

State Tax Commission March 30, 2012 Tip
Topic: What about USPAP?

Dear STaCy,

I saw your tip on continuing education requirements (thanks and cute kid) but do I still have to do USPAP every 5 years?

Thanks,

R.Q. Minty

Dear Mr. Minty:

The Commission discontinued the USPAP 5 year requirement. Therefore, you do not have to complete a USPAP course anymore to maintain your assessor certification.

Sincerely,

STaCy
