point, some future date, the City will be |
| 20 | providing fiscal impact information regarding this |
| 21 | proposal as well? |
| 22 | MR. JONES: Yes. |
| 23 | THE CHAIRPERSON: Question? |
| 24 | MR. FINNEY: Yeah. Just one other question. |
| 25 | Is this something that you intend to present |

| 1 | to City Council for their review and consideration as |
|----|--|
| 2 | well? |
| 3 | MR. JONES: We do plan to do that. We do |
| 4 | plan to do that. |
| 5 | MR. FINNEY: Okay. |
| 6 | MR. WILLIAMS: That's all I have. |
| 7 | THE CHAIRPERSON: Any other questions for |
| 8 | Mr. Williams? |
| 9 | Thank you very much. |
| 10 | MR. WILLIAMS: Okay. Thank you. |
| 11 | THE CHAIRPERSON: Mr. Jones, any other items? |
| 12 | MR. JONES: Do I have other items? |
| 13 | THE CHAIRPERSON: Yes. |
| 14 | MR. JONES: Yes, I do. Yes. So I want to |
| 15 | thank Mr Attorney Williams for offering to share |
| 16 | information and, certainly, we do plan to present that |
| 17 | information to the Flint City Council at a later time. |
| 18 | So other items I would like to discuss is I'm |
| 19 | certain that you all know that the State of Michigan |
| 20 | awarded the City of Flint \$2 million to replace service |
| 21 | lines and that would serve as kind of a first |
| 22 | investment to replace service lines. |
| 23 | The City and staff has been tenacious in |
| 24 | working with Finance, Transportation, Water and |
| 25 | Utilities to really understand how this could be done |

| in a | ı way | / that | will | preve | ent | as | much | interruption | to | the |
|------|-------|--------|-------|-------|-----|-----|--------|--------------|----|-----|
| City | of | Flint | resid | dents | as | pos | ssible | e. | | |

In addition to that, the Mayor, her desire is to have as many of these service lines replaced as possible. And so I wanted to report that earlier today the Mayor did have a press conference announcing that the RFP for that will be released on tomorrow and the City is working extremely hard to ensure that as many of the lead service lines will be replaced as possible.

Again, this initial investment is only for \$2 million. And so we want to make sure that not only are we coordinating the efforts to realize that it's accountable still but also press -- an early press conference with Consumers Energy. And the Mayor wants to ensure that, as the City goes in to replace the service lines, that Consumers Energy can be present to also replace their gas lines at the same time.

And so, really, we wanted to share the administration's confirmative approach to the replacing of service lines and, really, to restore any water quality as quickly as possible. As a part of that, we recognize that there is a need to have some changes to the master fee schedule. And, while we had hoped to bring that to you today, ask for your consideration today, it was presented to the Flint City Council on

| 1 | Monday night and it was, in fact, directed to one of |
|----|---|
| 2 | their committees to do that. |
| 3 | The Mayor subsequently called a special |
| 4 | meeting yesterday, recognizing that the changes to the |
| 5 | master fee schedule were necessary and was not able to |
| 6 | have a quorum for that meeting. |
| 7 | And so the RFP will go forward, there |
| 8 | continues to be challenges in getting some of these |
| 9 | internal things resolved so that we can really maximize |
| 10 | the use of that \$2 million to have as many service |
| 11 | lines replaced as possible. So that's one of the items |
| 12 | that we hoped that you will just wanted to bring to |
| 13 | your attention. |
| 14 | Also, since your last meeting, it's my |
| 15 | understanding that there was an expectation that the |
| 16 | Council and the administration would have some dialogue |
| 17 | about the items that are before you today for your |
| 18 | consideration. And it's important that you note that |
| 19 | the administration has not had any conversations with |
| 20 | the Council, as relates to those items. |
| 21 | On Monday night, Councilperson Eric Mays went |
| 22 | before the Council and raised the question about the |
| 23 | Council having conversation with the administration on |
| 24 | those items. And, at that time, a couple Council |
| 25 | Members left so there was not a quorum in order to |

| discuss | those | items. |
|---------|-------|--------|
| | | |

| After which, on yesterday, I went up to the |
|---|
| Council President's office and asked him and the the |
| Mayor to speak with him and he was not available to |
| have that conversation. And so, again, I think it's |
| important that you know that this administration is |
| certainly committed to working with the City Council to |
| really advance the work of the City of Flint, however |
| the administration cannot carry the load in this alone |
| and so it's important to share that information. |
| And finally lot me just say that as we |

And, finally, let me just say that, as we prepare for the presentation of the budget, it has also come to our attention that there may have been or may be violations to the City Charter from several Council Members, namely the Director and the Finance Chair.

The Charter states -- and this is on Page 15, Item 3-207, Prohibition of Interference in Administration. It said, "Except for purpose of inquiries or investigations in accordance with Section 3-206, the City Council and its members shall deal with City officers and employees who are subject to the direction and supervision of the Mayor, solely through the Mayor, and neither the City Council nor its members shall give orders to any such officer or employee, either publicly or privately."

| 1 | inere have been statements to say that |
|----|---|
| 2 | directions will be made by the Finance Chair about how |
| 3 | City staff will be allocated. And, as I understand it, |
| 4 | that that is or could be viewed as a violation of the |
| 5 | Charter. And so certainly the administration plans to |
| 6 | have a conversation with the Council regarding this |
| 7 | matter, but is it more that you know beforehand that |
| 8 | that is something that is happening at this time. |
| 9 | So I just wanted to bring that to your |
| 10 | attention. And, again, we recognize that your intent |
| 11 | is to see that the administration and the City Council |
| 12 | are working together. Our hope is that that will |
| 13 | that will begin to happen and that our dialogue will be |
| 14 | done in a respectful way that allows both bodies, the |
| 15 | executive and the legislative body, to move the City |
| 16 | forward and meet the needs of residents. |
| 17 | Thank you. |
| 18 | THE CHAIRPERSON: Thank you. |
| 19 | MR. TOWNSEND: I have a question. |
| 20 | THE CHAIRPERSON: Question? |
| 21 | MR. TOWNSEND: Yes. |
| 22 | Can you explain the process? I know that |
| 23 | there are we've talked several times at this meeting |
| 24 | about communication between legislative and |
| 25 | administration at this time. Can you give us an |

| т | example of explain to us now often you do meet and what |
|----|---|
| 2 | are your plans going forward? |
| 3 | MR. JONES: How often we meet? |
| 4 | MR. TOWNSEND: Yes. |
| 5 | MR. JONES: Oh. Well, there are there |
| 6 | are there has been scheduled meetings. And, most |
| 7 | recently, those meetings have been canceled. There has |
| 8 | been overtures to hold meetings from the |
| 9 | administration. An overture was made and most |
| 10 | recently on a matter relating to the action plan for |
| 11 | CDBG, HOME and ESG. |
| 12 | The Council wanted us to send the information |
| 13 | to them right away. The administration, our desire was |
| 14 | to have a face-to-face meeting with them and have a |
| 15 | dialogue of those things and then we can provide them |
| 16 | with those things. Those meetings were canceled and, |
| 17 | subsequently, a number of disrespectful condescending |
| 18 | e-mails went out from Councilperson Fields about what |
| 19 | the administration must do. |
| 20 | The Mayor has had scheduled meetings with the |
| 21 | Council President. The last two of those have been |
| 22 | canceled. Again, I went up yesterday and attempted to |
| 23 | have a conversation with Council President and he said |
| 24 | that he was not available for that meeting. And so |
| 25 | there are no formal meetings at this time and I would |

| 1 | say requested overtures from the administration to have |
|----|---|
| 2 | meetings have been met with much resistance. |
| 3 | MR. TOWNSEND: So, in the last month, how |
| 4 | many times have you actually met? |
| 5 | MR. JONES: Well, on I can tell you, on |
| 6 | Tuesday, I actually walked up to the Council |
| 7 | President's office |
| 8 | MR. TOWNSEND: I know. I'm talking about |
| 9 | actual meetings. |
| LO | MR. JONES: Actual meetings? In the last |
| L1 | month, actual meetings other than committee |
| L2 | meetings? |
| L3 | MR. TOWNSEND: Yes. |
| L4 | MR. JONES: I'm going to say zero. |
| L5 | MR. TOWNSEND: Okay. Thank you. |
| L6 | MR. FINNEY: Yeah. I have a separate |
| L7 | question related to the service line replacement. |
| L8 | I know that some time ago there was a private |
| L9 | company that had offered to provide service lines that |
| 20 | were made of a PVC or a plastic type of material as an |
| 21 | option to the City, as we are hoping to stretch the |
| 22 | dollars a whole lot further than necessarily using |
| 23 | copper or some other type of material. |
| 24 | I'm just curious if, in fact or what is |
| 25 | preventing that from moving forward, if anything, and |

| 1 | is the City's intent that to take up that offer and is |
|----|---|
| 2 | that offer still on the table, to your knowledge? |
| 3 | MR. JONES: Yeah. So we did have a |
| 4 | conversation with individuals at BSI and what they |
| 5 | what their concern was is that, if those pipes froze, |
| 6 | that there could be main breaks. But we decided to |
| 7 | have some other conversations about that to eliminate |
| 8 | the possibility of that happening. So we will follow |
| 9 | up on it but I just wanted to share what the concern |
| 10 | was from the BSI staff on that. |
| 11 | MR. FINNEY: So, if the RFP is moving |
| 12 | forward, does the RFP allow the flexibility of |
| 13 | in-circular incorporating the PVC service lines versus, |
| 14 | say, copper, in the event that, after further |
| 15 | evaluation, it looks reasonable, or because the RFP is |
| 16 | moving forward, would that essentially specify whatever |
| 17 | materials the suppliers immediately included in their |
| 18 | response? |
| 19 | MR. JONES: So the RFP will go out for this |
| 20 | round, the \$2 million that they have. There will still |
| 21 | be additional work done on that. There will be a time |
| 22 | period that we will hopefully continue to work with the |
| 23 | City Council and that will allow us to explore some of |
| 24 | these possibilities. |
| 25 | In addition to that, we're going to have a |

| 1 | meeting on wednesday with Consumers Energy to discuss, |
|----|---|
| 2 | again, the scheduling and coordination of their of |
| 3 | the replacement of the gas line. So we will continue |
| 4 | to flush out additional details while we're waiting for |
| 5 | a proposal to come in. |
| 6 | MR. FINNEY: And one last request. And that |
| 7 | would be that, before the a final recommendation or |
| 8 | approval, through whatever the process hopefully is, |
| 9 | we'll get a resolution, I guess, that would recommend |
| 10 | moving forward, I would like to make sure that we |
| 11 | include whatever the staff's final review and |
| 12 | recommendations are with respect to the PVC so that it |
| 13 | would be clear that it's an option or that it's not, as |
| 14 | a part of the recommendation that comes forward to move |
| 15 | forward in spending the \$2 million. |
| 16 | MR. JONES: Okay. We can do that. |
| 17 | MR. FINNEY: Okay. Great. |
| 18 | MR. JONES: Absolutely. |
| 19 | THE CHAIRPERSON: Other questions? |
| 20 | Thank you. |
| 21 | MR. JONES: Okay. Thank you. |
| 22 | THE CHAIRPERSON: If we can go back, for just |
| 23 | a quick second, to Mr. Williams' presentation about the |
| 24 | pension issue. |
| 25 | As you noted, this is marked attorney/client |

| 1 | privilege. But, because there's no representation of a |
|----|---|
| 2 | relationship between you and the RTAB, just so that |
| 3 | we're clear, as a public body, if we're asked through a |
| 4 | FOIA, for example, to release a copy of this document, |
| 5 | we would have no reason not to do so. |
| 6 | MR. WILLIAMS: I again, I made that note. |
| 7 | There isn't a formal relationship. Typically, there's |
| 8 | a default for that. But I believe it would be subject |
| 9 | to distribution and I have no problem. |
| 10 | THE CHAIRPERSON: I just wanted to make sure |
| 11 | there is no misunderstanding. |
| 12 | MR. WILLIAMS: Okay. Thank you. And I |
| 13 | appreciate that. |
| 14 | THE CHAIRPERSON: Thank you. |
| 15 | Council President? |
| 16 | MR. NELSON: Good evening. I just wanted to |
| 17 | touch on a couple things that Mr. Jones presented about |
| 18 | Council and Administration meeting. In the month of |
| 19 | April, I did not cancel a meeting; that was on the |
| 20 | Mayor's part. |
| 21 | In May, I canceled a meeting and gave her a |
| 22 | day's notice because the oldest deacon in my church |
| 23 | passed away and I was on his program to for the |
| 24 | services because I'm a deacon also. |
| 25 | Communication on yesterday, after the special |

| 1 | meeting and we did have a quorum. I asked Mr. Jones |
|----|---|
| 2 | on Tuesday, when he presented the special meeting to |
| 3 | me, if he can change the time from 12:00 noon to 5:30 |
| 4 | or 6:00 because most Council People have jobs. And |
| 5 | that was not a thing to work out because it was already |
| 6 | set in stone that a meeting was going to be done at |
| 7 | 12:00. |
| 8 | Because we did not have a quorum, I guess |
| 9 | Mr. Jones was pretty upset and said some things, as |
| 10 | that I am a liar and other things. And so, when he |
| 11 | came to my office at 4:00, I was preparing myself for a |
| 12 | meeting and so I just could not jump up and be in that |
| 13 | meeting and go to see him and the Mayor, with all due |
| 14 | respect. |
| 15 | What I'm saying to this Board today is in |
| 16 | front of you is a master fee schedule. If you present |
| 17 | something to me at a committee meeting at 6:15 and I'm |
| 18 | getting ready to go to Council and there's 18 or 19 |
| 19 | pages, there's no way I'd have time to study it, look |
| 20 | at it to see what the details are. So we postponed it |
| 21 | until that particular meeting. |

Then I noticed something else about this master fee schedule. The CFO of the City's signature is not on there and, to my understanding, has not seen it, has not reviewed it. And, until that happens, I'm

22

23

24

25

| 1 | not willing to sign anything or even pass anything |
|----|---|
| 2 | until I know the CFO is on board with it. So I thought |
| 3 | I made that quite clear. |
| 4 | Now, if she is a CFO, which she says she |
| 5 | still is, it is vital that the CFO looks at this, |
| 6 | reviews it and signs off on it. And, until that |
| 7 | happens, this Council President will not sign any |
| 8 | resolution or, therefore, pass any resolution because |
| 9 | that's their job to make sure that, financially, it's |
| 10 | the best way for us to go. |
| 11 | And so, therefore, that was my conclusion and |
| 12 | my decision. And, yes, Mr. Jones did come to my office |
| 13 | and I did back that because that bothered me when he |
| 14 | said that. I cannot just drop what I'm doing at that |
| 15 | point and I'm getting ready for one meeting to say, "Me |
| 16 | and the Mayor wants you downstairs now." |
| 17 | As much as I respect her, I cannot do that. |
| 18 | Because, at that time, my meeting has been already |
| 19 | made. So it is not unwillingness but I'm saying be |
| 20 | fair in the process. Even in the master fee schedule, |
| 21 | if you've been working on this for weeks and weeks and |
| 22 | a month, why was not Council brought in? |
| 23 | Maybe not to have any work in but just to sit |
| 24 | down and listen to see what was going on. None of that |
| 25 | was done. And so, therefore, to this Council to |

| 1 | this RTAB, that this Council is willing to work with |
|----|---|
| 2 | Administration but let's be fair across the board; |
| 3 | that's all I'm saying. And this is all that this |
| 4 | Council President has to say unless you have questions. |
| 5 | MR. TOWNSEND: Yes, I have a question. |
| 6 | MR. NELSON: Mr. Townsend? |
| 7 | MR. TOWNSEND: The question for you is |
| 8 | that again, I'll pose the same question that I asked |
| 9 | Administration. So, in actuality, how many times have |
| LO | you actually sat down with Administration in the last |
| L1 | month? |
| L2 | MR. NELSON: I just told you that the meeting |
| L3 | that we had scheduled for me and the Mayor was |
| L4 | canceled. |
| L5 | MR. TOWNSEND: That would be an answer of |
| L6 | zero? |
| L7 | MR. NELSON: That is correct. |
| L8 | MR. TOWNSEND: Okay. |
| L9 | MR. NELSON: Now, me and Mr. Jones have had |
| 20 | conversations but not me and the Mayor. |
| 21 | MR. TOWNSEND: Okay. My next question to |
| 22 | you, though, is the same line of communications. Do |
| 23 | you feel I know this is not your first term on the |
| 24 | City Council. And, with your experience, do you feel |
| 25 | as though the communication between Administration and |

| 1 | Council, at this time, is sufficient? |
|----|---|
| 2 | MR. NELSON: No. |
| 3 | MR. TOWNSEND: Okay. Do you feel as though |
| 4 | it is in comparison to other previous years, your prior |
| 5 | years on Council? |
| 6 | MR. NELSON: It is unusual. And when I say |
| 7 | "unusual", at this time, it is that, when I do |
| 8 | communicate, things are almost all the way done. |
| 9 | There's no input, it's completed. They're bringing me |
| 10 | something to say, "We just want you to say okay on it", |
| 11 | no involvement, it is, that this Council plays. |
| 12 | And I've had support. Like I said, the |
| 13 | master fee schedule, I didn't have to be the one or |
| 14 | there didn't have to be any Council meetings, just |
| 15 | carrying on it because it's a major event going on in |
| 16 | our City, just to know. I didn't know, like I said, |
| 17 | until about 6:10 Monday night. |
| 18 | MR. TOWNSEND: You're kind of saying that |
| 19 | I'm glad to hear you said that it's important. So I |
| 20 | guess, as Council President, how tell us how that |
| 21 | you knowing that it's important to have that |
| 22 | communication, what can we expect, going forward, in |
| 23 | terms of that effort? I mean, you know, what we're |
| 24 | saying is that you're saying it's important. He has |
| 25 | said it's important. This RTAB has said it's important |

| 1 | to have communication. But here's another month that |
|----|---|
| 2 | we've gone by that there has been no communication. |
| 3 | And I realize and we all realize that this |
| 4 | City is in a very difficult situation, we're in a |
| 5 | difficult situation, regardless of the water situation. |
| 6 | We have financial issues that's still going on and an |
| 7 | essential part of that is communication between the two |
| 8 | legislative and administrative executive forms of |
| 9 | government that are operating here to do different |
| L0 | branches. But yet here another month we've not done |
| L1 | that. |
| L2 | Is there something that you can say or are |
| L3 | willing to do to, say, going forward that this will |
| L4 | happen? |
| L5 | MR. NELSON: Well, Mr. Townsend, let me pose |
| L6 | it to you this way: This master fee schedule, if it's |
| L7 | such an important deal and they had been working on it |
| L8 | such a long time, I pose the question to you, don't you |
| L9 | think Council should know something about it, should |
| 20 | have got one phone call to say, "We're working on this |
| 21 | just to give you a head's up, you don't necessarily |
| 22 | have to come but this is what we're doing"? Those |
| 23 | types of phone calls don't happen. |
| 24 | MR. TOWNSEND: Okay. Well, I understand |
| 25 | that. I understand that they're not happening. I'm |

| 1 | what I'm asking you and I'll ask Mr. Jones the same way |
|----|---|
| 2 | is, going forward, can we have some sort of commitment |
| 3 | that they will happen? |
| 4 | Okay. You know, again, you have options, you |
| 5 | have issues that's going on with your on the |
| 6 | Council's side of it, there are options going on in |
| 7 | Administrative. |
| 8 | We both have said you just said that it's |
| 9 | important that you communicate but yet you're not. So |
| 10 | what I'm looking at is a solution to the situation, not |
| 11 | a pointing, "They didn't show up, they didn't show up.' |
| 12 | But when are we going to show up to communicate so that |
| 13 | this City can move forward? |
| 14 | MR. NELSON: Let me put it to you this way: |
| 15 | I had a meeting with the Chief of Staff, he canceled, |
| 16 | not me. So I'm willing to make meet but it canceled |
| 17 | and I think it canceled because of the special meeting |
| 18 | yesterday. But I'm the one that went to him and said, |
| 19 | "We need to have a conversation." Okay? |
| 20 | MR. TOWNSEND: Okay. |
| 21 | MR. NELSON: Any other questions? |
| 22 | THE CHAIRPERSON: A question? |
| 23 | Thank you. |
| 24 | MS. OAKES: Good afternoon. As all of you |
| 25 | know, I am the Chief Legal Counsel. I serve at the |

| 1 | pleasure of the Mayor. That being the case, I would |
|----|---|
| 2 | like to offer to be the wardage between Council and the |
| 3 | Mayor's administration. At the end of the day, I've |
| 4 | had to give advice to both. At the end of the day, |
| 5 | both may not have wanted to receive that advice but |
| 6 | they respected it because that's what the law required. |
| 7 | I'm more than willing to work as the middle |
| 8 | person. I think you're looking for some sort of |
| 9 | solution. I'm not here to suggest that I am a solution |
| 10 | but I do know, after working for and with |
| 11 | Administration and for and with Council, that the |
| 12 | conversations have to occur for us to move forward. |
| 13 | THE CHAIRPERSON: We're not here to propose a |
| 14 | solution. I think Mr. Townsend's point, which is a |
| 15 | point we've made before, is that communication between |
| 16 | the two branches is important. It's crucial, given |
| 17 | some of the issues in place in the City. So, if the |
| 18 | two branches are inclined to accept an invitation, and |
| 19 | this is an invitation, I don't imagine that the RTAB |
| 20 | would have an issue with that. |
| 21 | We're not trying to resolve the issue, |
| 22 | obviously, at this afternoon's meeting. We simply have |
| 23 | said it before, I'm sure if it doesn't approve, we'll |
| 24 | continue to say it in the future, that it's important |
| 25 | that the two branches communicate with each other. |

| 1 | whatever issues we're facing are going to be made much |
|----|---|
| 2 | worse if the two branches aren't communicating and |
| 3 | cooperating with each other. |
| 4 | We're not here to assess, as Mr. Townsend |
| 5 | said, who came to what meeting or who's most at fault, |
| 6 | we don't really care, frankly. We treat or have tried |
| 7 | to treat everybody from both branches as adults, as |
| 8 | professionals. We expect both branches to do the same |
| 9 | with each other, not for our benefit but for the |
| LO | benefit of the residents of Flint, frankly. |
| L1 | So, if you want to, in some formal way, send |
| L2 | your invitation to both the Mayor's office and the City |
| L3 | Council to serve as an intermediary or mediator, please |
| L4 | feel free to do so and I'm hoping that will work out. |
| L5 | Do you have any other questions for us, |
| L6 | Mr. Jones? |
| L7 | MR. JONES: I don't have questions. I think |
| L8 | it's important that you know the overtures that this |
| L9 | administration has made to really have a productive |
| 20 | working relationship with this Council. So, on |
| 21 | Friday on most Fridays, the Governor holds their |
| 22 | Flint Water Interagency Coordinating Committee. They |
| 23 | presented recommendations at last Friday's meeting and |
| 24 | while Council President Nelson and Council |
| 25 | Vice President Vicki VanBuren were present, it was a |

| 1 | meeting that raised my hand and asked that body to |
|----|---|
| 2 | present their recommendations to the Flint City Council |
| 3 | before those go to the Governor, or before those go to |
| 4 | the Rick for final approval. So that was my intent, |
| 5 | to make sure that the Flint City Council was a part of |
| 6 | that process. |
| 7 | In addition to that, a couple days ago, we |
| 8 | met with Cornerstone to talk about benefits. During |
| 9 | the course of that meeting, the gentleman from |
| 10 | Cornerstone called about wellness centers. He |
| 11 | presented a proposal to the previous administration |
| 12 | about wellness centers, how this could be used to save |
| 13 | costs for the City of Flint but also ensure that |
| 14 | information got out to current employees as well as |
| 15 | retirees. |
| 16 | Following that meeting, I asked the gentleman |
| 17 | to go to Council President's office with me and we sat |
| 18 | down with Council President Nelson to talk about the |
| 19 | possibility of exploring the potential of the two |
| 20 | bodies, the Mayor's office as well as the Council, |
| 21 | creating wellness centers together. That was the |
| 22 | second overture that I've made to Council President |
| 23 | Nelson. |
| 24 | In addition to that, every conversation that |
| 25 | I have held with Council President Nelson has been |

| 1 | because I went to his office. It's because I went up |
|----|---|
| 2 | to his office. Mr Council President Nelson has |
| 3 | never gone to the Mayor's office nor my office to |
| 4 | initiate conversation. |
| 5 | Finally, let me say this: And I mentioned |
| 6 | this just a couple seconds ago. On Monday at |
| 7 | Monday's Council meeting, it was Councilperson |
| 8 | Eric Mays who said we have not discussed the items that |
| 9 | the RTAB |
| 10 | THE CHAIRPERSON: I don't mean to interrupt |
| 11 | but I think we're having some dimension in terms here. |
| 12 | MR. JONES: Okay. |
| 13 | THE CHAIRPERSON: We understand that there |
| 14 | have been |
| 15 | MR. JONES: Okay. |
| 16 | THE CHAIRPERSON: differences of opinion. |
| 17 | MR. MAYS: May I? |
| 18 | THE CHAIRPERSON: No I'm sorry public |
| 19 | comment. |
| 20 | MR. MAYS: I'll wait until public comment |
| 21 | because I'm first up so I'll just listen from here. |
| 22 | THE CHAIRPERSON: Thank you. |
| 23 | MR. MAYS: That's fine because this is being |
| 24 | considered and, if you really got the best interest of |
| 25 | the City of Flint, you might want to listen. |

| 1 | THE CHAIRPERSON: We do have an additional |
|----|---|
| 2 | question for Council President Nelson. |
| 3 | MR. FINNEY: Mr. Nelson. |
| 4 | MR. NELSON: Yes? |
| 5 | MR. FINNEY: So we, obviously, have an item |
| 6 | on our agenda that is for consideration that none of |
| 7 | your comments spoke to during your opening remarks and |
| 8 | so I did have one question related to this before we |
| 9 | take action on it. |
| 10 | MR. NELSON: Uh-huh. |
| 11 | MR. FINNEY: And so, with all the dialogue |
| 12 | that has gone on so far, how does this action that |
| 13 | we're considering, how would this action enhance the |
| 14 | City Council's abilities or your ability to work more |
| 15 | effectively with the City administration and, frankly, |
| 16 | with all our stakeholders, in order to get the City's |
| 17 | business done most effectively and efficiently as |
| 18 | possible? |
| 19 | MR. NELSON: Well, I think because the people |
| 20 | elected to do a job and the Charter gives us more realm |
| 21 | to do that more steady. More questions we can ask, |
| 22 | more we can talk to because, as it stands right now, we |
| 23 | can't talk to department heads at all. |
| 24 | MR. FINNEY: Hey, hold on. With all due |
| 25 | respect. With all due respect. |

| 1 | okay. Inank you. |
|----|---|
| 2 | THE CHAIRPERSON: Councilperson, if you would |
| 3 | take a seat, please. If you would stand off to one |
| 4 | side so you're not blocking the views of others. |
| 5 | You're blocking the views of gentlemen behind. |
| 6 | Council, please take a seat or stand to one side, |
| 7 | please. |
| 8 | MR. MAYS: I'll just sit. |
| 9 | THE CHAIRPERSON: Thank you. |
| 10 | MR. NELSON: So, in that way, because the |
| 11 | Council has to answer, under Order Number 3, that the |
| 12 | City Administrator have really have the powers to do as |
| 13 | we are. This Council is willing and, again, I'm |
| 14 | going to state, again, willing to work with |
| 15 | Administration. But here's the problem: |
| 16 | Most of the times and Mr. Jones is right, |
| 17 | he has come to my office. But, when he's come, he's |
| 18 | come to present a plan that's already done. And so |
| 19 | what we're asking today and excuse me for not |
| 20 | speaking it is something that this Council ascribed |
| 21 | for since Emergency Manager has been here. We're |
| 22 | locked in handcuffs to seek information and to get |
| 23 | information that we need. If we were responsible for |
| 24 | the checkbook and don't know what's there, then we |
| 25 | can't to our job. |

| 1 | MR. FINNEY: Okay. So my so then, as I'm |
|----|---|
| 2 | listening to you, you're looking for additional |
| 3 | information, be it financial or otherwise, in terms of |
| 4 | the operation of the City that has not been forthcoming |
| 5 | to you as a Council |
| 6 | MR. NELSON: Right. |
| 7 | MR. FINNEY: to make decisions? |
| 8 | MR. NELSON: And here's the thing that, when |
| 9 | the Mayor received her power, and she rightfully should |
| LO | have it because the people elected her, she failed. |
| L1 | That she couldn't do her job because someone made the |
| L2 | decision of who hired and fired for her. |
| L3 | MR. FINNEY: But you're revisiting the |
| L4 | Emergency Manager situation, how we got to where we |
| L5 | are. |
| L6 | MR. NELSON: Right. |
| L7 | MR. FINNEY: So, just from a process |
| L8 | standpoint, we are where we are, the RTAB exists and |
| L9 | we're in the process of trying to transition the |
| 20 | Charter-granted authorities back to the City Council, |
| 21 | and, just as they have been, to some extent, to the |
| 22 | Mayor. |
| 23 | MR. NELSON: Well, I would hope so. |
| 24 | MR. FINNEY: So I understand all that. But |
| 25 | what I'm trying to understand are the steps that you |

| 1 | and the city council are going to take to help with the |
|----|---|
| 2 | most efficient and effective operations of the City, |
| 3 | assuming that we move forward with this action. |
| 4 | Because what we're hearing in the opening |
| 5 | remarks represent just the opposite of what it's going |
| 6 | to take in order to be effective and efficient that |
| 7 | you're not talking. And so how is how is that |
| 8 | bridge going to be made what information do you need in |
| 9 | order to be most effective at it? |
| 10 | MR. NELSON: With all due respect, |
| 11 | Mr. Finney, there's only so much the Council can do. |
| 12 | If we reach out, if we're there, if we're asked for |
| 13 | information and we can't talk to department heads, if |
| 14 | we can't reach out and then, when you reach out, we |
| 15 | don't get the whole truth, we get what they want to |
| 16 | give us or then, when they when they come to us, |
| 17 | it's a it's a done deal. Just on given the master |
| 18 | fee schedule, it was a done deal before I even knew |
| 19 | anything about it. And I'm just not saying me, all my |
| 20 | colleagues. |
| 21 | MR. MAYS: Don't speak for me. |
| 22 | MR. NELSON: But I'm not speaking for you, |
| 23 | Mr. Mays, because I know what you've already said. |
| 24 | So here's where I am: I wish today that you |
| 25 | would grant us our powers back and it's up to this |

| 1 | Council and this administration to work together; we |
|----|---|
| 2 | know that. But that's a two-way street. |
| 3 | MR. FINNEY: So just just for |
| 4 | clarification, so I understand, the the government's |
| 5 | process here, with respect to the City Council, the |
| 6 | administration and when you're presented with |
| 7 | something you described this fee schedule as a |
| 8 | done-deal when it was presented to you. It effectively |
| 9 | can't be a done-deal until the City Council reviews it, |
| 10 | offers its input and opinions on it and then takes a |
| 11 | vote |
| 12 | MR. NELSON: Exactly. |
| 13 | MR. FINNEY: either affirmative or |
| 14 | declining it. |
| 15 | MR. NELSON: Exactly. |
| 16 | MR. FINNEY: And so, by not reviewing it, |
| 17 | you're not taking that step of reviewing it. |
| 18 | Irrespective of whether it came to you in a |
| 19 | 99.9 percent completed form or if it was just |
| 20 | beginning, you still have the purview of reviewing |
| 21 | everything in front of you and in as appropriate a |
| 22 | timeframe as you and the Council feel. But you've got |
| 23 | to take the time to go ahead and review it, as opposed |
| 24 | to making a point that you didn't get to have input |
| 25 | when it started, you're only getting input now to |

| 1 | something that's near finished. |
|----|--|
| 2 | I'm just trying to understand, if it's clear |
| 3 | that it's not a done-deal until you and the City |
| 4 | Council actually review it in as much detail as you |
| 5 | want |
| 6 | MR. NELSON: And I understand that that's why |
| 7 | we postponed it until the committee meeting. But then |
| 8 | there was a Council meeting on this, the Mayor did two |
| 9 | days later. We postponed it until the committee |
| 10 | meeting of Public Works. We postponed it until that |
| 11 | meeting. That would give Councilpersons time to review |
| 12 | all the documents. |
| 13 | MR. FINNEY: Thank you. |
| 14 | MR. NELSON: Because it was not one document |
| 15 | MR. FINNEY: Thank you. |
| 16 | THE CHAIRPERSON: Next item of business is |
| 17 | consideration of RTAB Resolution 2016-4. Questions or |
| 18 | comments regarding that resolution? |
| 19 | And I believe that was posted on the City's |
| 20 | website as well so the residents have had a chance |
| 21 | Councilmembers and Members of Administration |
| 22 | MR. MAYS: I don't even know what it is. |
| 23 | MR. DUMAS: What's on there? |
| 24 | MR. MAYS: I don't know even what it look |
| 25 | like, what it is, don't know what this special meeting |

| 1 | was about. As a Councilman, I have not seen and I |
|----|---|
| 2 | don't know |
| 3 | MR. DUMAS: Me neither. |
| 4 | THE CHAIRPERSON: I believe all of our |
| 5 | documents, in terms of agendas and so forth, are placed |
| 6 | on the website prior to our meeting. |
| 7 | MR. MAYS: Did you get a hard copy, |
| 8 | Mr. Headen? |
| 9 | THE CHAIRPERSON: I'm sorry? |
| 10 | MR. MAYS: Have you got a hard copy? Have |
| 11 | you got staff that supplies you with that? I'm just |
| 12 | saying, it might have been but I have not seen it. |
| 13 | THE CHAIRPERSON: I believe it I believe |
| 14 | it was. |
| 15 | MR. MAYS: Just like the governor's letter |
| 16 | that I didn't get a copy, you gave |
| 17 | THE CHAIRPERSON: Council, you can speak |
| 18 | during public comment. |
| 19 | MR. MAYS: And I'll wait |
| 20 | THE CHAIRPERSON: Councilmember, you can |
| 21 | speak during public comment. |
| 22 | MR. MAYS: Well, you know, if you want to |
| 23 | know the truth, sometimes it's a courtesy to hear from |
| 24 | all |
| 25 | THE CHAIRPERSON: And you can |

| 1 | MR. MAYS: And that's why |
|----|---|
| 2 | THE CHAIRPERSON: We will extend you that |
| 3 | courtesy during public comment. |
| 4 | MR. MAYS: After the fact? |
| 5 | THE CHAIRPERSON: No. |
| 6 | MR. MAYS: Okay. So the agenda |
| 7 | THE CHAIRPERSON: I have no objection, if it |
| 8 | comes to it, to allowing public comment before we vote. |
| 9 | MR. MAYS: That will be fine. |
| 10 | MR. DUMAS: That will be nice. |
| 11 | THE CHAIRPERSON: First, questions of any of |
| 12 | the RTAB members? |
| 13 | MR. TOWNSEND: Yes, Mr. Headen. I guess |
| 14 | my |
| 15 | THE CHAIRPERSON: We'll suspend normal rules |
| 16 | where we'll take a motion and support first. |
| 17 | MR. FERGUSON: I make a motion. |
| 18 | THE CHAIRPERSON: Certainly. |
| 19 | Is there support? |
| 20 | MR. FINNEY: Support. |
| 21 | THE CHAIRPERSON: A motion is made and |
| 22 | seconded to approve the resolutions. And now we'll |
| 23 | have discussion. Any Mr. Townsend? |
| 24 | MR. TOWNSEND: The resolution that's on on |
| 25 | the table now, if I'm not mistaken, the |

| 1 | responsibilities that it does restore to the Council |
|----|---|
| 2 | are responsibilities that currently reside in the City |
| 3 | Administration's position; is that correct? |
| 4 | THE CHAIRPERSON: It goes beyond that. And I |
| 5 | should point out, for purpose of clarification, this |
| 6 | resolution was drafted at Treasury so I don't want to |
| 7 | saddle Lead Counsel or anyone else with the offer-ship |
| 8 | of this because I think it largely reflects discussions |
| 9 | that have taken place previously in some of the |
| 10 | documents that Counsel had presented. |
| 11 | To your exact question, this resolution does |
| 12 | two things. One is it restores authority of the City |
| 13 | Council provided under the Charters, which it currently |
| 14 | largely does not have as a result of EM Order 3. |
| 15 | Secondly, it does make certain adjustments |
| 16 | within that order by removing certain authorities from |
| 17 | the City Administrator position. So there's two |
| 18 | different aspects to this. To some extent, the second |
| 19 | revisions of some of the authority from the City |
| 20 | Administrator are necessary in order to restore |
| 21 | authority under the Charter. So it does two things. |
| 22 | MR. TOWNSEND: And, just for clarification |
| 23 | purposes, all the restored responsibilities, if this |
| 24 | resolution is indeed passed, the responsibility that |
| 25 | they have, in terms of resolutions, it will not change |

| 1 | the process of those ultimately having to come to RTAB |
|----|---|
| 2 | for final approval. |
| 3 | THE CHAIRPERSON: That is correct. |
| 4 | PASTOR GILBERT: I know what you told me but |
| 5 | I'm not your child. |
| 6 | Did you hear what I said? |
| 7 | MR. DUMAS: Unh-unh. |
| 8 | PASTOR GILBERT: Well, you will hear it now. |
| 9 | I'm not your child. I'm 60 years old. |
| 10 | MR. DUMAS: Okay. |
| 11 | PASTOR GILBERT: All right. |
| 12 | THE CHAIRPERSON: Gentlemen. |
| 13 | PASTOR GILBERT: Thank you, Brother Headen. |
| 14 | THE CHAIRPERSON: Meeting will be in order. |
| 15 | Mr. Townsend, any other questions? |
| 16 | MR. TOWNSEND: Not a question. But I |
| 17 | basically have a statement in reference to this. When |
| 18 | reading this resolution and hearing requests from |
| 19 | City Council and actually seeing the behavior or |
| 20 | process that the Council as well as Administration has |
| 21 | gone through, I was very cautious to approve giving |
| 22 | authority back at this time. I am a resident of the |
| 23 | City of this city and we spent many years here |
| 24 | working and, honestly speaking, have no problem saying |
| 25 | at this time publicly that I am seriously afraid of the |

| 1 | 3P. |
|----|---|
| 2 | And, generally, 3P is something that's good |
| 3 | when it comes to sports and activities, a three-time |
| 4 | champion sounds good. But a third time going into |
| 5 | financial emergency under management, the second time |
| 6 | we've all found out has proven already to be debted. I |
| 7 | don't know what a third time would actually lead to. |
| 8 | So I'm very hesitant to do that because I, for years, |
| 9 | avoided City Council meetings for various reasons. |
| 10 | And, when I saw tapes of the current ones, it reminded |
| 11 | me that I did a smart thing in avoiding it before. |
| 12 | 0kay? |
| 13 | The actions and and even before this |
| 14 | board, the different conversations that we've had has |
| 15 | further convinced me that we are not prepared and ready |
| 16 | to run our city. And it saddens me, again, as a |
| 17 | resident because, regardless as Mr. Finney was |
| 18 | saying of whether we like the law, it is the law and |
| 19 | we broke the law and we're dealing with the |
| 20 | consequences. |
| 21 | But, in any situation of a rehab situation, |
| 22 | you must first realize that you have a problem. A man |
| 23 | has to understand that they have an alcoholic problem |
| 24 | before they can recover from it and, from the actions |

that I've seen at Council meetings and this meeting

| 1 | from Administration and Council, we don't realize that |
|----|---|
| 2 | we have a problem still. Okay? We'll continue to come |
| 3 | to this Board for conversation about how this one is |
| 4 | not doing that and this one is not doing this. |
| 5 | Honestly speaking, it reminds me of my children when |
| 6 | they were young telling on the other instead of working |
| 7 | together and getting what's done. |
| 8 | So I am really hesitant to give any authority |
| 9 | back. And, again, I am a spiritual man and praying |
| L0 | very heavily for this City and the authority figures, |
| L1 | especially the ten elected figures in this City that |
| L2 | they will somehow come together and move this City |
| L3 | forward. |
| L4 | It is a shame, the actions that they're doing |
| L5 | at this point in time. And so I just felt as though, |
| L6 | before we voted on this, I needed to let my feelings |
| L7 | known because the actions that I've seen and that have |
| L8 | been proven at this mic in the last four or five months |
| L9 | have really shown that we're not ready to take control |
| 20 | of our City. |
| 21 | THE CHAIRPERSON: I would mention, |
| 22 | Mr. Townsend, that it may provide you some comfort to |
| 23 | know that there is a provision in the proposed |
| 24 | resolution that within the next nine days, if |
| 25 | necessary, the RTAB can reverse this particular |

| 1 | decision. |
|----|---|
| 2 | Mr. Finney? |
| 3 | MR. FINNEY: Mr. Chair, I remain very |
| 4 | optimistic about our ability to actually get things |
| 5 | done here in the City of Flint. And I say that based |
| 6 | on the limited number of resolutions and other items |
| 7 | that have come before the RTAB. Every meeting I think |
| 8 | I've been consistent in asking if those items have |
| 9 | support from both the administration and from the City |
| 10 | Council before we take action on them. |
| 11 | Because I want to make sure that, as we take |
| 12 | action, that it is as a result of the direction that's |
| 13 | coming from the elected officials here. But I also |
| 14 | understand that, from time to time, we may have to take |
| 15 | positions that will differ from elected officials in |
| 16 | the event of something particularly of a financial |
| 17 | nature does not make sense. And it would be our |
| 18 | responsibility to give you feedback about that. |
| 19 | I'd say, for the most part, the kind of |
| 20 | dialogue that's gone on this week and, frankly, even in |

prior weeks at other meetings has really not been of a significant financial nature. And so I find myself not feeling as if I need to take a position as an RTAB member that would change the general direction of anything that's coming from the City Council or from

21

22

23

24

| 1 | the Mayor S office, from the admithistration. |
|----|---|
| 2 | So I'm generally supportive of this |
| 3 | resolution. I do have concerns about just the lack of |
| 4 | willingness to work together effectively. And I think |
| 5 | it's not something that we see happening over the next |
| 6 | 90 days or so. It would certainly warrant rethinking |
| 7 | the position that as represented by this resolution. |
| 8 | But, at some point, we've got to take that next step. |
| 9 | And that next step is to try and move this City back to |
| 10 | being run in accordance with the City's Charter. |
| 11 | But just, you know, it don't take someone |
| 12 | who's experienced in government or management or |
| 13 | anything else to understand that someone's got to take |
| 14 | that 51st step. Because, if we both take 50 steps, we |
| 15 | get to a point where we never have overlap. And that |
| 16 | next step is the one that's going to allow us to have |
| 17 | overlap and, I think, achieve a whole lot more than |
| 18 | where we are right now. |
| 19 | Flint has the eyes of the nation on it, of |
| 20 | the world on it and it's so important that we get this |
| 21 | right going forward. And, in all honesty, we we've |
| 22 | got some challenges, and I think that's obvious. |
| 23 | But I also want to express my optimism, that |
| 24 | we've got an amazing chance in front of us if we work |
| 25 | together And T honestly you'll see me coming back |

| 1 | meeting after meeting, asking the question, "Are we |
|----|---|
| 2 | working together? Are we doing things to extend |
| 3 | ourselves that 51st step so that we can, in fact, have |
| 4 | a much more constructive business and city business |
| 5 | environment than we've had up until this point?" |
| 6 | Thank you. |
| 7 | MR. FERGUSON: Mr. Chairman. |
| 8 | THE CHAIRPERSON: Mr. Ferguson? |
| 9 | MR. FERGUSON: Two things I'd like to share |
| 10 | before we go to hear Councilman Mays. |
| 11 | The other thing I want to say is that, |
| 12 | speaking in the same spirit that Mr. Finney said, that |
| 13 | what we're here today is really working on some plan to |
| 14 | where we're going, you know. Where we've been is not |
| 15 | where we want to be. And, hopefully, what this is |
| 16 | about is giving a blueprint and opportunity to where |
| 17 | we're going. |
| 18 | And I happen to believe that every member of |
| 19 | the City Council and the Mayor and the Mayor's staff |
| 20 | are all adults. And I really believe they're not |
| 21 | tone-deaf. I believe they hear us. I believe they rar |
| 22 | for office because they want to make Flint a better |
| 23 | place. And I honestly believe that they recognize |
| 24 | that, in some ways, that how they're interacting with |
| 25 | each other is not making Flint a better City. |

| 1 | And so I think that this here, in the spirit |
|----|---|
| 2 | to where we're trying to go, is why I'm going to vote |
| 3 | yes on this also. But, before I do, I hate to always |
| 4 | say how I'm voting before I hear what someone has to |
| 5 | say. So, if Chairman's all right, I'd like to hear |
| 6 | Mr. Mays' |
| 7 | THE CHAIRPERSON: Yes. If there's no |
| 8 | objection, we will go now to public comment. |
| 9 | Patrick, do we have individuals signed up for |
| 10 | public comment? |
| 11 | MR. DOSTINE: I do, Mr. Chair. |
| 12 | THE CHAIRPERSON: We'll go in the order that |
| 13 | they signed in. |
| 14 | MR. TOWNSEND: Mr. Chair. |
| 15 | THE CHAIRPERSON: Yes? |
| 16 | MR. TOWNSEND: If I may, I do understand that |
| 17 | there is a pattern that has been established over the |
| 18 | last especially the last couple weeks of individuals |
| 19 | going past the two minutes. I would ask that everyone |
| 20 | be respectful of our time and everyone else's time and |
| 21 | adhere to those two-minute meetings. Again, this is |
| 22 | something that is allowed at other meetings but I would |
| 23 | say it should not be allowed at this meeting, if we |
| 24 | could. |
| 25 | THE CHAIRPERSON: I appreciate your |

| 1 | diplomatic way of saying the Chair's been too lenient. |
|----|---|
| 2 | Thank you. |
| 3 | Patrick. |
| 4 | MR. DOSTINE: Mr. Chair, the first request |
| 5 | comes from Eric Mays. |
| 6 | THE CHAIRPERSON: Thank you. Councilman? |
| 7 | MR. MAYS: Yeah, I will say this in probably |
| 8 | less than two minutes. I'm not necessarily just a |
| 9 | member of the public. I'm an elected official in a |
| LO | democracy. |
| L1 | And, when I politely request an opportunity |
| L2 | to chime in, as a minority member of a Councilperson, |
| L3 | believe me, some of us have plenty of sense. It's not |
| L4 | just Michigan State but I've known Mr. Finney and I |
| L5 | know Mr. Townsend and I'm somewhere right in between. |
| L6 | I know when I hear truth here and I know when I don't. |
| L7 | In fact, if we're in a crisis and in an |
| L8 | emergency, if some come before you, particularly the |
| L9 | replacement of lead pipes, I don't care if I have to |
| 20 | meet for two, three, four hours into the night. People |
| 21 | are dying and every excuse I hear is lame. |
| 22 | I don't believe in emergency managers. I |
| 23 | don't believe in you, as an RTAB. And, |
| 24 | personality-wise, when I see you sit and say what |
| 25 | should happen and then I reach out to you. I'm starting |

| 1 | to lose confidence in you as individuals. I'm not a |
|----|---|
| 2 | child. And I don't like to be mixed in a group of ten |
| 3 | that I'm a child. |
| 4 | Because what I could say to you, if I wanted |
| 5 | to be negative, that you sent some hypocritical message |
| 6 | and now you're going to take some hypocritical actions. |
| 7 | What actions you take don't phase me no more than |
| 8 | Darnell Earley's order. I got a job to do and I |
| 9 | represent people. |
| 10 | Right now with, what I'm hearing and the way |
| 11 | you all treated me in this public arena, like I'm a |
| 12 | public person versus an elected person. Guess what we |
| 13 | say? I'm not a stunt act. Let's get it together, |
| 14 | including you. Enough is enough. We know how to speak |
| 15 | to a point. We're well-educated. We know courtesy and |
| 16 | Robert's Rules. |
| 17 | God bless you. I wish I had did it in one |
| 18 | minute. |
| 19 | THE CHAIRPERSON: Thank you, Councilman. |
| 20 | MR. DOSTINE: My next request, Mr. Chair, is |
| 21 | Pastor Allen Gilbert. |
| 22 | PASTOR GILBERT: Thank you to the RTAB and to |
| 23 | each one of you. I certainly do not Councilman Mays |
| 24 | does not speak for me. I respect you and I realize |
| 25 | that you're here to help us get through some minefield |

| 1 | that we're trying to be. And, Brother Finney, you |
|---|--|
| 2 | spoke what was in my heart. I was waiting for you to |
| 3 | say the word "trust". It is certainly a place where |
| 4 | you don't want to be when you're representing people. |
| 5 | But the bottom line is that Administration and the |
| 6 | Council, they must get there. Because the people will, |
| 7 | more than likely, vote them all out of office if they |
| 8 | do not. |

And so that, I know that you have no dog in that fight; I know that you don't. So I just wanted to say to you that, from where I sat, being in the City of Flint for 42 years and what I've seen and the way we've been represented these last few years, there are very smart people in Administration. But I think that's their main problem; they are too concerned about how smart they are and as well on the Council, instead of, as brother Ferguson said, sitting down and talking like adults and being respectful. Respect will take you a long way. But when you do not respect people that you're trying to convince to come to some middle ground, then you have nowhere to go.

And so I know that some people feel that we come to this mic and we say things that we want to say and sometime we do do that. But the bottom line for you all that I'm going to say to the RTAB today is that

| 1 | there is a trust factor missing. And that trust |
|----|---|
| 2 | factor, on one end you have the Council, on the other |
| 3 | hand you have the Administration. |
| 4 | And I voted for the Mayor but I'm going to |
| 5 | continue to critique her because I can do that and I do |
| 6 | pay taxes. The other thing is I'm going to critique |
| 7 | Council as well because they represent the people and |
| 8 | the citizens are in the middle. And I thank you, |
| 9 | Brother Headen, for saying that, talking about the |
| 10 | citizens. Because, in this fight of whatever it is, |
| 11 | the Council should be able |
| 12 | THE CHAIRPERSON: Gentleman, time is up. |
| 13 | MR. GILBERT: to be with Administration on |
| 14 | equal territory. |
| 15 | Thank you, sir. |
| 16 | THE CHAIRPERSON: Thank you. |
| 17 | MR. DOSTINE: Mr. Arthur Woodson. |
| 18 | MR. WOODSON: How you doing, Mr. Townsend? |
| 19 | The RTAB took us back a whole lot while the Emergency |
| 20 | Manager was here. So they have been a whole big part |
| 21 | of this situation here. |
| 22 | Mr. Finney, the question that you asked, what |
| 23 | is it that by giving the City Council their powers back |
| 24 | can help? It makes it to where they have to come and |
| 25 | talk to them because, the simple fact, anything over |

| 1 | \$10,000, they have to come and talk to the City |
|----|--|
| 2 | Council. It forces them to bargain. It forces them to |
| 3 | compromise. That's the thing. |
| 4 | Plus, it's a a checks and balance. |
| 5 | Because the City Administrator cannot make contract |
| 6 | deals or anything else up to \$75,000. That's one of |
| 7 | the main reasons why it should be here and why it |
| 8 | should be done. By looking in the Charter about a |
| 9 | financial supervisor or a financial Chairman, look in |
| LO | there also, Gilcrest, Dumas and Pastor Overton should |
| L1 | not be down in here in City Hall. In there, it says |
| L2 | classified services, the person that's working at the |
| L3 | Mayor's pleasure should be a resident of the City of |
| L4 | Flint. If not, they should have a waiver. Gilcrest |
| L5 | is Gilcrest Mr. Gilcrest is the senior advisor to |
| L6 | the Mayor. So did he come in front of the City Council |
| L7 | and get a waiver? |
| L8 | So, if we're going to be technical about it, |
| L9 | let's be fair. Let's be fair all across the board. |
| 20 | Don't come up here because the simple fact you sent a |
| 21 | letter into Schneider, an e-mail to Schneider, that |
| 22 | made the City Council mad. Mays go down to the City |
| 23 | Council's I mean the Mayor's office any time he want |
| 24 | to. So he's able to communicate with the Mayor all the |
| 25 | time because he plays the part. He just don't want the |

| 1 | City Council getting power back because he'll be at the |
|------------|---|
| 2 | bottom of the totem pole. |
| 3 | Let's let's look at it the way it is here. |
| 4 | That's how it is. And they do need to know that |
| 5 | because it would be checks and balances. That's why |
| 6 | they need their powers back to where they have to |
| 7 | communicate with them. |
| 8 | Thank you. |
| 9 | THE CHAIRPERSON: Thank you. |
| LO | MR. DOSTINE: The next request comes from |
| l 1 | R.L. Mitchell. |
| L2 | MR. MITCHELL: Good evening. My name is |
| L3 | R.L. Mitchell. I reside at 759 East Lyndon Avenue. |
| L4 | And to the RTAB, you represent the Advisory Board but |
| L5 | Mike and Michael Townsend talking about we do you |
| L6 | spoke for both you all when you spoke about we do |
| L7 | matters. But Mays, he speaks for me because he's my |
| L8 | Councilman. |
| L9 | Like and Mr. Frederick speak for you guys |
| 20 | talking about he don't give a care because he's the |
| 21 | Advisory Board and I don't know about this fellow Joel |
| 22 | because and we the People of Flint. That's why we |
| 23 | had this televised. We the people do give a care about |
| 24 | what you, Frederick, say about "advise" because we |
| 25 | go we hope you advise after you all get to |

| 1 | communicate with these two, Michael and Michael, |
|----|---|
| 2 | whatever they call they-self putting over to the |
| 3 | public. |
| 4 | And we, the people, will be what what we |
| 5 | started from, what this dude was talking about. This |
| 6 | fellow Joel talking, right here, talking about what we |
| 7 | started, we going to finish it and into the future and |
| 8 | all this stuff. |
| 9 | And when you talk to my Councilman, Man, like |
| 10 | you don't give a Man, Frederick, I know your |
| 11 | whatever you say goes and you whatever my Councilman |
| 12 | say goes, too. We the people. Now take that. |
| 13 | And another thing, Man, the forum with this |
| 14 | administration about land a lot, this woman and pulling |
| 15 | stuff, trying Ms. Henderson. Yeah, give her |
| 16 | another show her kindness. I already asked the |
| 17 | Mayor to show her kindness. And put her back on the |
| 18 | Board. |
| 19 | THE CHAIRPERSON: Thank you. |
| 20 | MR. DOSTINE: Our next request, Mr. Chair, is |
| 21 | Mr. A.C. Dumas. |
| 22 | MR. DUMAS: Thank you. My name is A.C. Dumas |
| 23 | and I want to start saying that I've been coming to the |
| 24 | Council longer than anybody that's on the Council, for |
| 25 | the last 45 years, consistently. And I just want to be |

| 1 | consistently coming to these chambers. I know what |
|----|--|
| 2 | Mr. Townsend talked about where they didn't go to |
| 3 | they weren't allowed and permitted to go to meetings. |
| 4 | Because, in the Charter, other administrators will not |
| 5 | even allow their administration to go to Council |
| 6 | meetings because it was like an attack dog. |
| 7 | The Charter is very plain and clear. If you |
| 8 | want to know something, you put it in writing and you |
| 9 | send it to the Mayor's office. The Mayor then sends it |
| 10 | to whatever department and they respond to it. And, |
| 11 | you know, you cannot have Councilmembers going to |
| 12 | Finance Directors, going to this one and this one, |
| 13 | which it used it takes the authority from the Mayor. |
| 14 | So I had you know, and I said this all |
| 15 | along. And I don't make no policy to support the |
| 16 | Mayor. I don't make if she listens to me, fine. If |
| 17 | she doesn't, fine. But I'm going to say what I'm going |
| 18 | to say. You know, I've been president of the AACP, now |
| 19 | I'm vice-president of AACP. That don't bother me, you |
| 20 | know, hitting me don't bother me. |
| 21 | But if I would give any advice to this |
| 22 | administration, if any of the Councilmembers want to |
| 23 | know something, follow the Charter and make them send |
| 24 | it in writing to the Mayor's office. That's what the |
| 25 | Charter is. That's why the fathers and ladies of |

| 1 | that did the Charter put it in there. |
|----|---|
| 2 | Now, you know, with what you got now, you've |
| 3 | got people from the Council calling this department |
| 4 | head and they getting information and this one then |
| 5 | they come back, as Kate Field did, and hit the mayor |
| 6 | upside the head; that's what they do, rather than |
| 7 | giving power back. It don't make no difference because |
| 8 | you all here, they don't have no power. The power is |
| 9 | here when you all leave out; then they have their power |
| 10 | back. Thank you. |
| 11 | THE CHAIRPERSON: Thank you. |
| 12 | MR. DOSTINE: The next request is |
| 13 | Ms. Claire McClinton. |
| 14 | MS. McCLINTON: Good afternoon. I really |
| 15 | don't like having to come before this Transition |
| 16 | Advisory Board because it reminds us of our dismantling |
| 17 | of democracy in the City of Flint. And a lot of what |
| 18 | we're hearing today is some of an outgrowth of the fact |
| 19 | that our democracy was taken away. |
| 20 | And the Council that we have in place today |
| 21 | has not functioned under home rule. Our Mayor has not |
| 22 | been a Mayor under home rule. So some of this |
| 23 | confusion and the back and forth that's going on and |
| 24 | I resent coming up here, dissing the mayor, dissing |
| 25 | I don't appreciate that. |

| 1 | You're not judges and juries and things, like |
|----|---|
| 2 | you're not arbitrators. This is not divorce court. |
| 3 | This is dictatorship. And this has been a source of |
| 4 | the stress. We're under stress. We under |
| 5 | posttraumatic stress. We're we've been poisoned. |
| 6 | We can't go to our Council and get a resolution. |
| 7 | Now, I have this, as my doctor stand here and |
| 8 | brought and bring up issues I had with the Council. |
| 9 | But I know one thing they did, they voted to go back to |
| 10 | the Detroit River so we could get some quality water |
| 11 | and that was cast aside. |
| 12 | And some of this confusion and stress that |
| 13 | we're here hearing and trying to find our way to who's |
| 14 | what's what is because of the lack of democracy in this |
| 15 | town. So I say to you that the citizens of Flint, the |
| 16 | city that launched the great sit-down strike to gain |
| 17 | UAW recognition, the city that had the first black |
| 18 | mayor, the city that passed |
| 19 | THE CHAIRPERSON: I'm sorry. Time is up. |
| 20 | MS. McCLINTON: We will we know how to run |
| 21 | our city. Thank you. |
| 22 | THE CHAIRPERSON: Thank you. |
| 23 | MR. DOSTINE: Okay. The next request comes |
| 24 | from Ms. Dorothy Bachelder and this would conclude |
| 25 | nublic comments |

| 1 | THE CHAIRPERSON: Thank you. |
|----|---|
| 2 | MS. BACHELDER: Good afternoon. I've been |
| 3 | coming to these Council meetings since October. |
| 4 | Eric Mays is the one that got me involved because he's |
| 5 | the only one that really cared for the children of this |
| 6 | city. Your Councilmembers wouldn't even hold an |
| 7 | emergency meeting. I am tired of coming. They just |
| 8 | now got the Robert's Rules. They were given each a |
| 9 | book so that they may learn the rules. |
| 10 | I'm upset with the governor. Rick Snyder is |
| 11 | not my governor. He has done a disgrace to the Great |
| 12 | Lakes when he did this KWA. How can you sit there when |
| 13 | this city is in receivership and yet now they're on the |
| 14 | hook for \$700,000 a month for water they can't even |
| 15 | drink? How dare you? How dare you? |
| 16 | I am angry. You sit there like you know all |
| 17 | the answers. Answer that. How did the KWA get to be? |
| 18 | Jeff Wright should have been in jail a long time ago. |
| 19 | Darnell Earley, he should go. Mayor Walling |
| 20 | should go. He had that report from 2011. Have any of |
| 21 | you even read that report? There was supposed to be |
| 22 | another one done. Where was that? On the sediments? |
| 23 | That Flint River is a super fund site. It |
| 24 | shouldn't have never been used. And yet Jeff Wright, |
| 25 | alone said maybe use the DR? How dare you? Children |

| 1 | are poisoned. I can't imagine being you and sitting |
|----|---|
| 2 | there doing nothing. |
| 3 | THE CHAIRPERSON: Thank you. |
| 4 | Further public comment? |
| 5 | MR. DOSTINE: That concludes public comments. |
| 6 | THE CHAIRPERSON: Thank you. |
| 7 | MR. DOSTINE: You're welcome. |
| 8 | THE CHAIRPERSON: Questions on the adoption |
| 9 | of the motion; any further questions, gentlemen? |
| 10 | If not, this is an RTAB resolution that |
| 11 | requires a record roll call vote. |
| 12 | Mr. Ferguson, how do you vote? |
| 13 | MR. FERGUSON: Yes. |
| 14 | THE CHAIRPERSON: Mr. Ferguson votes yes. |
| 15 | Mr. Finney? |
| 16 | MR. FINNEY: Yes. |
| 17 | THE CHAIRPERSON: Mr. Finney votes yes. |
| 18 | Mr. Townsend? |
| 19 | MR. TOWNSEND: Yes. |
| 20 | THE CHAIRPERSON: Mr. Townsend votes yes. |
| 21 | Chair votes aye. |
| 22 | There are four ayes, no nos, Resolution |
| 23 | 2016-4 is adopted. |
| 24 | Are there any further items coming before the |
| 25 | Board this afternoon? |

| 1 | If not, is there a motion that we adjourn? |
|----|--|
| 2 | MR. FERGUSON: So move. |
| 3 | THE CHAIRPERSON: Is there support? |
| 4 | MR. TOWNSEND: Support. |
| 5 | THE CHAIRPERSON: Without objection, we are |
| 6 | adjourned. Thank you. |

RESOLUTION TO ADOPT THE 2016 OPERATING MILLAGE RATE OF 19.1 MILLS TO BE LEVIED ON THE TAXABLE VALUATION OF ALL REAL AND PERSONAL PROPERTY LOCATED IN THE CITY OF FLINT

BY THE COUNCIL:

The Flint City Council has determined, in accordance with the provisions of Section 7-201 of the Flint City Charter and Section 117.3(g) of the Home Rule City Act (MCL 117, Home Rule Cities), to levy Nineteen and Ten Hundredths (19.10) mills against the Taxable Valuation on all real and personal property appearing on the 2016 Assessment Roll of the City of Flint for the year 2016 as approved by the Board of Review and equalized through the constitutional and statutory processes of County and State Equalization; and

Section 7-201(A) of the Flint City Charter authorizes the levy of Ten and Zero Hundredths (10.00) mills on each dollar of Taxable Valuation of all real and personal property in the City, and further provides that Seven and Fifty Hundredths (7.50) mills of the 10.00 mills levied shall be for municipal purposes; and

Section 7-201(B) of the Flint City Charter provides that the remaining Two and Fifty Hundredths (2.50) mills of the 10.00 mills shall be utilized for the payment of bond obligations and/or public capital improvements; and

Section 7-201(A)(2) authorizes a levy of Fifty Hundredths (0.50) mill on the Taxable Valuation of all real and personal property in the City, with all revenues received being dedicated solely for the purpose of improvements and maintenance of City parks, forestry and recreation services; and

Section 7-201(A)(3) authorizes a levy of Sixty Hundredths mill (0.60) on the Taxable valuation of all real and personal property in the City, with all revenues received being dedicated to fund public transportation services in the City of Flint through the Mass Transportation Authority; and

Section 7-201(A)(4) authorizes a levy of Two and Zero Hundredths (2.00) mills on the Taxable Valuation of all real and personal property in the City, with all revenues received being dedicated for the sole purpose of providing police services; and

Section 7-201(A)(5) authorizes a levy of Six and Zero Hundredths (6.00) mills on the Taxable Valuation of all real and personal property in the City, with all revenues received being used solely for the purpose of providing police and fire protection.

IT IS RESOLVED that there shall be levied against every dollar of all taxable property appearing on the 2016 Assessment Rolls of the City of Flint, through the constitutional and statutory processes of County and State Equalization, a total of Nineteen and Ten Hundredths (19.10) mills of which Seven and Fifty Hundredths (7.50) mills shall be for General City Operating Purposes; Two and Fifty Hundredths (2.50) mills shall be for retirement of debt, improvements and other purposes as provided in Section 7-201 of the Flint City Charter, as amended; Two and Zero Hundredths (2.00) mills shall be for Police Services; Fifty Hundredths (0.50) mill shall be for the purpose of improvements and maintenance of City parks, forestry and recreation services; Sixty Hundredths (0.60) mill shall be for the purpose of funding public transportation services in the

ATTACHMENT #6

City by the Mass Transportation Authority; and, Six and Zero Hundredths (6.0) mills shall be for Police and Fire Services.

BE IT FURTHER RESOLVED that the City Assessor be and is hereby authorized to prepare the City of Flint 2016 Tax Roll by spreading said taxes authorized and levied for City of Flint purposes, School purposes, and Special Authority purposes in one column of said tax roll, and the provisional parts of said rate; namely, General City Operating purposes, Debt Services and Capital Improvement Programs, School purposes and Special Authority purposes, be shown on the Tax Statement.

16010M

RESOLUTION TO ADOPT THE 2016 OPERATING MILLAGE RATE OF 1.9984 MILLS FOR THE CITY OF FLINT'S DOWNTOWN DEVELOMENT AUTHORITY DISTRICT TO BE LEVIED ON THE TAXABLE VALUATION FOR ALL REAL AND PERSONAL PROPERTY LOCATED IN THE CITY OF FLINT'S DOWNTOWN DEVELOPMENT AUTHORITY DISTRICT

BY THE COUNCIL:

The City of Flint under P.A. 206 of 1893, as amended (MCL 211.24e) provides that a public hearing be held by a local taxing unit, which proposes to increase operating revenues over the maximum amount allowed to be levied without a hearing; and

The proposed millage rate must be established by a resolution adopted by the governing body of the taxing unit before it conducts the hearing; and

Based upon the decrease in the Taxable Valuation of all taxable real and personal property located in the Downtown Development Authority in the City of Flint, the levy of ad valorem taxes will not generate any increase in revenues which would exceed the maximum level allowed by MCL 211.24e(2), as amended.

BE IT RESOLVED, that the City Council of the City of Flint adopts the levy of 1.9984 mills for the ensuing (FY2016-2017) Downtown Development Authority operating budget.

| PRESENTED: | |
| ADOPTED: | |

RESOLUTION TO ADOPT THE 2016-2017 AND 2017-2018 MASTER FEE SCHEDULE

BY THE COUNCIL:

Pursuant to the Home Rule Cities Act, MCL 117 et seq, a local unit of government may defray the cost of services by collection of user fees; and

User fees are charged for services that benefit the individual or entity charged, and avoid municipal subsidization of services not provided to the general public; and

It is the desire of the City of Flint to ensure that user fees reflect the cost of services in fiscal years 2017 and 2018.

IT IS RESOLVED that the Biennial Master Fee Schedule, which includes Water and Wastewater Volumetric Rates and Service Charges, attached hereto and made a part hereof, be approved and implemented as outlined, and kept on file with the City Clerk.

IT IS FURTHER RESOLVED that the attached Biennial Master Fee Schedule can and will be modified, should the need arise, at any time during the biennial timeframe for fiscal years 2017 and 2018.

BE IT FURTHER RESOLVED that the appropriate City Officials be and are hereby authorized to do all things necessary to implement and collect the attached user fees, effective July 1, 2016.

RESOLUTION TO ASSESS STREET LIGHTING ASSESSMENT FOR FY2017

BY THE COUNCIL:

The City's General Fund cannot support the cost of operating, maintaining, and improving street lighting. The provision of street lighting provides essential benefits with respect to the public safety and welfare of the City, its residents, and property owners. If the City stopped providing street lighting, it follows that crime would increase; the fear of crime would increase; there would be more accidents; and the quality of life and value of property would suffer; and

The City has authority to specially assess for the cost of operating, maintaining, and improving street lighting under the Home Rule City Act, Act 279, Michigan Public Acts of 1909, as amended, MCL 117.1 et seq.; and

Pursuant to Emergency Manager Order No. 32, adopted June 27, 2012, a special assessment district was established for street lighting, against which at least a part of the cost of providing said service is to be assessed.

The Chief Financial Officer has caused to be prepared plans and cost estimates for the continued provision of street lighting.

Under the city-wide special assessment district, for FY16, an assessment of \$70.94 per parcel was enacted.

IT IS RESOLVED that effective July 1, 2016, the cost of operating, maintaining, and improving street lighting, as contemplated under MCL 117.4d, shall be assessed against the special lighting district to provide for the operational costs of the current system, and to enable upgrades and improvements to street lighting throughout the City. The assessment will be collected through the property tax bill for all property owners. The amount to be assessed will be adjusted annually to reflect the projected cost for the operational, maintenance and improvement costs, and the number of property owners.

The FY2017 budget contains an appropriation of \$2,442,528 for street lighting expenses. There are estimated to be 34,422 parcels in the City subject to this assessment. There were 11,700 streetlights, according to the most recent audit conducted by the City in collaboration with Consumers Energy. The cost of operating, maintaining, and improving street lighting will be spread equally to all parcels in the City, since all property owners benefit from a well-lit city. Therefore, the cost per parcel for the July tax bill will tentatively be set at \$70.94 per parcel.

The proposed annual cost of \$70.94 per parcel does NOT increase the current assessment.

All funds will be used exclusively for the purpose intended – for the payment of costs permitted under MCL 117.4d(2)(b), including engineering, financial, legal, administrative services, and operation and maintenance of the street lighting system.

RESOLUTION TO ADOPT THE 2016-2017 AND 2017-2018 BUDGET AS AMENDED

BY THE COUNCIL:

On April 4, 2016, in a meeting held open to the public, Mayor Karen W. Weaver submitted the City of Flint Proposed Budgets for FY2017 and FY2018 to the City Council as required by Flint City Charter and State Statute; and

The City Council conducted a Community Public Hearing on the Proposed FY2017-FY2018 Budget; and

This resolution shall be known as the City of Flint 2016-2017 and 2017-2018 General and Special Appropriations Act.

IT IS RESOLVED that the FY2017 and FY2018 City of Flint Biennial Budget, as set forth in the Mayor's Proposed Budget dated April 4, 2016, and as amended by the City Council (FY2017 and FY2018 Proposed Amendments), incorporated by reference herein, is hereby adopted consistent with the Uniform Budgeting and Accounting Act (PA621).

IT IS FURTHER RESOLVED, that the FY2017 and FY2018 City of Flint Biennial Budget (AS AMENDED) is premised on the establishment of water and sewer rates by the Chief Financial Officer sufficient to generate the estimate revenue stated herein, and the adoption of the following tax levies, pursuant to State statute, for a total City level of 19.10 mills:

| OPERATING MILLAGE NAME | MILLAGE RATE |
|------------------------|--------------|
| General Operating | 7.50 mills |
| Public Improvement | 2.50 mills |
| Police | 2.00 mills |
| Public Transportation | 0.60 mills |
| Parks & Recreation | 0.50 mills |
| Police & Fire | 6.00 mills |
| TOTAL: | 19.10 mills |

BE IT FUTHER RESOLVED, that the City Council adopts the FY2017 and FY2018 City of Flint Biennial Budget (AS AMENDED), as follows: General Fund (101), Major Street Fund (202), Local Street Fund (203), Public Safety (205), Police Fund (207), Parks & Recreation Fund (208), Street Lighting (219), Garbage & Rubbish Fund (226), Revolving Loan Fund (246), Drug Law Enforcement Fund (265), Public Improvement Fund (402), Building Inspection Fund (542), Sewer Fund (590), and Water Fund (591), SEE ATTACHED EXHIBIT A.

BE IT FURTHER RESOLVED, that the City Council hereby establishes the estimated revenue budgets for the funds listed in Exhibit A for the various City departments, divisions, boards,

commissions, and other activities as the FY2016-2017 and FY2017-2018 City of Flint Biennial Budget (AS AMENDED).

BE IT FURTHER RESOLVED, that those departments shall not incur any expenses in excess of the adopted mandatory accounts and the fund and departmental level without amending the Budget pursuant to the Flint City Charter, Section 7-104and Ordinance 3855.

BE IT FUTHER RESOLVED, that the Department of Finance shall provide monthly financial reports to the City Council by the 20th of each month for the immediately preceding month for discussion at each Finance and Administration Committee meeting. The reports will detail year-to-date revenues and expenditures compared to the budgeted amounts in the various line items funds of the City of Flint, and an accounting of pooled cash.

STATE OF MICHIGAN STATE BUDGET OFFICE LANSING

RICK SNYDER GOVERNOR

JOHN S. ROBERTS

DIRECTOR

DATE:

June 7, 2016

TO:

Flint City Council

FROM:

John S. Roberts, State Budget Director

Nick Khouri, Treasurer

Richard Baird. Senior Advisor to the Governor

SUBJECT:

Budget Recommendation for Flint

As described, the City of Flint is in the process of finalizing its municipal budget for the 2016-17 fiscal years and has requested clarity on the State of Michigan commitments to the City and its water enterprise fund. Governor Snyder is dedicated to ensuring that the Flint Water Crisis is dealt with quickly and thoroughly, so that Flint's water is safe for residents again. The Governor has recommended more than \$232 million to provide the long-term health and educational support that will be needed for the children and residents of the city.

In particular, the continued purchase of water from the Great Lakes Water Authority has, to date, been financed by a combination of state, local, and foundation funding. Proposed state supplemental appropriations contain funding for that purchase through December 2016. It is our expectation this funding will remain intact as the Legislature finalizes appropriations work in the next few weeks.

In addition, with the Flint River off the table as a backup water source, it will be necessary to construct a 3-mile, 36-inch line to provide a secondary route for delivery of water to Flint. The State is currently reviewing with the City all available funding options and anticipates resources to work collaboratively with the City and its water enterprise fund.

If you have any further questions, feel free to contact John Roberts at (517) 373-4978. We look forward to working with you as we continue to move forward as one Michigan.

Budget to Actual Revenue and Expenditure Report

Please find attached the Budget to Actual Revenue and Expenditure Report and Cash and Investment Summary for the period ending April 30, 2016 for your review and submission to the RTAB per Emergency Manager Order 20.

As a reminder, YTD Balance reflects actual activity recorded as of May 18, 2016 for the period ending April 30, 2016. Available Balance is the difference between total budgeted amounts and actual activity shown in the YTD Balance column. Similarly, % BDGT Used represents the percentage of budget represented by the YTD Balances. Eighty-three percent (83%) of the City's fiscal year is now complete.

In general, the City strives in its revenue collection efforts such that YTD activity is shown at a higher percentage than the percentage of the year that has passed. Similarly, the City would strive to monitor its cost activity such that the percentage of expenditures YTD are below 83%. Revenues in the City's various funds follow the income source. For instance, property tax revenue is levied July 1 each year and due and payable by September 15. For those funds that rely upon property tax revenue, the majority of income has been posted and appears in the YTD balances. State revenue sharing payments to the General Fund and Major and Local Streets are posted on a bi-monthly and monthly basis, respectively, and lag based on the

period distribution dates of the State. Other income, such as forfeitures, licenses and asset sales, is posted as the underlying event occurs.

A summary of major events by Fund is provided below:

GENERAL FUND – Activity year to date has occurred as anticipated with no major activity to note at this time. Major revenue sources for the month of April include income tax collections and State Revenue Sharing.

WATER AND SEWER FUNDS – Billing activity was suspended during the month of April while the City prepared to issue Public Act 24 water relief credits to its customers for the period April 2014 through March 2015. Billing has now resumed. Public Act 24 covers the billing period through April 2016 for water charges only. May 2016 residential water charges have been pledged by the State. The water bill relief and flushing credit programs do not impact billed revenue but provide cash flow stabilization as collection activity continues to decline.

Expenditure activity for ongoing operations of the water and sewer funds remains constant. Both budget and cash flow activity for the City's water and sewer funds are being monitored closely. Without further assistance from external sources and increased collection activity, the City's water fund is projected to run out of cash by November 2016 with the sewer and general funds following shortly thereafter as City-wide resources are depleted.

All other funds have no significant activity to note and continue to provide City services within budget as anticipated.

Please let me know if any additional information is necessary or if you have any questions.
