CLAIMING UNEMPLOYMENT BENEFITS IN MICHIGAN COVID-19 GUIDE

Filing for and Receiving Benefits

If you become unemployed, you may qualify for unemployment insurance benefits. These benefits are intended to provide temporary income as you seek new employment or have been laid off during the COVID -19 crisis.

A claim for unemployment benefits begins the first week you are laid off. The amount of time to file a claim has been extended from 14 days from layoff to 28 days from layoff. You must file your claim within the 28-day window.

There are two ways to file a new claim or re-open an existing claim:

- **FASTEST AND PREFERRED METHOD: Online** – Visit www.michigan.gov/uia and sign into MILogin to access or create an account on the Michigan Web Account Manager (MiWAM).
- **Telephone** – Call 1-866-500-0017. If you are hearing impaired, TTY service is available at 1-866-366-0004.

Information Needed to File a Claim:

- Your social security card,
- Your state issued driver's license or ID card number or your MARVIN PIN (if you have one),
- The names and addresses of employers you worked for during the past 18 months along with your quarterly gross earnings,
- The first/last date of employment with each employer,
- Your most recent employer's Federal Employer ID number (FEIN) and Employer Account Number (EAN). Depending on your situation, knowing the account number may speed up the processing of your claim.
- If you are **not** a U.S. citizen or national, you will need your Alien Registration card and the expiration date of your work authorization.

Bi-Weekly Certifications

You must certify your eligibility every two weeks to receive payment. The preferred method of certifying is online, although phone certification is also available.
