County Lien Statement

Notice to Register of Deeds: State law provides that upon recording a Certificate of Discharge of a Michigan Unemployment Insurance Agency (UIA) Tax Lien, the county Register of Deeds' offices shall remit to the UIA the amount represented as the Agency's cost for recording the lien and any information requested in this notice. Please provide a copy of all certificates of lien discharge for the return period (monthly or quarterly), or a summary compilation of that information for the return period as provided on the chart on the reverse side.

If your county has 750,000 residents, the reporting period is on a MONTHLY basis.

If your county has fewer than 750,000 residents, the reporting period is on a QUARTERLY basis.
